Fainting Spells and Dizziness Follow La Grippe.

WE HEAR LESS ABOUT THIS DISEASE THAN FORMERLY, BUT IT IS STILL VERY PREVALENT.

A noteworthy instance of the fallibility of even the most skillful physicians is furnished in the case of Mrs. J. E. Smith, of Greensburg, Ind. For four years Mrs. Smith was afflicted with a nervous ailment that finally led her almost completely helpless and which the physician who first attended her said positively could not be cured. Subsequently, a number of physicians in this and other cities declared her case to be hopeless. Today, in spite of the verdict of the doctors, and without their aid, Mrs. Smith is perfectly well. To a New York reporter she told the story of her extraordinary recovery. "Five years ago I had a severe attack of la grippe, followed later by another. During the four years following, my health continued to decline, until finally I was hardly able to move. "After having the grippe," said Mrs. Smith, "I was unable to get about or write, and to do some work. But in a short time after the second attack, I began to experience nervousness, and often had fainting spells, being similar to hysterics. I gradually grew worse, and in a short while I became subject to such spells of nervousness that I could do no work, being nearly unable to move about the house. I could not sleep and could not eat. I would be awake all night, my mind being continually full of thoughts and fears, and after treating me for several months said that my case or any case like mine positively could not be cured. Different physicians in Greensburg and other cities who attended me, agreed that my case was hopeless. For three years I hunted in vain, trying different doctors and remedies, but none did me any possible good. Finally my daughter, a student in Dr. Williams' Pink Pills for Pale People, which was so highly recommended by newspapers. As a last resort I tried these, thinking that if they did me no good I would never get any relief. The first dose helped me, and with every dose I improved. I took about three boxes and a half and was completely cured. I feel better today, perfectly healthy, and able to do all my own work. "Dr. Williams' Pink Pills are an unfailing specific for such diseases as locomotor ataxia, neural paralysis, St. Vitus' dance, sciatica, neuritis, rheumatism, nervous headache, the early stages of la grippe, palpitation of the heart, pale and yellow complexion, that the feeling resulting from nervous prostration, all diseases resulting from vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a powerful remedy for peculiar irregularities, such as suppression, irregularities and all forms of weakness. In many cases they relieve the patient of the suffering from mental worry, overwork or excessive of whatever nature. "These pills are manufactured by the Dr. Williams' Medicine Company, Schenectady, N. Y., and are sold only in boxes bearing the Dr. Williams' trade-mark and wrapper. Each box costs 25 cents, and six boxes for \$1.50, and is sent by mail. They may be had of

M. will have an interesting meeting tonight. A surprise is in store for all members, who are requested to be present. BASEBALL SEASON OPENED. All the National League Clubs Play Before Enthusiastic Crowds. Baltimore, April 25.—The champions yesterday defeated the Boston in the opening game of the season. An enormous crowd witnessed the contest, and for six innings excitement ran high. The batting, who replaced strikers in the middle of the sixth, showed great speed, but proved wild and ineffective. Ground rules were adopted. The season was auspiciously opened by a parade of the home and visiting teams through the principal streets of the city. If the enthusiasm evoked along the route of the parade speaks for anything, Baltimore's interest in baseball remains unabated. Score by innings: Boston..... 2 3 4 5 6 7 8 9 R.H.E. Baltimore..... 1 0 0 0 1 2 0 0-10 10 Boston..... 2 1 0 0 0 1 0 0-5 10 0

The Senators Suffer Defeat. Washington, April 25.—Everything was propitious for the opening of the baseball season in this city. The weather was clear, and the music and cheering of a crowd numbering 6,000, when Speaker Reed appeared he was cheered by the spectators. In the box occupied by the speaker were several New York congressmen and Senator Smith of New Jersey. Many prominent society people were among the spectators. But for an unucky throw by Demont in the sixth the score would have been in favor of Washington. Score by innings: Indiana..... 2 3 4 5 6 7 8 9 R.H.E. Brooklyn..... 0 0 0 0 1 0 0 0-2 5 3 Washington..... 2 1 0 0 0 1 0 0-4 5 4

Colombians Defeat the Indians. Louisville, April 25.—Ten thousand people saw the Colombians defeat Patry Teahens' Indians in the first championship game of the season. The home team outplayed their opponents both in the field and at the bat. Mayor Todd pitched the first ball across the plate, and then made a short address to the players of both teams. The usual street parade took place before the game. Score by innings: Indiana..... 2 3 4 5 6 7 8 9 R.H.E. Louisville..... 0 0 0 0 0 0 0 0-1 5 0 Cleveland..... 1 0 0 0 0 0 0 0-1 5 0

Phillies Win by Opponents' Errors. Philadelphia, April 25.—Baseball opening day was a grand success here. The weather was perfect, and the attendance more than 17,000. The game, however, was still and long drawn out, the visitors playing in rather untidy fashion. Four wild throws by the Gothams gave the Phillies their run and the game. Score by innings: Philadelphia..... 2 3 4 5 6 7 8 9 R.H.E. Chicago..... 0 0 0 0 0 0 0 0-1 5 0 St. Louis..... 0 0 0 0 0 0 0 0-1 5 0

DEDICATION SERVICES.

