Dangers of the Grip. The greatest danger from La tirippe is of its multing in prenuonis. If reasonable care is mod, however, and Chumberlain's Cough Remody taken, all danger will be avoided. Among the tens of thousands who have used this remedy for is grippe we have yet to learn of a single case leaving resided in presumonia, which shows conefu sively that this remedy is a certain preven tive of that draud disease. It will effect a permanent curve in less time than any other treatment. The 25 and 50 cent sizes for sale he Grathler Bros., droughts.
