THE celebration of the silver jubilies of Archidelap Ryan will not only go down in ecclesistical bistory as one of the greatest events Philadelphin has ever witnessed, but importance. For five miles of the city's greatest thoroughfare thousands lined on greatest thoroughfare thousands lined up behind the ropes tied the full length by the behind the ropes the full length by the police, and there, from 8 o'clock until long after miduight, they witched the long line of men, some 30,000 in all, making up the lating of the Archiberse, who turned out to do henor to the man whose jubiles was being enternations that Philadelphia had ever witnessed, and it was made all the more interesting from the fact that some of the organizations that the of marely ways. esteam for the Archbishop in many ways, Deadly Da. the Berween Convicts. who were not his way of thinking in the San Frinchiss, April 23-As a result matter of faith. matter of fuith:

THE PRESIDENT IS WEARY.

Mr. McKinley has evidently become fired for ful-Mr. McKinley has evidently become fired of the investant appeals that are being made to him for appointments. Especially is this from introduce in the just mill. The dead four of these seeking a ming berth in the main is W. I. Lighy, who was service Consular service. The President has been a 14 year scattence from Encramento forced to adopt measures to stop this great Frank Wheeler, his opponent, has been in almost every prison in this country, and angressmen that he would not take up for conduction any of the would not take up harden domining in the performance. for consideration sky of the patiding applications before the middle of next month. This was a set-back for the small army of applianets and their friends. The Senstor from this district has filed an application as Consul at some South American port, while a Potts ville minister is also anxious to represent this mathematican. plimits and their friends. The Senator from mation alread:

The number of applicants who have ap-peared for appointment in the furging service. Is the senson for new life in nature, is largely in excess of any provises administeation. Most of them are without the proper qualifications not inving been engaged inmy commercial hostness that would qualify them for the Camadar service. The President headd to be adverse to appointing any person who does not possess the mercovary qualifications; his one desire is to secure com prient men for three positions, and not to use the service in payment of political debts.

It is given out at the State Department that as the applications for Consular appointments now stand, at least difteen out of every sixterm of the candidates are bound to be disappointed. The total number of Consular officers, exclusive of Vice Commis, clerks, etc., is here. Of these only 140 meetre salaries. The remaindor are paid by fees, which do not in any one case exceed \$1,000 per annum From Pennaylvanis stone which has been From Tethnyrvalia marks, there are bearing all diverses of these places, there are bearing 400 applications, and every other state has as large a number, according to population.
