A GOOD PRACTICE.

**If You Want a Good Appetite and Perfect Digestion.**

After each meal dissolve one or two of Stuart's Dyspepsia Tablets in the mouth and, mingling with the food, they constitute a perfect digestive, absolutely safe for the most sensitive stomach.

They digest the food before it has time to ferment, thus preventing the formation of gas and keeping the blood pure and free from the poisonous products of fermented, half-digested food.

Stuart's Dyspepsia Tablets make the complexion clear by keeping the blood pure.

They increase flesh by digesting flesh-forming foods.

Stuart's Dyspepsia Tablets is the only remedy designed especially for the cure of stomach troubles and nothing else.

One disease, one remedy, the successful physician of to-day is the specialist, the successful medicine is the medicine prepared especially for one disease.

A whole package taken at one time would not hurt you, but would simply be a waste of good material.

Over six thousands men and women in the state of Michigan alone have been cured of indigestion and dyspepsia by the use of Stuart's Dyspepsia Tablets.

Sold by all druggists at 50 cents per package.

# THE BRITISH IN CRETE.

## Soldiers of the Queen Formally Landed in Canea.

### PROCLAMATION OF THE BLOCKADE

**No Vessel Shall Land Stores Except at Ports Occupied by the Powers—The Rules Especially Severe on Greeks and Greek Vessels.**

London, March 24.—A dispatch to The Daily Chronicle from Canea says the transport ship Clyde, with the British contingent of occupying troops, has arrived and landed the troops today. The proclamation of the blockade consists of several articles.

The first provides that no neutral vessel nor any vessel belonging to one of the six powers shall be allowed to land stores except at ports occupied by the powers. The second provides that no armed person and no person of Greek nationality, armed or unarmed, shall be allowed to land without the authority of the senior naval officer on the station. The remaining articles fix the blockade limits, and state the conditions under which vessels are to be searched. By the terms of the sixth article Greek ships found within the blockade limits will be treated as hostile vessels. By the seventh any Greek torpedo boats observed within the limits of the blockade will be fired upon as soon as they come within range of the international fleet.

The proclamation makes no allusion to exports, but as two British ships which have been loading at Canea have been forbidden to leave the presumption is that they also are debarred by the conditions of the blockade. The shippers controlling these vessels have lodged a formal protest against the prohibition as unjust and arbitrary.

**Britons May Run the Blockade.**

London, March 24.—The Daily Chronicle prints a rumor that Lord Salisbury and the cabinet discussed yesterday the sultan's acceptance of the proposal of the king of Greece to nominate Prince George as high commissioner of Crete. The Chronicle also prints another lobby rumor to the effect that Great Britain has declined to be a party to the starving of innocent Cretans in the interior of the island and a report that British shippers intend to run the blockade, contending that it is indefensible under international law, inasmuch as neither Turkey nor Greece has openly declared war.

**Turks Will Not Invade Greece.**

London, March 24.—A dispatch to The Times from Vienna says that both Turkey and Greece have promised the powers not to be the aggressor. At Salonika the officials do not conceal their belief in the probability of war. The work of mobilization proceeds rapidly, and the railway service has been well organized. A Constantinople telegram asserts that the Turkish army had been strictly enjoined not to cross the frontier into Greek territory even if attacked.

If you have ever seen a child in the agony of croup, you can appreciate the gratitude of the mothers who know that One Minute Cough Cure relieves their little ones as quickly as it is administered. Many homes in this city are never without it. C. H. Hagenbuch.

**Death of a German Grand Duchess.**

London, March 24.—The Grand Duchess of Saxe-Weimar died at Weimar, the capitol of the grand duchy, last evening suddenly at 8:30 of heart disease. She was born on April 9, 1824, and, as Sophie, Princess Des Pays-Das, was married to the Grand Duke Charles Alexander Auguste Jean in 1842. For many years her beauty, talent and accomplishments made her one of the most prominent women in Europe.

