Three Men Burned in the Wm. Penn Mines To-day.

Mines To-diay. An explosion of gas took place at 8:30 o'clock this merning in No. I slope of the Win. Penn colliery by which three men were form one to five days. Sharp shoeting pains in rund, bot only one suffered scripting. The victims were Joseph Sargent, William Ladenberg and Pbilly Haggerty, all resi-dents of Win. Penn. Sargent was badly intrined, shout the hands, face and body, while the other two were alightly burned obart their bodies. about their bodies. A report received from Wm. Penn this

afternison states that Sargent and Haggerty may not recover, from the buros they reived. All the injured men are laborers and unmarried.

As to the cause of the explosion it appears that the three victims were going out with a

trip of vara when a squeeze occurred in the miss, causing two breasts to run together and forcing the gas from abandoned workings into the gangway Transfert Det. where it was ignited by the lamps of the in-jured men. When the squeeze started some parties made an effort to notify, three men of BABY BLEMISHES Previndual Society he danger, but hadn't time to'de so.

Panels of wood were used to paint on, sycamore and cypress, also NO COUPON, NO PORTRAIT. panels of papier mache, and occasional-ly they were formed by gluing three thicknesses of canvas together. These Fottessassisisis panels were usually about 14 inches long by 7 inches wide. The artist used liquid wax instead of oil to mix the colors, which were made, not from vegetable **BEST GROCERIES** but from mineral substances, and were of marvelous brilliancy and permanence --blue powdered lapis lazuli, green malachite, red oxide of iron, etc. The colors were laid on in patches, some-what after the fashion of a mosaic, and afterward blended with an instrument called the cestrum, which appears to have been a lancet shaped spatula, long handled, with at one end a curved point, at the other a finely dentated edge. With the toothed edge the wax could be equalized and smoothed, while the point was used for placing high lights, marking lips, eyebrows, etc. The final process, which gives the name encanstic to this kind of painting,
