 Promised "Renorms" for Uvia.
 Havana, April 20.—News reached here yesterday from Madrid that the queen regent has signed a decree providing for immediately putting into operation the scheme for reforms in Cuba already agreed upon. A mail steamer was detained 24 hours at Cadiz in order to carry the decree establishing in work of reform, which will hegin in the provinces of Pinar del Rio.
 Monday, May 3, 1897.
 I-First and final account of A. A. schwalm, Guardian of Kurorins in Cuba already agreed upon. A mail steamer was detained 24 hours at Cadiz in order to carry the decree establishing the work of reform, which will hegin in the provinces of Pinar del Rio.

Ishing the work of reform, which will begin in the provinces of Pinar del Rio, Hawana, Matanzas and Santa Clara.
 I An Affidavii, This is to certify that on May 11th, I walked to Molick's drug store on a pair of crutches and bought a bottle of Chamber lain's Pain Bahn for inflammatory rheumatian which had crippled me up. After using three bottles I am completely cured, I can cheerfully recommend it.—Charles H. Wet.
 I Shing the completely cured, I can cheerfully recommend it.—Charles H. Wet.

Mather's Point Capite anexa. Middlenborough, Ry., April 10.-News comos tran Hancock county, Tenna that Mary, Lulu and John Hatheld were burned to death in a mountain cabin about five nitles from Sneed-ville. Their mother, who is a widow. had gone to a neighbor's house, locking the children in the house.

Many Iston Immiliants. 100 Few York, April 20.-Three stenmers landed 800 frish girls, most of them bu-tween 18 and 22 years of age, at Ellis Island yestering. Representatives of a Catholic mission looked after them. Many of the girls will go west. Within the last ten days the stamming com-panies that touch at Livernool and Queenstown have booked passages for-more than 2,000 frish emigrants, threefourths of them being young woman The rush will continue until August.

Patally Burned in a Laboratory.

New York, April 30 Dr. Leo Ross senior assistant house surgeon in the Women's hospital, and August S. Wolf, druggist for the same institution, were seriously burned yesterday in the chemical laboratory of the hospital, by the explosion of a quantity of alcohol. Dr. Ross was terribly burned about the upper part of the body and head, and it is feared he will not recover. Wolf's Hef. Severe pulpitation with pain in left breast, shortness of breath, and smothering injuries, while extremely painful, are spills made me meet miserable. I pro-not likely to prove faini. not likely to prove ratal.

Fewer Saloons Along dersey's Coast. Cape May, April 30 - The new horough law compalled it applicants for liquor licenses to go into the courts yesterday from the sensible boroughs, because the granting power has been taken from the borough councils. But five licenses have been granted-two at Angleson, two at Holly Beach and one at Avalon. It is probable that only three more will be granted, and these are Sea Isle City applicants.
