GREEK TROOPS DRILLING

The Army Not Yet Ready to Take a Decisive Step.

STILL WARLIKE ON THE FRONTIER

Rumors That the European Concert May be Broken—The Danger of Delay in a Definite Solution of the Crisis Is Increasing Daily.

London, March 25.—The war correspondent of The Times now on the Macedonia frontier says that in his opinion the Greek army is not yet ready to take any decisive steps. The officers must first drill the raw levies and organize an efficient transport system. But, he adds, the appearance of things along the frontier is in the highest degree warlike. Every possible post is held, and all the roads are patroled by cavalry.

The Times correspondent at Athens says that all kinds of rumors are current there as to the expected rupture of the European concert. The danger of delaying a definite solution of the crisis increases daily. The Crown Prince Constantine is expected to start in a few days for the Greek camp at Larissa, and the risk of a serious outbreak is becoming more and more intense.

The report of a conflict between the Turks and Greek volunteers at Arta has been officially confirmed. Other incidents of the same character must be expected.

Neither Greece nor Crete has benefited much in the past by compliance with European behests, and unless some visible proof is given of the complete abolition of Turkish rule in Crete the country will not be satisfied, the correspondent says. It is alleged that the reserves will refuse to come out on a future occasion unless satisfaction is obtained now for Greek sacrifices.

The Ephemeris, which is obviously inspired by the court, confirms the statement that the sultan offered to allow Prince George to administer Crete in return for the payment of a tribute to the porte, but that the powers stopped negotiations. It is believed that Germany and Austria did their utmost to prevent such a friendly arrangement being carried out.

It is believed at Canea that the blockade will be a failure as a coercive measure. The Austrian gunboat which captured a Greek steamer in Cretan waters was compelled to put into a Cretan port to escape the storm.

It appears that certain of the powers are negotiating some new scheme. All the war correspondents on the frontier admit that the situation there is extremely grave.

The Athens Ephemeris recalls the king's declaration that he would put himself at the head of the Greek race if Greece were coerced, and adds that nothing has yet happened to modify that decision.

British Vessels Barred.

Canea, March 25.—The foreign admirals have forbidden the entrance of two British merchant vessels which started for Crete before the blockade was proclaimed for the purpose of taking on cargoes of oil. The captains of the two ships have protested against the action of the admirals.

If you have ever seen a child in the agony of croup, you can appreciate the gratitude of the mothers who know that One Minute Cough Cure relieves their little ones as quickly as it is administered. Many homes in this city are never without it. C. H. Hagenbuch.

Murdered and Cremated.

Nashville, Tenn., March 25.—News reached the city yesterday that the residence of Jacob Ade, 15 miles from the city, on Paradise Ridge, burned Tuesday night. The charred bodies of Jacob Ade, Mrs. Ade, Lizzie Ade, aged 20 years, their daughter, 13-year-old son Henry, and Rosa Morier, aged 10 years, who were visiting the family, were found in the ruins of the building. Ade was a well to do farmer. It is supposed that the family were murdered and the house burned to conceal the crime.

It is surprising what "wee bit of a thing" can accomplish. Sick headache, constipation, dyspepsia, sour stomach, dizziness, are quickly banished by DeWitt's Little Early Risers. Small pill. Safe pill. Best pill. C. H. Hagenbuch.

Ghastly Proofs for Morocco's Sultan.

Tangier, March 25.—A body of insurgent tribesmen in Soos, the southernmost province of Morocco, has fallen upon and cut to pieces the Shereefian punitive expedition recently sent there by the sultan of Morocco to quell the rebellion. The sultan's troops were taken in ambush. A fresh force sent out has in turn defeated the rebels. Eighty heads have been sent to the sultan as a ghastly proof of the victory of his troops. These, with 43 others, are now exposed at the gates of Morocco.

"For three years I suffered from Salt Rheum. It covered my hands to such an extent that I could not wash them. Two bottles of Burdock Blood Bitters cured me." Libbie Young, Popes Mills, St. Lawrence County, N. Y.

A New Bicycle Record.

Detroit, March 25.—The 14 hour record of 261 miles, made by Reading at Madison Square Garden, New York, was broken last evening by four leaders in the six day bicycle race. Frank Waller, the leader in the present contest, made 215 miles in 14 hours.

I had severe attacks of gravel and kidney trouble; and unable to get a medicine or doctor to cure me until I used Hop Bitters, and they cured me in a short time.—A DISTINGUISHED LAWYER OF WAYNE CO., N. Y.

COLORLESS AND COLD.—A young girl deeply regretted that she was so colorless and cold. Her face was too white, and her hands and feet felt as though the blood did not circulate. After one bottle of Hop Bitters had been taken she was the rosiest and healthiest girl in the town, with a vivacity and cheerfulness of mind gratifying other friends.

Released Prisoners Leave Havana.

Havana, March 25.—Charles F. Scott, the recently released American, left Havana today for New York by the steamer Yumuri. Oscar Cespedes, another released American, left at the same time by the steamer Yucatan. He will go to the residence of his father in Mexico.

