At the corner of Bridge street one of the runsways, alig, fire bolting gray, run into a log wagon loaded isolding gray, ran inte a log wagon loaded with rallway sills. The horse went head fore-

Political writers sometimes find it difficult to make their letters interesting to the general public, but there is no such excuss at this particular time. Why, Mr. Editor, I could utilize your entire paper from more this particinar time. Why, Mr. Editor, 1 could utilize your entire paper from new until the day of election in laying before your reader some of the inside history that is now being made in political circles in Shemandosh. But I must bear in mind your admonition when I asked for a small portion of your space, and make my communication relation by acting Vice President Ferry. of your space, and make my communication abort and to the point. But before closing I emmode refrain from touching upon the wild excitement atlending the Tideo fight is being conducted.

officers is an important matter to the people of Shenandoah. They are elected for three years, and upon their efficiency will depend, in a great measure, whether there shall be an improvement in the local government. It is present away. The victoritation have unnecessary to say that a change is badly needed--it cannot be much worse.

THE COUNTY FUBLIC SCHOOLS. Some Facts and Figures that Will be of General Interest.

There are 78 school districts in Schuylkill ounty and 732 schools. The average number of months taught during the school year 1896 was 8.8. Nineteen districts have 10 months and twenty-four districts Inve six. months. There are 273 male teachers and 485 female teachers, and the average salaries are \$55,46 for male and \$37,46 for female teachers. The highest average paid to male teachers is \$121,66. This is paid by Pottaville district. Norwegian township pays \$65 to its fomale teachers, this being the highest in the county. There are 36,977 pupils in the county, 18,533 boys, and 19,424 girls.

The average per cent, of attendance is 31. The highest percentage of attendance is 54 in Tower City. Then comes the following dised.. Of the 15 men who sat on the fa-mous electoral commission which de-cided that contest by peaceful means Benater Hoar, of Masschusetts, was the only one measure variables, and the program out on or of Wayne, 90.

The average cost per pupil per month is \$1.20. It is not at all surprising that the and restined from public life or have rassed away. The vicksitudes of po-litical fortune in two short decades have removed all but 17 of those who then sat at either end of the Capitol. Most of the 17 survivors were consule.

The average number of mills lavied for school purposes is 5.72 and for building purposes 3.10. Total amount levied for school and build-
