A Few Words on Athlette Training, If you have been eating all sorts of things during the summer, sitting up late at night and getting up late in the norm her you can begin an entirely new life and make a good factuall player of yourself by Thankagiving day? Not by my means. If you want to be a member of some college athletic team, bogin balace you got a college. Begin by eating carefully, not be eating food fit for wild animals, but by enting good nemis and so on, and not fill ing up on randles and sweets day after day at media and between meals. There is In merils and between means. There is a reason for this. A man whose summer's i weak has no courses, and if he has no coursize he excribe blue if through a game on his nerves and is counderedy exhausted at the end of thist game. No one can give himself a strong, vigorous disculation in one meanth one in one wear if he is as if weak month nor in one year if he is at all weak there. It require a years of normal living is do this, and it is the most important part do this, and it is no more important part of all training. Probably the famous story about Napolasm is quite true, that he thought more of his soldiers' food and shows than of their guns, for he maintain-ed that no man easild fight in pinching shows and on an empty stomach.