Rheumatism Quickly Cured.

After having been confined to the house for eleven days and paying out $25, in doctor bills without benefit, Mr. Frank Dolson of Sault Ste. Marie, Mich., was cured by one bottle of Chamberlain's Pain Balm costing 25 cents and has not since been troubled with that complaint. For sale by Gruhler Bros., druggists.

Tours to California.

California has been most fittingly termed the "Italy of America." All the delicious balm, the cloudless sky, and the rich verdures of the great European peninsula are duplicated in this sunny land of the Pacific. Here nature basks in the sunshine of her own beauty; and here she has established her own sanitarium, where eternal spring inspires everlasting youth. With the snow-mantled peaks of the Sierras upon the one hand, the calm Pacific with its soft breezes upon the other, and a veritable paradise of flowers, fruits and plants between, man can find and needs no lovelier land. To visit such a country is a privilege, a blessing.

The Pennsylvania Railroad Company, recognizing the need of a more comfortable and pleasant way of crossing the continent, inaugurated a series of annual tours to California, running a through train of Pullman palace cars from New York to the Pacific Coast, and stopping at the principal points of interest en route. The great popularity of these tours demonstrates the wisdom of the movement.

For the season of 1897 three tours have been arranged to leave New York, Philadelphia, and Pittsburg, January 27, February 24, and March 27.

The first tour will run direct to San Diego via St. Louis and the Santa Fe Route, and return from San Francisco via Salt Lake City, Denver, and Chicago, allowing five weeks in California.

The second tour will run via the Mammoth Cave and New Orleans to San Diego, stopping at the "Crescent City" during the Mardi Gras Carnival. This tour will return via Salt Lake City, Denver, Omaha, and Chicago, allowing four weeks in California.

The third tour will run via Chicago, Denver, and Salt Lake City, allowing passengers to return by regular trains via different routes within nine months.

All of these tours, either going or returning, will pass through the famous Colorado region, Glenwood Springs, Leadville and the Garden of the Gods.

Rates from all points on the Pennsylvania Railroad System east of Pittsburg: First tour, $310; second tour, $350; third tour, $210 round trip, and $150 one way.

For detailed itineraries and other information, apply at ticket agencies, special booking offices, or address George W. Boyd, Assistant General Passenger Agent, Broad Street Station, Philadelphia.

HOW TO FIND OUT.

Fill a bottle or common water glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention EVENING HERALD and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Tour to California via Pennsylvania Railroad.

In Southern California is found the realization of a dream of the ancients. Here are the "Golden Apples of the Hesperides," ripening beneath a sky more beautiful than that of Rome, and in a climate more perfect than that of Athens. Never in the wildest flights of his imagination did either Homer or Hesiod ever conceive of a garden richer in verdant beauty, more productive of luscious fruit, or set amid more picturesque and lovely surroundings.

The last of the Pennsylvania Railroad tours to the Golden Gate will leave New York and Philadelphia March 27, stopping at Chicago, Omaha, Denver, Colorado Springs and the "Garden of the Gods," and Salt Lake City. Tourists will travel by special train of Pullman palace cars going, and return on regular trains via any route within nine months. Round-trip tickets, including transportation, Pullman accommodations (one double berth), meals, and other tour features going, and railroad transportation on regular trains returning; and one-way tickets, including transportation and all tour features going, will be sold at the following rates:—

The Grandest Remedy.

Mr. R. B. Greeve, merchant, of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief; spent many nights sitting up in a chair; was induced to try Dr. King's New Discovery, and was cured by use of two bottles. For past three years has been attending to business, and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. "Mystic Cure" for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits.

FREE CURE FOR MEN.

A Michigan Man Offers to Send His Discovery Free.

Claims to Be a Benefactor to Weakened Mankind.

There is always more or less suspicion attached to anything that is offered free but sometimes a man so overflows with generosity that he cannot rest until his discovery is known to the world, in order that his fellow men may profit by what he has discovered. It is upon this principal that a resident of Kalamazoo, Mich., desires to send free to mankind a prescription which will cure them of any form of nervous debility; relieves them of all the doubt and uncertainty which such men are peculiarly liable to and restores the organs to natural size and vigor. As it costs nothing to try the experiment it would seem that any man, suffering with the nervous troubles that usually attack men who never stopped to realize what might be the final result, ought to be deeply interested in a remedy which will restore them to health, strength and vigor, without which they continue to live an existence of untold misery. As the remedy in question was the result of many years research as to what combination would be peculiarly effective in restoring to men the strength they need, it would seem that all men suffering with any form of nervous weakness ought to write for such a remedy at once. A request to H. C. Olds, Box 1712, Kalamazoo, Mich., stating that you are not sending for the prescription out of idle curiosity, but that you wish to make use of the medicine by giving it a trial, will be answered promptly and without evidence as to where information came from.

The prescription is sent free and although some may wonder how Mr. Olds can afford to give away his discovery, there is no doubt about the offer being genuine. Cut this out and send to Mr. Olds so that he may know who you came to write him. 12-28-78t

WRECKED CREW SAVED.

