are preparing for war, though unlikely to do anything to precipiate it. Bulgaria will remain quiescent if the Cretan question continues localized, but in the event of a Turko-Greek war she will wait until both combatants are exhausted before stepping in The Bulgarian army, however, is in excellent condition and ready for emergencies.

"I contracted a severe cold from wet and exposure. Bronchitis followed. Doctor falled to relieve me. Several of the members of my family had died of consumption, and it thought I was doomed. Dr. Wood's Norway Pios Syrup brought instant relief and perfect cure." M. Unger, Union Corner, Northumberland Co., Ps.

"Must be Prepared to Fight Strong Forces on Land and Sea."

Berlin, Murch 6.—The statement of Vice Admiral You Hollmann in the releasing yesterday was a surprise to Germany and to all Europe. He began by stating that the situation was so serious that he was compelled to speak plainly. The view heid, he said, in the supreme quarter responsible for the conduct of war was that Germany must be placed in a position to fight other strong forces on sea as well as on land. Germany did not need a navy to protect consis which protected themselves, for while things went well foreign powers would never think of landing troops on them. He continued:

with some derangement or irregularity in the action of the organs distinctly femilius. Neglect and wrong living will show themselves first in the most delicate organs of the whole body. With such weakness and sickness so prevalent, it is to be expected that the bearing of children would be fraught with dread and danger. It should not be so, of course. Nature never meant it to be so. The performance of the highest function of which a woman is capable should not be so. As lives are lived, something else misst be done. A temedy must be found. For ever thirty years, Dr. Pierce has been chief consulting physician to the Invalids' Hotel and Surgical Institute, of Buffalo, N. T. During that time he has treated thousands of women. He has treated thousands of women the has treated thousands of women taken during gestation, shortens the period of labor and makes childhirth well-nigh painless. It also promotes an abundant secretion of nourishment for the child.
