WE accept the word of the reverend genthemso, who presides over the faithful flock at Lost Creek in preference to the "ten-delhara-week" hireling. We are of the belief that the former still holds to the same opinion he did some time since as to obscore literature.

HERE is how the Lazerne county papers Dealer in steves size up the county detective, an official which flict upon the taxpayers: "All builto County flour made, Dataston Eckert. He has caught something at last. After a run down West Market street. on Monday he caught the Wyoming ear."

The workmen in and around the mines rerelved their pay to-day. It was a small celved their pay to-day. It was a small day but, when he was run down by a stipend that most of them received, and this carriage team while crossing Fifth avfact should be sufficient to came those well came, near Forty-fifth street. The shaft prayided with this world's goods to rander of the carriage knocked Mr. Rernochan all the assistance they can toward the relief down, and one of the wheels struck

Tun beaugural address of President Me-Kinley, published in full in yesterday's suburton were partially inundated yes Here the first of the substitution of the substitution of the substitution of the many pears. Acres of ground the people. There is a fembles in the case understined the many pears. Acres of ground the people. There is a fembles in the case understined and residents of the man. He wants the many question of the man. He wants the many question of all the people, and suggests a people was found that desirable result. His people, and suggests a people was found that desirable result. His people, and the people of the many finances families found their banks and many bridges washed away. Many families in the vandalla district were rescued in boats. Considerable result were rescued in boats. Considerable result were rescued in boats. Considerable result were rescued in boats. Considerable result. His people, and suggests a provided was to be themselves beamed in so that it was people, and suggests a provided was from neighbors on that question of a tariff is bold, and but re-echoes the sentiments bold, and but re-echoes the sentiments that the board is since he antered public that the board is the following the first the fir lie life. He wants American labor protested, and the fraits of that labor to get wider markets. On foreign questions he s equally parriotle-no troubles with other nations that can be avaided, and full protection to every American when he is entitled to it. The address made a good impression side for four years and who will strive to make our country better than it is.

How run ten-dollar-a-week mis-"managin; editor" does squirm when the light is turned on and his own acts laid bare to the public. He should carb his anger, and remember that he has not been given a free lance to attack every one that his venemous instincts may incline to, without laying himself open to a dose of his own medicine. The people of Shenandoah, especially those who do not agree with his marrow and bigotal opinions, will no longer quietly submit as the targets for his uncalled men of his own party to draw public attention to the motives of this "new" Journallet. We have refrained from doing so for the reason that our people have heretofore dwell together in good will prior to this latter-day emilst" appearing before the public and for the further reason that the Hunano always eathers personalties in discussing putexased to be a wirtue in this instance, and the demand of the people that the light be turned on to show the motives of these personal abtacks upon private individuals will be complied with so far as in our power lies. A word to the wise should be sufficient.

THAT the immigration bill, as passed by Congress, had some defects, cannot be denied, but it was, in the main, a who and well-considered mountry, which world have proved vastly more beneficial to the country than seriously harmful, if serious harm there could have been which is doubtful. For years there how been little or no check to the coming of the ignorant, victors or depraved; the scum of Europe have had practically free entry, to the lithry of American workmen and of those better class forsign workman, who came here to make their permanent home. The Immigration bill, had it hom enacted, would have offectially excluded the most objectionable class of formigrastis, and for that reason ought to have hern approved and not vetoed, not withstanding its admitted miner defects. It was a long stop in the right direction, but the vote leaves the country where it has been, practi-

eriminate and puspers. The role of this Chesing Questions of the New York and passengers Thrown from Their Berths and Passenge remove was, we believe, a grave initiality, and if the Courses failed a presidence of the Courses failed a presidence of the Courses failed a presidence of the course failed a presidence of the course failed a presidence of the course failed and the course failed

Flood Causes Establis to Blicols, Cairo, Ills., March 6.-The storm struck Cairo from the southwest, accompulsed by rain and heavy thunder, with flashes of lightning. The residence of James Darnell, in the track of the storm, was entirely doublished. Mrs. James Darnell had her back broken Mrs. Carey was lojured internally and probably will die. Sol Pettis, a child, was burned to death. At Vandalia over six inches of rain fell in less than

# Spring and we have no doubt will be received by the country as the views of a man who is an American in his every fibre, whose object is to benefit the people ever whom he will pre During the colder season impure humors accumulate in the blood.

The surface of the body being chilled, the pores are closed and clogged, and impurities which might pass off in perspiration are forced back into the blood. Besides this, winter's hearty food, fats and sweets, contribute more impurities.

This briefly explains the existence of Spring Humors-those unsightly eruptions, painful boils, annoying pimples and other affections, which make absolutely necessary the use Hood's Sarsaparilla at this season.

for attacks, and we have been appealed to by But with some people, impurities in the blood cause very different symptoms. The kidneys, liver and bowels are overmatched in their efforts to relieve the clogged system. Dizzy headaches, bilious attacks, failure of appetite, coated tongue, lame back, indigestion or that tired feeling are some of the results.

the questions and men. But patience has From the same cause may also come scrofula, neuralgia sciatica or rheumatism.

> All these troubles and more may properly be called "Spring Humors," and just as there is one cause, a cure is found in just one remedy, and that is Hood's Sarsaparilla,

> Hood's Sarsaparilla purifies the impure blood. Hood's Sarsaparilla enriches that which is weak and thin. Hood's Sarsaparilla vitalizes that which lacks vitality.

> Hood Sarsaparilla leads in Merit, Sales and Cures. For your Spring Medicine-to prevent or cure Spring Humors, and build up your health, take

Terturing, Itching, scaly akin cruptions, burns and scalds are soothed at once and promptly healed by DeWitt's Witch Hazel Salve, the best known ours for piles, C. H.

A Stormy Passage Over. Queenstown, March 6.—The White Star steamship Adriatic, Captain Sow-den, arrived here shortly after midnight, after a very stormy passage from New York. The worst weather of the trip was experienced on March 2, when three topualls were blown away, two of the lifeboats were washed over the side, and a portion of the rail of the promenade deck carried away by an enormous sen. The ship's stoering goar was also disabled. The decks were washed for several days by the terrific seas, and much water got below. The passengers did not dare to leave their cabins. The officers of the Adriatic say this is the worst passage they have ever experienced. A lady at a ball called her bean an Indian
