The Tie That Binds.
We do not exactly know how running a newspaper and a post office came to be so intimately connected. But it appears that there is a tie that binds, and quite a number of the boys have lightning rods up and are in hopes that they will be favored with commissions which will entitle them to write "P. M." after their names. We hope that the boys will get what they want. An editor acquires a stock of patience in his business, which serves him well in performing the duties of postmaster. There's Zorby for the Pettoville office, Bausch for Mahanoy City, Croughn for Shenandoah, Hartman for Ashland, Wilson for Tower City, Samuels for Orono, Arnold for Girardville, and Harris for Tazewell. These with Finney for Naval Officer, Cyle for Consul to Brazil, and James for Auditor of the Treasury, would be perfectly satisfactory to the newspaper fraternity and couldn't be improved on.

An Appropriate Title.
From the "Miner's Journal."
The "S" appended to the name of a writer on the editorial staff of the "Miner's Journal," as that name is printed in the Mahanoy City American, is a superfluous. There is no "s" either in his front, middle or back name. It is a component part of a combination of letters that make up the very appropriate title of the Mahanoy editor, which in his case it is a "ss" with the single prefix of a letter which is conspicuous as being the first in the alphabet.

Fireman Killed by Falling Chimney.
Fireman John P. White, June 1.—White Joseph Spencer, chief of the volunteer fire department at Houshing Springs, Pa., near here, was helping to extinguish a fire that had started in a dwelling house yesterday when the chimney fell and killed him under its ruins. He was in a dying condition when removed by his associates, and death followed soon after.

Pittsman's Shots Prove Fatal.
Chambersburg, Pa., June 1.—David Pittsman, colored, died last night from the effects of a pistol shot wound inflicted by Pittsman H. Clay Wolf, of Mercersburg. During a disturbance among a group of negroes Pittsman was knocked down. Wolf interferred, and was set upon by Pittsman and his brother, who took his club away from him and were choking him when he drew his revolver and fired five shots. Wolf is in jail, and his case came next morning for his release have been begun.

Burro Defeated by a Pony.
London, June 1.—At the National Sporting club last evening the 26 round match for \$500, between Dick Burro and Tom Cannon, was brought off to force a large crowd. Burro was a warm favorite. He made some clever points during the first five rounds, but in the sixth he was cautioned twice for hitting too low, and in the seventh was disqualified for a foul.

THE STABBING CASE.

Dowling Admitted to Bail and He Enters Counter Charges.
Upon the evidence of Dr. W. N. Stein yesterday that Charles Dowling, the man stabbed on West Coal street Saturday night, was in no immediate danger and would probably recover Justice Tomney last evening admitted Edward Dowling to \$800 bail, immediately after his release. Dowling made complaint of assault and battery against Charles and John Westlow and \$800 bail for trial at court was furnished by each of them.

MAHANOY CITY.

Death of a Former Newspaper Correspondent and Private Secretary.
MAHANOY CITY, June 1.—Ernest Louis Woytke, general bookkeeper for the C. D. Kaiser Brewing Company, died at his residence on Pine street last evening from pneumonia and dropsy. He was 38 years old and had been a resident of town for about sixteen months. He was a native of Hamburgh, Germany, and came to this country eighteen years ago. At one time he was a correspondent for the San Francisco Examiner and private secretary to one of the California United States Senators. He also held a position in the customs department at Washington. His wife survives him. The funeral will take place on Friday.

One of the best known members of Severn Post No. 110, G. A. R., John Cameron, died at his home on East Centre street, this morning after an illness of three days. He was a native of Scotland. He lost his left arm at the second battle of Bull Run. His membership in Severn Post dated back 25 years and during all that time he was the chaplain of the Post. He was in his 72nd year and is survived by his wife and four children. Superintendent of Public Schools William N. Eshart last evening notified the School Board of his appointment as one of the examiners of the Clarion State Normal School.

East Night's Alarm.
Shortly before ten o'clock last evening the town was thrown into a state of excitement by an alarm of fire from box 52, corner of Coal and Chestnut streets. The fire companies responded very promptly, but their services were not needed. The fire was supposed to be in the home of John Roads who became a tenant of a house a few doors below Chestnut street. He had started a fire in the basement last evening which was burning briskly and to which he added wet wood, causing the room to fill with smoke which issued from the basement window on to the street. Notice was given not to ring an alarm, but some excited persons took no heed to the request and sent it in.

A Bicycle Funeral.
A bicycle funeral has been held in Elizabethtown. A Mrs. Roe was buried and the mourners, men and women, followed the hearse to the cemetery on bicycles. The unique spectacle attracted much attention, as the cortege slowly wended its way through the city on bicycles.
