CAST YOUR VOTE.

By the time this issue of the HERALD reaches its thousands of readers there will be but few hours before the close of the pells. Toose who have not yet exercised the right of franchise should not fail to do so. The olection of borough officials is one of supreme importance to the taxpayers of Stiemindish Politics should not enter into an election of this kind; which of the condidates would best serve the inxpayers, is the question to decide. If you have not yet voted, do so without delay ; it is a duty you owe yourself and your fellow citizens.

MUCH speculation is indulged in among the Republican leaders of the state, as to what Pennsylvania will receive at the hands of President McKinley, If Harings does not go into the Cabinet and refines the Russian mission, it is possible that Quay and Pornse will push Charlemagne Tower for the position. It is intimated that Courress man Jack Robinson may be turned adde man Jack Robinson may be turned aside from the Assistant Seccencyship of the Navy by being tendered the mission to Mexico. If Rodine gets Ching, Hastlings of Tover Russia and Jack Robinson Mexico, the Major will probably shut down on giving Pennsylvania anything more in the foreign line. He may throw in a few Consuls although it is difficutt to now how he can unless he suspends Cieveland's order placing all Consulatops paying \$2,500 or loss under Civil Service law Cleveland has the Gananbar service profity well hour reatabed with Southern Colouel Majors and Judges, and 16 is going to be a task to get rid of them. Once a Southerner gate postession of an affect it is holes a mile to get him out.

THE good horsewife will always keep a them to give it a trial. My husband, lat of canned stuff in her pantry, with which to meet any domestic energency that muy arise. She does how have it for daily use, to be a part of the daily mens. It. is regarded in most Shenandoah households are merve store, to be drawn open only is a corputent man weighting 250 periods, been helped by Hood's Sarsaparllia which when an absolute necessity therefor may arlies. A great many very good people in this town seem to act on the very same play where their religion is concerned. They regard it as something not meansary for daily main therefore, they put it away is cone, early to be drawn upon when extra occasion presents itself, to domand something better than the usual bill of fare. Either this, or Sarsaparil else they regard it as morely an ornament fit to dress a table when theological prop-lety may so require, but entirely unneces-may when the daily needs of life are concorned. They keep this canned religion on the topmost shelves of their hearts, where it is not very handy to got at, but where it can be reached whenever a possible spiritual