The Mahanay City Congregational Church, dedicated on Sunday. MAHANAY CITY, April 25.—The congregation of the Welsh Congregational church of Mahanay City, which will dedicate their new and handsome brick edifice on Sunday, are looking forward to the event with a great deal of interest. The services will begin tomorrow evening and close Monday evening. It will be a joyous occasion for the members of the congregation and their friends, and many from the adjoining towns are expected to be present. The services tomorrow evening will consist of a sermon by Rev. D. R. Griffiths, of Catonsville, and Rev. Peter Roberts, of Cayhopt, with singing, scriptures reading and a solo by Miss Cecile Lewis. Sunday morning, Rev. T. U. Edwards, of Kingston, will deliver the dedication sermon, and Rev. F. T. Evans of Landford, will also preach. In the afternoon the members of the town will participate, and Thomas Ross will sing a solo. To the organists, Mrs. Griffiths and Edwards will accompany the choir, and during the "Services" Monday evening Rev. Daniel Davis, of Shenandoah, will preach in the Welsh language. During the services Rev. L. A. Lake, will conduct the meetings, Mr. Reese Bauer, consular of music; Mrs. Mary Jane Phillips and David Davis, organists; Miss Magale Williams and Mr. Harry Harris, pianists; Orchestra, Misses Jennie Edwards, Charlotte Davis, Masters Richard, Warren, William, David, David, violins; Hector of Phillips; Mr. Reese Bauer, Jr., cello.

Patrick Larlin, a former resident of Boston, died at the home of his brother, Martin, at Shenandoah. Interment will be made in Pottsville tomorrow morning. Jonas Hill died at his home in West Penn yesterday, after an illness of about two years. He deceased was 78 years old. Death claimed Mrs. C. C. O'Connell, of Ellensburg, yesterday afternoon. Her death was due to a complication of diseases. Deceased was about 60 years of age, and is survived by several grown children. Joseph Martin, Sr., died at Pottsville this morning, aged 42 years. He suffered from saugrene of the foot, and on Tuesday his leg was amputated in the hope of saving his life. Louis Kuman, a young man who was recently employed in Palmer's store on North Main street, was hurled at Ringtown today. He died at his home in Zion's Grove last Tuesday from diabetes.

Old Fellows' Day. The people of Mt. Carmel are making much preparation for the large crowds that will visit that town on Monday, in celebration of Old Fellows' Day. Decorators have been at work during the present week and a general cleaning up has been inaugurated. Many of the members of the order from Shenandoah will be in attendance. In a communication to the Herald the chairman of the local committee encloses a copy of a telegram from General Manager R. C. Lottier, of the P. & E. R. Co., to the effect that all collectives controlled by the company will be idle on Monday. This will insure large crowds from different parts of the region. High School Salaries. The Shenandoah School Board has been getting the salaries of high school teachers, by way of comparison of the figures paid there and elsewhere, and finds the following rates: Shenandoah, principal, \$145; assistants, \$83, \$72; Johnstown, \$133, \$60, \$50, \$75; Easton, \$130, \$120, \$100, \$90, \$80, \$90; Mt. Carmel, \$125, \$65, \$55, \$60, \$70, \$75, \$70, \$70; Pottsville, \$110, \$85, \$60, \$60, \$60; Hazleton, \$100, \$80, \$80; Tanawaka, \$80, \$85; Mahanay City, \$60, \$70, \$70; Ashland, \$60, \$55. The above is incorrect, so far as Shenandoah is concerned. The recent "deal" made the salary of principal \$110, and the assistants \$60 and \$65.

In Ashland and Gilberton, at the last election, two persons were elected Borough Justice, and filed their claim for commissions as such at the state department. From the borough of Ashland, a letter from Secretary Decker, acknowledging receipt of the certificates of election. He says the record of the department show that Ashland and Gilberton have ward Justices in commission, and that no evidence is filed showing the two boroughs as entitled to Borough Justices. Their claims for commissions, he says, cannot receive attention or become effective unless they show these laws entitled to borough and not ward justice, as at present. To do this the Secretary requires an affidavit showing when and how each of these towns became a borough, and when and how they were divided into wards.

"It won't be long," said the thoughtful man, "before all possibility of war among civilized nations will vanish forever." "I quite agree with you," returned the member of the peace commission, grasping his hand and shaking it warmly. "We have unquestionably done noble work." "You!" exclaimed the thoughtful man. "What have you done?" "Not very much personally perhaps, but as a member of the peace commission," interrupted the thoughtful man. "The thing that is going to end all war is the fact that they have reached that point in the construction of mammoth cannons where one new national debt is created every time one is discharged."—Chicago Post.

Runaway horses are unknown in Russia. No one drives there without having a thin cord with a running loop around the neck of the animal. When an animal bolts, the cord is pulled, and the horse stops as soon as it feels the pressure on the windpipe. A walk in the rain, with the face exposed to the wet, is very beneficial to the skin.
