Wanted to Depose King George.
London, May 22.—The Victura correspondent of The Daily Chronicle
says: "I learn from a reliable source that the fate of the dynasty of King George trembled in the balance last week. Serious attempts to depose him were frustrated by the direct action of the powers. The Russian govern-ment warned M. Ralli in the plainest terms that the powers were doing more for the sake of the dynasty than for the nation itself."

Streetear Robber Shot Dead. Tacoma, Wash., May 21.—A single robber yesterday afternoon held up and attempted to rob a car on the Stella-coom Electric line. As he got on the platform he pulled a mask down over his face, produced a revolver and or-dered Superintendent Dame, of the motor line, and Motorman Wellman to a compartment in the rear of the car. They complied with alacrity. The rob-ber then ordered the passengers to hold up their hands, and commenced relieving them of their valuables. Superintendent Dame drew his gun and fired through the compartment door at the robber, who returned the fire. The robber dropped dead, with bullets through his lungs and heart. Dame was shot in the arm and a passenger was shot in the leg.
