### A CUBAN TRA TOR. He Divelous the Plans of the Insurgents

and Insures a Dofeni. Havana, March III -- According to of-

fictal advices received here the inform-gents on Thursday night attacked and burned the greater part of the village of Bianquinal, near Mansanille. The insurgent leader Acosta at the same time atsocked the fortifications in the widnity of Eloga Colorade, in the prov-ince of Havana. It is statuted that the Spanish were successful and the insur-gents repulsed in a number of en-counters. counters:

counters. Advices have been received here to the effect that 40 insurgents recently succeeded in detailing a train on route from isabella to Sagua. The engineer and several of the trainmen were cap-tured. After traveling with their prinoners for some distance the insurgents removed all the clothing from the train

An insurgent approximate confes-near the town of Salud made a confes-sion, upon condition of a purdon being granted to him. He said that the in-surgent forces would attack the town the next day. The local parrison was at once reinforced, and when the Gu-bang roads on scientific town. hans made an assault upon the town they were easily repuised. The spy also betrayed the incorrect committee in the town, as a result of which five persons were arrested upon charges of plotting against the crown of Spain.

McKintey's First Cabinet Dinner. Washington, March 25 .- The first forand social function at the White House under this administration took place hast night, the occasion being a dinner given by President and Mrs. McKinley to the members of the cabinet and their indics. The affair gave Mr. and Mrs. McKinley an opportunity to meet moclally those with whom they are to be associated during the coming four years. Following the dinner Miss Ella Russell, the American orima donna. sang for the guests. Her wonderful voice created great enthusiasm.

Don't allow the image to be impaired by the continuous rritation of a cough. It is easier to prevent consumption than to cure it. One Minute Cough Core takes early will warded any fatisfung trouble. C. H. Hagenbuch.

# New York, March 25.-A Washington disputch to The World says it is an-

dispatch to The World suys it is mi-nonneed on good authority that Stew-art L. Woodford, of New York is to be made minister to Madrid. It is as-serted that after J. J. McCook was turned down for the position of at-torney general he was offered any po-sition in the diplomatic service that he might choose outside of the ambassa-dorships to 22 miand and France. Mr. McCook, however, did not care to go McCook, however, did not care to go abroad.

They are so small that the most sensitive persons take them, they are so effective that the most obstitute cases of constipution, headache and torpid liver yield to them. That is why DeWit's Little Early Ribers are known as the famous little pills. C. H. Hagenluch.

THE greatest disappointment which the enemies of the Republican party have met with in attempting to analyze the Dingley all in the fact that they are not able to scientifi, "Sugar Trust!" They remember painfally the semidal which attached to the passage of the Wilson law, through which the sugar trust benefited enormously, and had, hoped that the publication of the Dingley bill would furnish them basis for the ery, "You're another," but the most ingenious and unseruptions effort to charge friendship for the sugar trust upon the Dingley bill fails utterly. On the contrary, those most finalliar, with the subject assert that the measure is not only free from suspinion of this character, but will result adversely to trusts and combinations which have nourished under the Wilson law.

True decision of the United States Suprema Court in its interpretation of the Interstate Communes have, in the case against the Trans-Missionri Freight Association, will in its applisation to other joint traffic associations and freight pools, very soriously affect railroad property and profits. It was claimed that only by them pool arrangements between railroad companies could rulness rate outring he stopped, and fixancial disaster to the companies averted. On the ather insul, it is manipulational that by tids pooling arrangement among milecad comparties a practical monopoly was affected inimical to the people. Some hwyers chimthat there is such a difference between the provident and this which the decidion was made, and other traffic associations, as will make the deciden impenative. Undoubb edly a context will be made on this line, and before it is finally decided the rallroad companies will underbladly try to have the law amended. This will not be effected without a severe control, for there is a growing popular feeling against monopolies.

Now THAT the Governor has approved the joint resolution providing for a committee to Investigate the mining regions, called for in the McWhinney resolution, all that remains to afford a plensant jount for the members of the Logislature is the numing of the committees. The HERALD has given expression to its views, when the resolution was first introduced, and is still of the opinion that the | = investigation can accomplish untiling looking to the helterment of the condition of the CONSTIPATION and P'MPLES.
