week old. This intellectual prodigy Hagonbuch bears the appropriate name of Cleve

that it is excellently administered, refleeting great credit upon the superintendent and board of trustees.

FROM present indications the cele twation of Managini day in town will be on a very appropriate scale, had Watkin Waters Post is making more extensive preparations than ever he fore to pay tribute to the momory of kinet. Must a preacher of the Pres Thinker pate, and the invitations have been accepted.

LIEUTENANT PRARY, the Aretic ex-LIEUTENANT PRARY, the Arctic ex-plorer, has been granted five years to do so be was arrested, but refusin-to do so be was arrested. Only a nomileave of absence to pursue his ev-plorations in the hand of the mid-provided to discontinue his sermons. night sun. He purposes leaving in July on a preliminary trip to Green land to arrange for Eskimos to ac-company him on his main expedition which is to heave in July, 1898. His wife will accompany him on the prewife will accompany thin on the pre-liminary voyage, but not on the sub-sequent trip, the termination of how shall I do it? Well which he is unable to decide upon at present.

OUR Spanish-American friends at the south of us evidently recognizethe fact that the Republican party is again in control in the United States. They are sending a delegation of business men here to encourage trade. a step which they carefully avoided taking during the existence of the Cleveland administration, which cut off the reciprocity treaties and thus closed to the United States the markets which those treaties had opened in those countries.

able to agree about methods of fight ing the tartiff bill. The old line Denies crats in the Senate when their party got together in canens wanted to fight the tarff on old free trade lines but they found the younger and pretective element was so strong against "REBECCA" them that they were obliged to abandon the plan. Their fight against tariff will be altogether desultory and mostly hasail upon the fact that It is a measure presented by Republicans.

and acts of the last Administration on this subject, it would seem that the contrast is decidedly striking.

Sick headache ean be quickly and com-pluidy overcome by asing those famous little pills known as "DeWit's Little Early Essens" C. H. Hagenbuch.

Itashing the Tariff Bill.

Washington, May 28.-The senate made good progress on the tariff bill yesterday, disposing of about ten pages Several votes were taken during the day, the finance committee being sustained in each case by majorities vary-ing from 6 to 15. The drug schedule was under discussion, and the debate was largely technical. Occasionally, however, it branched off to general phases of the tariff, although at no time during the day was there a speec of more than 5 minutes duration. Be fore taking up the tariff bill, the fina Chris. Schmidt, Agt., conference report on the sundry civ-bil was agreed to, including the pro-

vision suspending until March 1 next the executive order creating extensive Terrent reserves.
