Pages like those above are penned in the personal records of thousands of people

In the memories of many more the success of Hood's Sarsapa-rilla is indellibly imprinted. The curves by Hood's Sarsaparilla are literally written in blood — in blood made pure, enriched and vitalized, curved of scrofulous taints, salt rheum, boils, pimples, spring humors in blood which properly builds up the nerves, strengthens the stomach and gives that tonic to the system so imperatively needed in the Spring.

THE RISING RIVERS. Great Destruction of Property in the West

and South

and South. Minnenpolis, March 20.—Telegrams from Leuverne, Minis, may the Red Rock river there is a mile wide, and is pencing a vast volume of water into the Siong. A dozen bridges in south-west Minnesola have been washed away, and railroad traffic is suspended. Reports from the Red river of the north say that snows are going off in such a manner that devastating fields are now not so much feared. In Montana there is no snow left, and all over the Dakotas II is going rapidly. There

the Damins II is going rapidly. There has been areal property loss. Shoux City, In., March 20,-Every stream in this locality is out or its banks, and the situation is hourly grewing more serious. Levels, Sprint-dals and Lynn, Bloux City suburbs, are flooded and the bottoms in the city are modes matter. The file Shour he on the under water. The Hig Sloux is on the rampage, its waters being reported five

rampare, its waters being reported five feet high in Hawarden street. The Missouri is reported brisking and gorging near Onavea. Trains on nearly all roads are abandoned. Richland Centre, Wis, March 32.--The worst fixed in years is here. Water is running through the streats, cellars are flooded and sewers overflowed. Teams and men are working banking up the river, which is rising fast. Mills and tumber yards are in great damper. A tolegram from black filver Falls may floode river is tising tapidly and reflaws and fewlands are flooded. Ensuit the fiver is filling tapidly and reflaws and fewlands are flooded. sound condition a groat disaster will

JAPANESE INVASION OF HAWAII. Ez-Minister Thurston Discusses the Heavy Tells Why She Uses Dr. Miles' Restorative Immigration.

Washington, March 20.-Lorrin A. Thurston, ex-minister from Hawall to this country, now president of the an-nexation club of Honolulu, and here in the interests of that organization, gave out an interview regarding the news from San Francisco that the Ha-wallan government, in refusing to al-low 5% Japanese laborers to land in Honolsiu, believed it had uncerthed an attempt to import Japanese into Hawali in violation of the immigration haws. He characterized the subject as

d. She may be the other of a family: at makes no differ. so She bound to heart is young and young because for heart is young and the solution of the gravest now confronting the data in a solution of the solution of the gravest now confronting the havailan government. He said: "Four or five immigration companies have been formed in Japan, headed by have been formed in Japan, headed by have been formed in Japan, headed by have been formed to solution the present Japanese minister at Washington, and the y have be poor year been bringing the y have been formed to bringing the y have be poor year been bringing the y have be poor year been bringing the y have been formed year been bringing the y have be poor year been bringing the y have been formed year been bringing the y have be poor year been bringing the y have been formed year been bringing the y have been by been bringing the y have ben bringing the y have been bringing the y where and skin-preserver. It when a womau's blood is full of bit is imparities, she can noither look young feel young. Her whole constitution is somed with had blood. It permeates ex-part. It paralyzes the nerve-centres; alcens the stomach, irritates the heart; ve upen that had blood for man, almost unaccompanied by women, will not soon create a large class of men unemployed and with-out means. The money produced by treateness, irritability, dejection and mel-her the part year been bringing for the part we her part year been bringing inge numbers of free Japanese inuni-guestion which is it is a serious the the investion of soon create a large class of men unemployed and with-out means. The money produced by the investigation of the part year been bringing food of men, almost unaccompanied by women, will not soon create a large class of men unemployed and with-out means. The provided by some the investigation of the party.

third party. "The Japanese in Hawall now number "The Japanese in Hawaii now number 24,000, against 33,000 ontive Hawaiians, and at the present rule within five years will form a majority in the Jap-anese would acquire the same moral right that the Ultianders are claiming in South Africa. It is well nigh the present extraordinary movement from Apan to Hawaii is part of a systemati-plan, with the full approval of the Jap-anese government, to gain control of the islands."

Joint Traffic Association Upheld. New York, March 20.—Argument on the appeal from Judge Wheeler's dr-cision in the action bronchi in the name of the United States against the Joint Traffic association, alleged to be an illegal combination of railroad in-the integral combination of railroad intoronte formed for the purpose of de-fenting competition and for the pool-
