WEDNESDAY, JUNE 2, 1807,

ANOTHER man has been smothered become necessary to prohibit the sale or manufacture of these death-traps.

THE tradesman who resorts to luittation and substitution deserves no consideration. Show him none. Get what you ask for when you go to buy.

PERHAPS the most Interesting feature of the convention of Silver appeared before him and on behalf of our Republicans in Ohio was the large faction of the much-middled Council of that number of free silver Democrals who town, asked a re-hearing and a re-trial of the case before full beach. Judge Savidge refused the application and declined to hear

Is a retailer found that every attempt at substitution cost him a customer he would soon be tired of it, and would supply what the public Syrap in the house saves doctors' tells, saves

Ir is said Schnylldll county has more politicians to the square inch. than any other county in the state, and yet the Federal plums are slow in dropping in this neck of the woods.

MR. BRYAN says no compromise must be made with "bolters," the fanciful name he applies to sound money Democrats. The artless Mr. Bryan forgets with singular facility Ready, the baker of Pottsville, on June 9th. that he is tucked away on the losing

trip on the United States dispatch long standing. boat Dolphin he pays the extra table and other expenses out of his own pocket, although he is the Commander-in-chief of the Navy of the United States.

THE political complexion of the Borough Council at present is seven Citizens and an equal number of papers bearing on the election of 1895, Democrats. That body now has two vacancies to fill, a Conneilman from the Third ward and a High Constable.

THE Farr eight-hour bill passed the House yesterday. The bill as amended makes eight hours a legal day's work for mechanics, workingmen and Co. for April, 1897, as compared with the laborers in the employ of the state same time in 1896, show the following results: Lehigh Valley R. R.—Gross earnings. wise engaged on public works.

Ir looks as if the Probibitionists would nominate Rev. Dr. Swallow, of 877.18; not earnings, increase, \$62,842.78; Harrisburg, for State Teensurer at Bath companies—Increase, \$18,462.66. their convention at Altoona this week. He would probably poll a larger vote than any man the third party could of Thomas Eclectric Oil. place on their ticket.

A PENNSYLVANIA farmer has aptwenty-five electric lights. An electrie motor to plow, hoe and replenish boys on the farm.

ADVOCATES of short skirts say that few women would have perished at the burning of the Paris bazaar but for the fact that they stumbled on their skirts and fell in a helpless mass. Three women who had been through a previous panie raised their By nourishing skirts and were thus enabled to every part of eath

JOHN WANAMARKS spends a good deal of money every year for advertising, but the indorsements which he is getting from the Popocratic papers at present is the sort of advertisement which hurts rather than helps, John may live down his recent outbuest, but it will embarrass him for a while nevertheless.

THE Kansas Populists are in distress. Prosperity has set in in that state without the adoption of the free coinage of silver or any other of their numerous nostrums of this character. Prices of cattle, hogs. wheat corn, and farm products of all kinds have advanced and there are more signs of activity and pros perity following the rejection of the free coinage of silver than the state has seen for many years.

THERE is evidently a state of had feeling between one faction of the Republican party in the Legislature and Gov. Hastings, which is likely to lead to very serious consequences in the form of mischlevous legislation. It is openly announced that a sufficient T number of votes to override any of the threatened vetoes of the several vicious bills that will shortly come will certainly be cast when called for. ROBBINS' OPERA HOUSE The log-rolling by which this is to be effected is one of the most pernicious things in legislation.

A Rousehold Necessity. Cascarets Candy Cathartic, the most won-derful medical discovery of the age, pleasant and refreshing to the laste, act gently and positively on kidneys, liver and lowels, cleaning the entire system, dispel colds, cure headache, fever, habitual conditation and hillousness. Please buy and try a lox of U. C. C. to-day; 10, 25, 50 cents. Sold and guaranteed to cure by all druggists.

An Italian newspaper will soon by pub-shed in Hazieton with Dr. Scarletta as manager. The concern will be a stock com-pany, the value of each abare to be \$25. It will be the organ of the Italian element in

utilication of a new daily paper at Lamford, to be called the Krening Star.

The Mahanay City American's blayele nection with the Ruiz case, private ad-

contest is becoming along.

The rain commenced on Sunday morning at 4 o'clock, and in 24 hours eight inches and 76-100 fell.

PECULIAR POISONS.

GENERATED IN THE HUMAN BODY.

The Result of Imperfect Digestion of Food.

It reached Hoboken, where they were arrested. The prisoners said they were Edward McConnell of Camden, Every living thing, plant or animal, con-William Smith of Troy and Frank Clark of Brookiyn. The watch was tains within itself the germs of certain decay and death.

> In the human body these germs of disease and death (called by scientists Ptomaines) are usually the results of imperfect digestion of food; the result of indigestion of (lyapopsia

The stomach, from abuse, weakness, doe not promptly and thoroughly digest the food. The result is a heavy, sodden mass which forments (the first process of decay) poison ing the blood, making it thin, weak, and tacking in red corpuscles; poisoning the brain causing headaches and pain in the eyes. Rad digestion pritates the beart, causing palpitation and finally bringing on disease

of this very important organ. Poor digestion poisons the kidneys, causing

Bright's disease and diabetes. And this is so because every organ, every nerve depends upon the stomach alone for neurishment and renewal, and weak diges tion shows itself not only in loss of appetite The woman, who is the wife of Egan-sis Samson, an Italian shoemaker, was complexion.

The great English scientist, Haxley, said Cillions of Dollars Weak atomachs fall to digest food properly, because they lack the proper quantity of digestive acids (lactic and hydrochloric) and peptocenic products; the most sensible remedy in all cases of indigestion, is to take after each meal, one or two of Stuart's Dys- DAVID FAUST, Insurance Agen. popula Tablets, because they supply to a Weish, W.