It is surprising what "wee bit of a thing" can accomplish. Sick headache, constipation, dyspepsia, sour stomach, dizziness, are quickly banished by DeWitt's Little Early Risers. Small pill. Safe pill. Best pill. C. H. Hagenbuch.

**A Texas Bank Succumbs.**

Paris, Tex., March 24.—The Farmers' and Merchants' bank closed its doors yesterday. It was one of the oldest financial institutions in the state, and had a paid up capital of $200,000. The failure of Martin, Wise & Fitzhugh caused a run on the bank, which forced it to the wall. John Martin was president of the bank until Monday, when he resigned. There was a run on the City National bank by frightened depositors, but all claims were paid.

"For three years I suffered from Salt Rheum. It covered my hands to such an extent that I could not wash them. Two bottles of Burdock Blood Bitters cured me." Libbie Young, Popes Mills, St. Lawrence County, N. Y.

**Scovel Praises the Spaniards.**

New York, March 24.—Sylvester Scovel, the newspaper correspondent who was imprisoned for 31 days at Sancti Spiritus, Cuba, arrived yesterday on board the Ward line steamer Seguranca from Havana. Mr. Scovel is in the best of health, and stated that a great deal of sympathy had been wasted on him, as he had been treated with great consideration and kindness. The Spanish authorities did all they could to make him comfortable.

I had severe attacks of gravel and kidne trouble; and unable to get a medicine or doctor to cure me until I used Hop Bitters, and they cured me in a short time.—A DISTINGUISHED LAWYER OF WAYNE CO., N. Y.

COLORLESS AND COLD.—A young girl deeply regretted that she was so colorless and and cold. Her face was too white, and her hands and feet felt as though the blood did not circulate. After one bottle of Hop Bitters had been taken she was the rosiest and healthiest girl in the town, with a vivacity and cheerfulness of mind gratifying other friends.

**The Bermuda No Longer a Filibuster.**

Fernandina, Fla., March 24.—The secretary of the treasury has authorized the collector of customs here to issue clearance to the suspected filibuster Bermuda, now in this port. These instructions were issued upon receipt of an affidavit made by the captain of the Bermuda, pledging himself not to do any act in violation of the neutrality laws.

**Something to Know.**

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the Liver and Kidneys, and aid these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c or $1.00 per bottle at A. Wasley's drug store.

**Tours to California.**

California has been most fittingly termed the "Italy of America." All the delicious balm, the cloudless sky, and the rich verdure of the great European peninsula are duplicated in this sunny land of the Pacific. Here nature basks in the sunshine of her own beauty; and here she has established her own sanitarium, where eternal spring inspires everlasting youth. With the snow-mantled peaks of the Sierras upon the one hand, the calm Pacific with its soft breezes upon the other, and a veritable paradise of flowers, fruits and plants between, man can find and needs no lovelier land. To visit such a country is a privilege, a blessing.

The Pennsylvania Railroad Company, recognizing the need of a more comfortable and pleasant way of crossing the continent, inaugurated a series of annual tours to California, running a through train of Pullman palace cars from New York to the Pacific Coast, and stopping at the principal points of interest en route. The great popularity of these tours demonstrates the wisdom of the movement.

For the season of 1897 three tours have been arranged to leave New York, Philadelphia, and Pittsburg, January 27, February 24, and March 27.

The first tour will run direct to San Diego via St. Louis and the Santa Fe Route, and return from San Francisco via Salt Lake City, Denver, and Chicago, allowing five weeks in California.

The second tour will run via the Mammoth Cave and New Orleans to San Diego, stopping at the "Crescent City" during the Mardi Gras Carnival. This tour will return via Salt Lake City, Denver, Omaha, and Chicago, allowing four weeks in California.

The third tour will run via Chicago, Denver, and Salt Lake City, allowing passengers to return by regular trains via different routes within nine months.

