SCHOOL BOARD.

EDUCATION COMMITTEE STALLED.

It Can Do Nothing Since the Board of Health Insists Upon Enforcing the Vaccination Laws-Acting Superintendent Cooper's Remarks.

A regular and somewhat irksome meeting of the School Board was hold last evening with Directors Price, Hanna, Ogden, Morgan,

Williams, Baugh, Lee, Devitt, Sullivan, Edwards and Connors in attendance. The proceedings progressed very slowly and the board seemed infleted with inertia. More than once President Pelce was obliged to stirthe members to add with a "Come, gentle-men, make a motion." The meeting was so much in contrast to the meetings of the past few menths as to make the lardiness. The share of an attempt to the meeting was a second against on large the second against on the share of an attempt to the

taken up by the reading of the minutes, which was followed by the reading of a letter from Architect Davis, in which he gave his opinion on the claim of the Shenandonh Lumber and Fred Company for extra labor and materials furnished for the new White opinion on the claim of the Sheanadonh Lumber and Feed Company for extm laker and materials furnished for the new Witter street schoel building. The claim is for \$100, and from the architect's letter it appears that the beard is responsible for about \$75 of the smount. The matter was reforred to the building committee and \$100, area as represented by the servent, who threw it out. He then spread diph-there are submittee to be the server as the s present at this annual gathering and also many lay people of the church and members of other denominations.

A letter was read from the Pock-William-con Company, staling that its chief engineer, Mr. Ensign, was about to visit the east and would be instructed to visit Shenanduah and
