Character a Murder Mystery.
Chester, Pa., Feb. 18.—A man giving his name as James Brown, but whose real name is Marshall, who is said to have confessed to a part in a mysterious murder case, was brought to this city last night, and was committed to prison. On Feb. 8, 1894, the body of an unknown man, with two bullet wounds in the breast, was found in a marsh along Coker's creek, Delaware county. Since the murder Marshall has been imprisoned on Governor's Island for desertion from the United States army. While in confinement he is said to have confessed to a man named David Wilson and a companion named David Wilson had robbed and murdered the stranger. His story was that they had met him in a saloon, and, learning that he had considerable money, enticed him away to the creek and deliberately shot him, hitting the body of 42-0 and a good watch. Wilson's whereabouts are not known. The murdered man was never identified.

THE GREEKS IN CRETE.

The Government Determines to Continue an Active Policy.
Athens, Feb. 18.—In the legislative chamber Prime Minister Delyannis announced that he had not received authentic news of the departure of Turkish troops for Crete. Replying to questions, he said that the government was seeking to discover the motives of the powers in their recent action in Crete. The government had arrived at certain decisions, but was unable to impart any information as yet. Some of the members declared that the lowering of the flags of the consulates constituted recognition of Greek occupation. It is reported that the cabinet council decided to continue an active policy. The government last night sent instructions to the consul at Canea declaring that as the four towns which the powers occupied were not held in behalf of Turkey they must like the rest of Crete be regarded as Greek territory. Owing to the anomalous situation, the Greek consul at Canea, on the representations of the foreign admirals, has removed the Greek flag from the consulate. Colonel Vassos has issued an order advising his men to avoid any collision with the foreign marines, and exhorting the Christians to treat fairly both the foreigners and the Moslems. He promises the latter protection and religious equality, but will try to persuade them to quit the island. Turkish soldiers who yield will be disarmed and sent to Smyrna or other points in Turkey. Children Locked in and Cremated.
Iron River, Mich., Feb. 19.—Mrs. Thomas Browowski locked her two children in the house yesterday and went down town. During her absence the house caught fire and burned, together with both children.

MAHANAY CITY.

Mahanay City, Feb. 18.—Martin Seibelt, 14 year old son of Andrew Seibelt, was the victim of a sad accident yesterday. He worked with his father in a brick at the Vulcan millery. During an idle moment he applied the flame of his lamp to a small cap and the thumb and index finger of his left hand were badly mangled by the explosion. Without any display of parental affection the father sent the boy home unattended. When he reached home the boy, with a cold reception and neighbors dressed the injured hand. Later Constable Daniel George accompanied the boy to the Miners' hospital, where the finger and thumb were amputated. The entertainment and banquet of the Sandy Bottom foot ball club, which were many hours on the glitton last season, took place last night and was a grand success. The 18 month old daughter of John M. Coombes, secretary of the Board of Health, died yesterday. The many friends of Miss Ross Dougherty, clerk at Ferry's store, learned that a farewell party had been given on the eve of her departure for her home in Shenandoah. L. M. Pierce, lately a plumber and hardware dealer in town, was before Justice Coyle last evening, charged with cheating and defrauding and selling goods under false pretenses, as well as Mrs. Emma Wild. Bail in \$500 was furnished. James, son of Mrs. Mary Short, relative of John Short of Gilberton, died yesterday in his 17th year, of pneumonia. The funeral will take place on Saturday, at 10 a. m. in the parlour at Frackville.

EXTRA!

Your attention is called to the fact that we have ordered a Special Sale of CLOTHING and OVERCOATS for the next 15 days, commencing to-day. We have decided that as our spring stock will soon be shipped we must have room to place it. Past experience has taught us that we must have room and we intend to uphold the old custom by marking all our CLOTHING and OVERCOATS at such low figures that the men, boys and children of Shenandoah should have at least one good suit. Note the following prices which is proof that we mean business:

SUITS.	OVERCOATS.
\$5.00 Suit for - \$2.00	\$5.00 Overcoat for - \$2.75
6.00 " " - 2.50	6.00 " " - 3.00

All other goods proportionally low, and these goods are not shelf worn, but are the styles of last season; they must be sold. You may imagine that these prices are only a fake to draw custom, "but the proof of the pudding is in the eating," and we can prove it by our large show windows, which, if you will examine, are filled with goods at such marked down prices that were never offered before to the people of this county. It is a well-known fact that we are the largest and cheapest clothing house in this section of the State, and we will endeavor to always uphold that reputation.
