From and Portor Ricor might have been the attention will be formally brought to the attention of the government, with an negerit demand for early netton. It is believed, here that M. Meline resources, and the sense of the sense of the sense of the sense of the sense. Joseph L. Bristow of Kansandons won their liberty, had it not been is believed, here that M. Meline resources. for the fact that, when the insurrections gards the movement with favor. broke and in Mexicuand the provinces of Control and South America, so many refugree fled from the continent to the island that they outsumbered the native populaston, and thus held the Queen of the Antilles for Spatti. Since 1820 there has not been a decade to which an insurrection, great or small; did not break out in one island or the other, but, in spite of their wrongs, the An exceedingly common and data-Spantin government has predated in regarding toth istants simply as spenges, to be squeezed as dry as possible. Taxation in Colo and Porto Rico is frightful to those accontinual to the American system with in this especially the oppression of the matice population has been continual and sovere. Onhans were not allowed to haid office, every place of responsibility on the briand was filled by Spaniards, and the struggle for Cirlan independence therefore assumes a phase similar to that of the American devolution, a sight for the pringiple, "No taxation without representation,"

In his agenton handed down yesterday setting solds the yardict in the case of John O' Boyle ye. the Borough of Muhamny City, to which of hayle wound \$5,000 damages for injuries received from falling on an key pavement in said berough, Judge Endlich is being freely commended, and it is retreating to find at loss one instance where a manisipal ity is given equal rights at law. In summing up, his Honor states, "that the accumulation of maw, farmed into a hand by substance by the passage of travelers over it, was due to the improblable action of the elements, the natural drifting of the snow, etc. For this reason, as well as because of the fact that the The thousands of wonderful cures it Plus as excellent resulcines." Mrs. H. L. phalatest had notice of the danger he was temption. The rule in Docker v. Scrunton 181, Pa., 241; Maurons v. Oil City, 178 1d, 270, and similar cases is image-calde to this one, Indeed, in the present of an array of testimony which one mud find estrone difficulty in getting away from by any tomat process of removing, the brovity of the deliberation of the jury, macen together with the figure named in their verdict, affords strong ground for approbanding that their conclusion was the result, not of a fair and adequate examination of the avidence, but of that indifference to duty and that ready arquissoence sometimes unfortunately met with, where a plaintiff scale Indemnity at some one clock expense for a misfortune brought upon him by his own heedleamers. A veriller thus randered ought not to stand." The court, therefore, decides, that O'Boyle's Injuries were reselved through lile own carelessness and that he cannot re cover. The ventict of the jury is not neede and the case decided in favor of the burough Prior to coming into court arbitrators had awarded O'Hoyle \$1,000. The sections orcurred February 4th, 1804.
