Eternal Vigilance.

"Rternal vigilance is the price of liberty."

The is the price of life itself. A man needn't be always looking for danger, afraid that something will happen to him;

but a wise man will form a habit of care about the important things of life.

It isn't half so much trouble to take care of yourself as it

who follows regular, healthy habits feels good all the time. Life is worth living to him. But a man who "don't want to bother" with taking ours of himself has more using and mis-

A man to follows regular,

It is the price of everything worth having

<section-header><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text>

bother" with taking ours of himself has more pain and mis-ery crowded into one day tham 's good healthy, hearty man who II ves right would ever know of in a whole year. When a man's stomuch is out of order, and him digesition don't work, when this liver four of his blood, it is time for him to book out for himmell. The gets no nourishment on of his blood, this blood gets thicker and hicker with impurities. Has netwes get inri-need. He hoses energy and fighting force. The may say. "I can stand it I will feel better to smortow," but the chances are he work for the source of the digesitive and worse still need. He hoses more and worse still need the needs Dr Pierce's Golden Medical Diceovery. It is made for just this condition. It roises up the digesitive and nutritive from the food all the nutritives elements and the food all the nutritives elements and the food all the nutritive is elements and the food all the nutritive is elements and the food all the nutritives demonstrated food. It enables the lives to cleasase out all billions impurilies and pour into the circula-tion of the libes in the rout in the for its blood, and measter them into rich, bourishing billions impurilies and pour into the circula-tion of the libes in the origin witable doubod, and more energy. It does not make flabby gesh the the only mutable tonic and tenength-builder for corputent people. ton feet in depth, with drifts capidly growing larger.

They are so small that the most sensitive persons take them, they are so effective that the most obstimute cases of constipation, handnelse and torpid liver yield to them. That is why heather's Little Early Blases are known as the famous little pills. C. H. Hagenbuch. The Disceland Fyr lits.