Six Sailors Rescued by the Use of the Breeches Buoy.

TOOK REFUGE IN THE RIGGING.

Schooner Emily D. Johnson Goes Ashore at Seabright, N. J., Early in the Morning, and the Heroic Life Savers Rush to the Rescue.

Seabright, N. J., March 25.—Schooner Emily D. Johnson went on the beach here at 1:30 in the morning, and after an exciting and heroic scene all the members of the crew of six were saved by the life savers of the neighboring station.

Washington E. Connor, the New York broker, has a house right on the coast at that point. It was on his premises that the schooner was driven ashore in a heavy gale. At latest reports she was pounding on the shore, and will be a total wreck. The vessel is a schooner of small tonnage, and was bound from Baltimore to New York at the time of her disaster.

Mr. Connor's servants were the first to be aware of what happened in the surf within hail of the broker's garden, and hastened to arouse the life savers of the village. The brave surfmen turned out in full force, and speedily rigged the apparatus on which alone they could depend to save the lives of the seamen who were in peril.

In the fitful gleam of the rockets, by which they sought to throw a line over the deck of the schooner, the crew could be seen clinging to the shrouds, waving their arms with frenzied gestures towards the shore. Huge waves were dashing over the deck and threatening at every moment to sweep the sailors from the rigging.

After several attempts a well directed rocket carried a line clear over the wrecked vessel. By dint of great exertion the crew and captain managed to manipulate the line so that they hauled on board the breeches buoy fixture that was attached to it, and by this means they were brought to safety, one by one. In the driving rain, and hidden at times by the spray that shot over the cradle, they were hauled to the beach.

While the work of rescue was under progress the entire village of Seabright had been aroused, and the shore was lined with women and men, who cheered the life savers.

Another Crew Took to the Rigging.

Far Rockaway, L. I., March 25.—The three masted schooner Wandrian, from St. Thomas, West Indies, which was driven on the shoals Tuesday night during the heavy gale that prevailed all along the coast, was towed off yesterday afternoon after a 15 hour battle with a frightful sea. Despite the fact that the waves washed over the vessel almost continuously during the night, and alarmed her crew so that they took to the rigging, she is apparently uninjured.

Loaded Schooner Capsizes.

New York, March 25.—The schooner E. A. Stevens, laden with brick from Perth Amboy, N. J., for New York, capsized in the Raritan river during a sudden squall. She went over on her beam ends, and the cargo shifting sent her clear over. The four men on board escaped. The schooner lies in 30 feet of water, and will prove a dangerous obstruction to navigation unless raised at once.

Shipwrecked Crew in Boston.

Boston, March 25.—The steamer Ontario, which arrived here from London yesterday, brought into port 27 men, comprising the crew of the British ship Androsa, Captain Morgan, which was abandoned at sea March 8 300 miles west of Falmouth, Eng. The Androsa left San Francisco Oct. 28 last for London. She sprung a leak in a furious storm, became unmanageable and was abandoned.

Many cases of "Grippe" have lately been cured by One Minute Cough Cure. This preparation seems especially adapted to the cure of this disease. It acts quickly thus preventing serious complications and bad effects in which this disease often leaves the patient. C. H. Hagenbuch.

Twin Brothers Fought to Kill.

Greenburg, Ind., March 25.—George and Calvin Holmes, brothers, fought a duel to the death near Mooreshill yesterday afternoon. The boys were twins, and 22 years old. They are members of a prominent and wealthy family. Miss Higgs, over whom they fought, is the daughter of one of the wealthiest families in the county. Sunday night, when Miss Higgs jilted George for his brother, a quarrel ensued. Yesterday afternoon the brothers met in the road. They quarreled and struck each other, when Calvin fired. Several shots were exchanged when George dropped dead. Calvin is wounded over the heart.

In New Jersey's Legislature.

Trenton, March 25.—The house yesterday defeated the bill to alter the township school law of 1894, the vote bein 6 to 57. Among bills passed by the house were: Preventing the owners of beer "arks" at Asbury Park from peddling their beer at retail; forbidding minors under 18 and students under 21 playing billiards or pool in any billiard or pool room without the consent of parents or guardians. The house defeated the bill providing that any person entering a tenement house drunk or using bad language shall be deemed a disorderly person. In the senate a bill was introduced authorizing the building of a double drawbridge between Burlington and Bristol.

"I was run over by a lumber wagon. Did not expect to live. Was terribly bloated. My friends bathed me with Dr. Thomas' Eclectric Oil, and I was cured. We have great faith in Thomas' Eclectric Oil." Mrs. Wm. F. Babcock, Norvell, Jackson Co., Mich.

Not a Wife Murderer.

Providence, March 25.—James Hennessy, husband of Hannah Hennessy, who was found dead in her tenement Tuesday, was discharged from custody last night. The autopsy showed that death was accidental. The woman was suffocated by fumes.

From Cripple Creek.

After the big fire in Cripple Creek, I took a very severe cold and tried many remedies without help, the cold only becoming more settled.
