### PROPOSED INVESTIGATION.

Junketing Tour of the Legislators to the

Conf Regions of the State. The attention of the State Souate, previous adjournment on Friday last, was occupied by the proposition to send a committee of forty to investigate the coal mining industry of the authracite and bituminous regions The members will again tackle the subject when the Legislature assembles this evening. forth an unusual condition of poverty in that region and asking for a committee to investigate the cause and apply the remedy.

A heated discussion followed an amendment by Semitor Coyle to include the authracite district and to increase the committee from five to forty. The Semitor's amendment was defeated, and he will appeal from the decision of the chair this evening.

Mr. Coyle had himself interviewed by the Philadelphia Inquirer's Harrisburg repre-

The Excise Commission Bill.

A bill embracing many far reaching provisions, and which is known as the The Various to pass your nights in at the Holden state, adjoining that of his statiching and your days in miscry \* Doan's Deputy United States Marshal Sol Foster on a visitor to town to-day and seem to pass your nights in at the Holden state, adjoining that of his present place of business. The property will dition to four others that are already on a visitor to town to-day and seem to pass your nights in at the Holden state, adjoining that of his present place of business. The property will dition to four others that are already pending in the house or senate for the appointment of commissioners composed of a few mon who will take absolute tions, Aniong these commissioners are what are known as the electric light and water power commission, rallroad commission, mining commission, the

state excise commission and the new capitol commission and the new tapitol commission.

These hills are said to be backed by the Quay people, although his friends have very little to say concerning them. It is claimed by the anti-Quay people that these commissions many that these commissions mean a great concentration of power; a condition of affairs the people of Pennsylvania can-not afford. It is thought also that one of the principal objects of these co missions is to afford a number of additional furnative positions to persone who are anximos to serve the state.

The excise commission is to be es

tablished for the enforcement of the liquor laws of the state. By the provisions of this bill the officeholders in the state are increased by about 200 and it provides that within be days after its massage the governor shall (Continued on Third Page.)

## ONE CENT GOOD THINGS

THAT ARE CHEAP

It's not what you pay for a thing, but what you get for what you pay that satisfies you. Have you ever thought of that? Pay little for a poor thing and its cheapness is not economy. Here you pay little for good things. We work on the down grade of Price and the up grade of Quality.
