Collection of Taxes.

A bill that will make important changes in the collection of taxes in boroughs has been introduced in the House by Representative Coryell, of Lycoming, and is now on the calendar.

It is entitled a bill "To consolidate the tax laws of this Commonwealthwhich relate to the state, county, poor and road taxes and to provide for the collection of the same; the creation. of liens and to extend the election of tax collector to eities of the third implicitly relied upon. Read this: class and to extend the duties of comstables to the collection of certain taxov.

One of the provisions of the law is that all taxes on which there is an thought it of a cancerous nature, and it abatement of 5 per cent, must be paid by October 1st. The tax collector in bornighesis to receive three instead of two per cent, on all taxes collected.

On the 1st of April the collector must furnish the ward constables with certified lists of all persons in their several wards against whom only personal taxes have been assessed and who have neglected or refused to pay the same. The constable must collest these taxes by July 1st next following, and in default of payment he can make a levy or huprison the delinquent. The constable will be allowed 5 per cent, on all money he collects and he must furnish a suitable bond to the county commissioners for the faithful performance of this duty. In case he does not make the shoriff, who will arrest the constable and he will be kept in custody. until the settlement is made.