All of these tours, either going or returning, will pass through the famous Colorado region, Glenwood Springs, Leadville and the Garden of the Gods.

Rates from all points on the Pennsylvania Railroad System east of Pittsburg: First tour, $310; second tour, $350; third tour, $210 round trip, and $150 one way.

For detailed itineraries and other information, apply at ticket agencies, special booking offices, or address George W. Boyd, Assistant General Passenger Agent, Broad Street Station, Philadelphia.

## HOW TO FIND OUT.

Fill a bottle or common water glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention EVENING HERALD and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

**Tour to California via Pennsylvania Railroad.**

In Southern California is found the realization of a dream of the ancients. Here are the "Golden Apples of the Hesperides," ripening beneath a sky more beautiful than that of Rome, and in a climate more perfect than that of Athens. Never in the wildest flights of his imagination did either Homer or Hesiod ever conceive of a garden richer in verdant beauty, more productive of luscious fruit, or set amid more picturesque and lovely surroundings.

The last of the Pennsylvania Railroad tours to the Golden Gate will leave New York and Philadelphia March 27, stopping at Chicago, Omaha, Denver, Colorado Springs and the "Garden of the Gods," and Salt Lake City. Tourists will travel by special train of Pullman palace cars going, and return on regular trains via any route within nine months. Round-trip tickets, including transportation, Pullman accommodations (one double berth), meals, and other tour features going, and railroad transportation on regular trains returning; and one-way tickets, including transportation and all tour features going, will be sold at the following rates:—

| | Round trip. | One way. |
|---|---|---|
| New York | $208 00 | $141 75 |
| Philadelphia | 203 00 | 140 25 |
| Washington, D. C | 197 00 | 138 50 |

"Mystic Cure" for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits.

## FREE CURE FOR MEN.

**A Michigan Man Offers to Send His Discovery Free.**

**Claims to Be a Benefactor to Weakened Mankind.**

There is always more or less suspicion attached to anything that is offered free but sometimes a man so overflows with generosity that he cannot rest until his discovery is known to the world, in order that his fellow men may profit by what he has discovered. It is upon this principal that a resident of Kalamazoo, Mich., desires to send free to mankind a prescription which will cure them of any form of nervous debility; relieves them of all the doubt and uncertainty which such men are peculiarly liable to and restores the organs to natural size and vigor. As it costs nothing to try the experiment it would seem that any man, suffering with the nervous troubles that usually attack men who never stopped to realize what might be the final result, ought to be deeply interested in a remedy which will restore them to health, strength and vigor, without which they continue to live an existence of untold misery. As the remedy in question was the result of many years research as to what combination would be peculiarly effective in restoring to men the strength they need, it would seem that all men suffering with any form of nervous weakness ought to write for such a remedy at once. A request to H. C. Olds, Box 1712, Kalamazoo, Mich., stating that you are not sending for the prescription out of idle curiosity, but that you wish to make use of the medicine by giving it a trial, will be answered promptly and without evidence as to where information came from.

The prescription is sent free and although some may wonder how Mr. Olds can afford to give away his discovery, there is no doubt about the offer being genuine. Cut this out and send to Mr. Olds so that he may know who you came to write him. 12-28-78t

# ECHOES OF THE FLOOD.

## The Mississippi River Eighty Miles Wide at Places.

### VANDAL KILLED BY A GUARD.

**Detected in the Act of Cutting a Levee. Heavy Losses from the Drowning of Hogs and Cattle, but Little Loss of Human Life Reported.**

St. Louis March 24.—A special from Caruthersville says: The river rose here one inch and a quarter during 24 hours, and continues to weaken the levees. The encouragement of three days ago is departing as day after day the government reports bulletin the rise from Cairo up. The situation here is serious. A terrible windstorm and three-sixteenth of an inch rainfall occurred Monday night, and the wind blew a gale yesterday. The situation across the river grows more alarming every day. The loss of life, of property and of live stock is frightful.

