THE TRUST INVESTIGATION.

Lerow's Committee Now Examining the Rubber Consolidation. New York, Feb. 17.—John E. Searles, secretary and treasurer of the sugar trust, was again before the Lerow committee yesterday.

Mr. Searles testified that aggregations of capital did much to develop economy, and contended that the consumer had benefited by the fall in prices of the raw material and contributed little to the manufacturers.

Then the United States Rubber company was taken up, and Charles E. Flint, treasurer, was the first witness.

RESULTS OF THE ELECTION

Tabor Elected Chief Burgess, and Burke Tax Receiver.

THE REPUBLICAN WARDS SOLID.

School Board and Council Victories in Second and Third Wards Despite the Great Democratic Assault—School District Bonded Indebtedness Increased.

The election is over and the people are drawing a sigh of relief, for they have passed through one of the most trying seasons of political agitation in the history of the borough.

The Democrats in high glee over the results and, with faces beaming with smiles, they take great delight in "basting" the defeated.

The total number of votes cast in the borough was 2549. The highest number cast last Spring was 1911.

The election passed off without a serious disturbance occurring at any of the polls and it is generally agreed that it could not have been attended by more harmony.

It will be observed in the table of returns for the borough offices that 4 votes, or less than a quorum, were cast in the entire vote cast in the election.

Under the returns the Democrats elect A. P. Tabor Chief Burgess; Edward Burke, Tax Receiver; Jere Toomey, Justice of the Peace; Andrew McDonald, Borough Auditor; and a sufficient number of School Directors, by election in the First, Fourth and Fifth wards, to give them a majority of one on the School Board.

By carrying the Second and Third wards the Citizens-Republicans retain control of the Borough Council by a majority of one and on the borough ticket elect William H. Shoemaker, J. J. Cardin for second place.

The official returns on the borough ticket are as follows:
