rayed the freezing weather to see the

bout, and when they entered the club house they found it almost as cold within

WILKINSON'S You will never be in good health and never do your hest work if your feet are constantly cold. Grave discusses of the throat and lungs are caused by rold feet alone, and these troubles are always ag-gravated by a frigid condition of the lower whances are the system is "run down," and radical measures are necessary. In nine cases out of ten, however, the foot covering is to blame, without because of its shape or its material. Save in warr.

No foot can remain either comfortable or healthy if kept in a perpetual bath of its own emanations and execretions; Leather, especially that of the more porque

wool felt. In fact, for all cold climates, and for winter wear in all climates where there is any winter, a footgoar made from all wool felt approaches the ideal. According to modern notions, any illness in one part of the body may be occasioned by some irritating cause far removed from the sent of the trouble. It was have this is finned always be clearly explained, but that such connection does sometimes crist is beyond dispute. In the matter under discussion, if the news of the whole body are trritated by a fight shock the extreme coldness of the extreme coldness of the extreme WE ARE CAREFUL