On one little saw dust heap, half an acre square, near Tiger Tail Mill, on the Tennessee side, were crowded 20 people and 100 of live stock, but all were picked up by one of the relief tugs and carried to Dyersburg. The crevasse just below town is today more than 1,200 feet wide, and the water is pouring into the country. Contrary to expectations, this water is now driving families out in the upper end of the county. The steamer Vernona is now near Tyler, and is expected here with another barge of people and stock.

A guard shot a man below here on the Arkansas levee the other night, whom he detected in the act of cutting the levee, and threw his carcass in the river. No one knew his name, and no one cared.

If the river rises six inches more it will sweep over the top of three miles of levee north of here, unless the people are able to keep ahead of the rise, which they hope to do. The water is now 18 inches above the crown of the old levee.

Every square inch of available room is occupied by refugees from the flooded districts. Three families are occupying two deserted school houses, and one family is in the new jail. The Methodist church is full, and refugees now are occupying the two gin and grist mills.

There is six inches of water in the Gayoso courthouse. Only two houses are above water there, and the rest of that town has from four inches to six feet of water.

The relief boat Vadalia just arrived with a barge load of people and live stock from the Bends, between here and New Madrid. The captain says that many would not leave. It is clear, but the wind is blowing a gale.

Captain W. R. McCoy, of the Anchor line steamship Bluff City, returned yesterday from a trip through the entire overflowed valley south of Cairo. Concerning the damage and loss of life Captain McCoy said: "So far the damage in the flood district around Memphis has not been as great as the general public suppose. I was particular to inquire, as we came up the river, whether there had been any loss of life, but so far as I was able to learn there had been none. In the district around Memphis there has been heavy loss from the drowning of hogs and cattle, but as a general rule there have been very few horses lost.

"In front of Memphis the river is 40 miles wide, having broken through the levees and spread out into a vast lake, reaching clear across to Madison, in an unbroken stretch. The town of Marion, Ark., is under water, and the only railroad that is running is the Iron Mountain.

"The overflowed district as it stands at present extends from 80 miles below Memphis to Point Pleasant, 150 miles above Bluff City. The average width is probably 80 miles, and the average depth, except in the bed of the river, is from three to seven feet. There will be no early crop from that region this year. This will constitute the heaviest part of the flood losses, I think."

Many cases of "Grippe" have lately been cured by One Minute Cough Cure. This preparation seems especially adapted to the cure of this disease. It acts quickly thus preventing serious complications and bad effects in which this disease often leaves the patient. C. H. Hagenbuch.

**Sachsel's Stealings May Reach $100,000.**

Chicago, March 24.—David J. Sachsel, the missing secretary of the Christopher Columbus Building and Loan association, was indicted by the grand jury yesterday on the charge of embezzling the funds of the society. Arthur Nollau, the receiver of the association, reported to a meeting of the stockholders that he thought the shortage would reach $100,000. Sachsel is believed to be on his way to Europe.

**Legal Victory Over Parents.**

San Francisco, March 24.—Rudolph Spreckles yesterday won a victory over his parents, Mr. and Mrs. Claus Spreckles, confirming his ownership to property worth $1,000,000, which had been conveyed to him by his father. The supreme court denied the appeal of Claus Spreckles and Anna Spreckles from the judgment of the lower court by which the right to the property was vested in Rudolph. The sugar king gave this property, consisting of lands and sugar stock in Hawaii, to Rudolph over three years ago. Subsequently family troubles estranged the father and son, and Claus demanded the return of the property, which Rudolph refused.

"I was run over by a lumber wagon. Did not expect to live. Was terribly bloated. My friends bathed me with Dr. Thomas' Eclectric Oil, and I was cured. We have great faith in Thomas' Eclectric Oil." Mrs. Wm. F. Babcock, Norvell, Jackson Co., Mich.
