Mrs. H. A. Hest, of 7th street, in Bloomslurg. For ten years she has suffered from kidney disorders. Many things has Mrs. Hest tried, looking for relief and cure. At last her efforts were awarded. The little enemics to hidney disease bace conquered the distressing backache, the stoumch des orders, the headaches, in fact all the sches the work designed for them by nature, is what she says: "The symptoms described for kidney complaint were mine to a dot. I had prine sharp stid piereing way flow in the back; I suffered from beachales that were terrible in severity; had some stomach discrete; the urine was highly colored and came too frequently; I was much sorres after doing any kind of lowey work that required the use of or taxed my back, such as clean-Ing house, etc., but this year I cleaned house alone and never felt the least bit of inconventence; thanks to Dosa's Kidney Pills. Colds affected me and I grow nervous and weak; I have been so bud I would try any-thing to relieve the pain. I began taking Dan's Eldney Pills, and only used them two or three days when I began to notice they were doing me good; am all right now; I am glad to say I feel perfectly wall; I exceeding recommend Down's Kidney Pilis to sufferers with a pain in the small of the back."
