Considerable comment is caused here strain as no remedy seemed to do me Dr. Miles Medical Co., Elichart, Ind. General Grumbkoff, the well known German military tactician, is going to Elassona to inspect the Turkish urtill-ery, and that Admiral Kallay, of the German fleet, has gone to the Darda-

in the front rank of the German government for this special duty.

A Vienna dispatch says that the best informed diplomats there regard war as inevitable. They say the strain cannot much longer be borne by either Turkey or Graces and that the time has pursued. or Greece, and that the time has passed for the powers to attempt to intervene. In view of the dangerous position assumed by Greece, the question is re-iterated whether she does not count upon some power coming to her sup-port at the crucial moment. The situation is regarded here as analogous to the time when Servia attacked Turkey, n 1876, when Russia and Great Britain saved defeated Servia from annihila

Mr. Henry Norman, the London Mr. Henry Norman, the London Chronicle correspondent, had an interview with King George yesterday, and telegraphs that paper: "I have had an audience with King George, He spoke without much hope, but firmly, like a man who can only do his duty and leave the rost to Heaven. More than once he said. If Greece had been a great power and had walked into Crete long any her action would have been long ago her action would have been welcomed by the powers as well as by the rest of the world as a blessing. But she is only a small power, and seems unable to do anything that will satisfy the great powers."
