Among the Egyptian engagement rings were always of iron, indicating the mutual hardness of liberty. One of the earliest rings used in the engagement ring was the loadstone, which symbolized the force of attraction which drew the maiden from her own family into another.

This undergoes from 50 to 100 different processes, according to quality. The new material is in the early stages they resemble simply a conical bag of wool.

It pays us to lose— Sometimes!

Here's a case in point. We have left a small lot of those excellent, popular warm-lined shoes. We haven't the room, nor the disposition to keep them until next winter, and rather than run the risk of so doing we've cut the prices even below the money-saving factory prices.

It's positive loss to us, but we'd rather lose than carry them over. Factory prices were 65c., 75c., \$1 and \$1.25.

The get-out-quickly figures are 50c., 60c., 75c. and \$1.

If you want a taste of this best of all shoe chances, you must come quickly. Can't last long at these prices.

Checks with every purchase; \$25 worth gets a handsome Parlor Lamp.

PEARLS. Why There Are No Very Ancient Specimens Now in Existence.

According to M. H. Hutton, the celebrated scientist, there are no very ancient pearls in existence for which a sufficient reason is found in the fact that pearls, unlike precious stones, are destructive.

The pearls are not mentioned by Homer or Herodotus, but they are mentioned in the story of Alexander—that is, of the conquest of the east, and it is about this time that the name Margarita—that is to say, Pearl—was first given to women.

The Romans appreciated the pearl, and after the growth of the Roman Empire to have its usual effect in diminishing the birth rate, one of the laws against celibacy provided that no childless woman or spinster should wear pearls under the age of 60.

ORANGE BLOSSOMS.

The groom was attended by his brother, Anthony Bendrick, and the duties of bridesmaid were ably performed by Miss Anne Radziejewicz. The bride's parents, Mr. and Mrs. Charles Radziejewicz, of East Centre street, were also at attendance at the wedding.

EXTRA!

Your attention is called to the fact that we have ordered a Special Sale of CLOTHING and OVERCOATS for the next 15 days, commencing to-day.

We have decided that as our spring stock will soon be shipped we must have room to place it. Past experience has taught us that we must have room and we intend to uphold the old custom by marking all our CLOTHING and OVERCOATS at such low figures that the men, boys and children of Shenandoah should have at least one good suit.

Note the following prices which is proof that we mean business:

Table with 2 columns: SUITS and OVERCOATS. Prices range from \$5.00 to \$9.00.

All other goods proportionally low, and these goods are not shelf worn, but are the styles of last season; they must be sold.

You may imagine that these prices are only a fake to draw custom, "but the proof of the pudding is in the eating," and we can prove it by our large show windows, which, if you will examine, are filled with goods at such marked down prices that were never offered before to the people of this county.

It is a well-known fact that we are the largest and cheapest clothing house in this section of the State, and we will endeavor to always uphold that reputation.
