NO MORE BREAKS IN THE LEVEES

Weak, and Further Breaks Are Liable at Any Time-Refugees Fleeing to Natchez.

Memphie, April 19,-No more breaks are reported in the Louisiana levee district, although the embankments at Hancock and Ferriday, in the northern part of Concordin Parish, are reported to be very weak, and a break may occur at any hour. The crevasse at Riggs is now a seathing torrent, and the waters are spreading rapidly throughout Madison Parish. At Cowpen the lovoe is leaking badly, and although a superhuman effort is being made to hold it many experienced

I ought to have had him arrested, but it wouldn't have done my good. It would only have been a lot of bother to me, and continues to improve slowly. Yester-day was a beautiful day throughout the house couldn't have got its money. the overflowed sections, and the waters are receding. The river at Memphis waiter hadn't any business to wait on him anyway. If I had seen him some in, I wouldn't have let him sit down at all." is still failing. The work of relief is being systematically carried on. A Vicksburg dispatch says: The river has failen three-tenths in the past 24

"I should think that cheating would be a pretty may business," remarked the cushours, a total of six-tenths since the "Think so?" replied the eachier. "Well prevasue at Biggs levee at 10 o'clock Friday night. The situation in Madinsteame in and try it some day. F'II tell you,'' he went on, 'life a man does get the best of us, it is for a very small amount. Now, suppose you come in hare and sit at one of these tables around here. The waitison parish, La., is growing worse hourly. The flood of water going through the Biggs break in the levee is fast covering the lowiands and is flooding Bay Vidal, and the greater er asks you what you want. If you should order more than 50 cents' worth of food, reached Tallulah, some 15 miles west of Delta. The water has the waiter would go to the head waiter. Then he would get the stuff ordered, while the head walter would walk down and size you up. Of course you wouldn't know he was doing it, but he would do it just the same, and if he didn't like your books you would be watched from that feet in the buyou at Tallulan, and was rising a foot an hour at noon. Delta is about depopulated, only enough persons remaining to look after the

moment. When you got up, there would be a man handy, and if you tried to bolt out through the door you would be collar ad so quick that your halr would be or ed so quick that your hair would be on end. If, you had the money about you, you'd give up. If you ddn't, you'd go to jail. If you sat up in these reserved sents, you might get 75 cents' worth of food in side of you. The waiters at those tables are allowed to serve that much without notifying the head waiter. The same proc-ess would be followed if you ordered more than the limit at that end."

burg and Shreveport railroad, so they can be moved in the event of another break in the upper portion of the par-ish, which is now severely threatened. Milliken's Bend and Duckport levees "Suppose a man came in and ate a meal and then discovered that he had left his money in his other trousers, would that are both caving. Reports from Madison parish state "That would all depend," said the cashthat the water began rising in Brushby bayou, at Tallulah, at 7 o'clock yesler. "That's a more or less common ex-cuse, I must say. I can size a man up who

terday, and up to 6 p. m. had risen is lying about a thing like that. When a neven or eight feet. About three miles minn is honest about it, he is in a mighty below Talluiah the water is over the levess, and is overflowing everything two miles below. Richland, La., retwo miles below. Richland, La., re-ports the water overflowing the Kings and Kels place, also the villages of Trinidad and Ashwood, eight miles be-low Richland. Everybody is getting their stock together, so as to move It is now estimated that not less than an important part. You see, a man who

sizing a man up the size of his check plays 8,600 persons will want relief in this county for the next 20 days at least. At least the same kind of meel he is Lieutentut Crowley, of the United Brates army, reached here from Wash ingrees by the noon train, having been works like a 25 cent enter, the chances of the county for the county of the county of the county of the second to pay for. Well, if a fellow puts down a check for 50 or 75 cents and he looks like a 25 cent enter, the chances
