THE IMMIGRATION BILL.

House Agrees to the Float Conference Report on the Bicasure,

Washington, Feb. 10.—The house yesterday agreed to the final conter-ence report on the immigration bill by an everwhelming majority! 217 to 53), and passed two more pension bills over the president's yet. The modifications of the immigration contained in the of the Immigration contained in the conference report, by which an intend-ing immigrant was required to be able to read and write "the English or another language," and which permitted the illiterate wife and minor children to accompany an eligible immigrant. removed the main opposition to the bill, but Messrs, Mahany of New York, Maguire of California and Kelfer of Minnesota opposed the whole theory of the bill on general principles, while Mesers. Bartholdt of Missouri and Mc-Alpin of Massachusetts both spoke in Alph of Massachusette both spoke in favor of the bill as modified. The bene-ficiaries of the rension bills passed over the veto were both of the class known as "remarried widows." Arr. Cleveland has disapproved a number of these bills, but he has also allowed several to become laws without his signature. A resolution was adopted appointing John Marshall Brown, of Mains, to the vacancy on the board of Maine, to the vacancy on the board of managers of the National Home for Disabled Volunteers, made vacant by the death of George L. Beal. The open seasion of the senate was

wholly perfunctory and after transacting some routine business the doors were closed and an executive session continued throughout the day.

The Hall Pool Dissolved. Distaburg, Feb. 10.—The rall pool was dissolved gesterday in New York because of dissensions among the east-ern members, some of whom claim that a few of the manufacturers were offering rails below legitimate tigures. It is sated that prices of rails at Pitts burg will now range between \$20 and \$21, and from \$21 to \$22 west. It is probable that a greatly increased production this year will result from this action of the manufacturers, giving yment to a large force of men
