Scrofula

Is a deep-seated blood disease which all the mineral mixtures in the world cannot cure. S.S.S. (*guaranteed purely vegetable*) is a *real* blood remedy for blood diseases and has no equal.

Mrs. Y. T. Buck, of Delaney, Ark., had Scrofula for twenty-five years and most of the time was under the care of the doctors who could not relieve her. A specialist said he could cure her, but he filled her with arsenic and potash which almost ruined her constitution. She then took nearly every so-called blood medicine and drank them by the wholesale, but they did not reach her trouble. Some one advised her to try S.S.S. and she very soon found that she had a real blood remedy at last. She says: "After taking one dozen bottles of S.S.S. I am perfectly well, my skin is clear and healthy and I would not be in my former condition for two thousand dollars. Instead of drying up the poison in my system, like the potash and arsenic, S.S.S. drove the disease out through the skin, and I was permanently rid of it."

A Real Blood Remedy.

S.S.S. never fails to cure Scrofula, Eczema, Rheumatism Contagious Blood Poison, or any disorder of the blood. Do not rely upon a simple tonic to cure a deep-seated blood disease, but take a real blood remedy.

MR. SMITH'S DEFENSE.

The New Jersey Senator Denies Senator Tillman's Statements.

DID NOT SPECULATE IN SUGAR

Either Recently or at Any Time When Sugar Was the Subject of Legislation—The Chess Playing Statesmen Make a Tie With the Britons.

Washington, June 2.—The senate made good progress on the tariff bill yesterday, advancing to the important metal schedule. During the day the paragraphs covering marble and stone, china, glass, brick and tiles were completed, with a few minor exceptions. Messrs. Vest and Jones, of Arkansas, in behalf of the minority of the finance committee, proposed numerous amendments which were defeated by majorities of 8 to 14. The votes were on party lines in the main, although Messrs. Rawlins and White, Democrats, voted with the Republicans to increase the rate on onyx and Mr. McEnery, Democrat, voted with the Republicans against Mr. Jones' proposition for a reduction of the rates on china. As a sequel to the recent sensational speech of Mr. Tillman Mr. Smith, of New Jersey, made a brief but pointed denial of all speculation in sugar stock either recently or at any time when sugar was the subject of legislation. Mr. Tillman was among those who heard the denial, but he made no comment on it. Senator McLaurin, of South Carolina, was sworn in early in the day, raising the membership of the senate to 89.

There was a lively session of the house yesterday at which the policy of Speaker Reed and the Republican majority again were made the subjects of attacks by members of the minority. The appeal of Mr. Lewis, of Washington, taken last Thursday from the decision of the chair that a resolution relating to foreign affairs did not constitute a question of privilege was laid on the table, and after the skirmish over methods of procedure three special orders were successively adopted, by two of which the senate bills making a special appropriation for the government printing office and for granting American register to two vessels to carry contributed supplies to India were passed. The other provided for the consideration of the Frye bill to prevent collisions upon harbors, rivers and inland waters of the United States connected with the ocean. The conference report on the sundry civil bill was adopted.

The senate committee to audit and control the contingent expenses of the senate, to which was referred the Tillman resolution, held a meeting yesterday. The fact that Senator Smith made denial of the charge was noted, and in view of this fact, coupled with Senator Aldrich's general denial, the committee concluded to postpone making any recommendation for the present.

CHESS PLAYING STATESMEN.

Congressmen Play to a Tie With the Competing Britishers.

Washington, June 2.—The international match between members of the house of representatives and the English house of commons yesterday resulted in a draw, each side having won and lost two games and one being drawn. When the match was concluded by Mr. Shafroth winning his game and tying the score hearty cheers were given on each side of the water for the president and her majesty, the queen.

The games on Monday resulting in a winning by Mr. Bodine for America and a game to the credit of England, won by Mr. Plunkett, three games remained to be finished yesterday.

Yesterday's games resulted in the loss of one by Mr. Plowman and the drawing of the game between Mr. Handy and Mr. Wilson. It then remained for Mr. Shafroth to save the day for America by winning his game, and the deepest interest was manifested in every move made. He started under the necessity of making six moves in 13 minutes, but soon caught up, and had time to play studiously. When the announcement of the result of his game came the cheers of the spectators filled the room for several minutes.

The time made on Monday in transmitting messages in regard to plays was surpassed yesterday, when a message was sent from Washington over the lines of the Western Union Telegraph company and the Anglo-American Cable company, a move made in London and the answer back in 40 seconds.

Something to Depend On.

Mr. James Jones, of the drug firm of Jones & Son Cowden, Ill., is speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half a dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at A. Wasley's drug store.

Cornell's Champion Crew.

Ithaca, N. Y., June 2.—Charles E. Courtney, coach of the cornell navy, yesterday picked the crew which is to row against Harvard, Yale, Columbia and Pennsylvania. The make-up of the crew follows: W. Bentley, stroke; F. J. Savage, seven; C. M. Oddie, six; M. M. Odell, five; A. C. King, four; S. W. Wakeman, three; E. B. Carter, two; W. C. Daizell, bow; T. L. Bailey and W. B. Stamford, substitutes; T. D. Colson, coxswain.

Mr. James Perdue, an old soldier residing at Monroe, Mich., was severely afflicted with rheumatism but received prompt relief from pain by using Chamberlain's Pain Balm. He says: "At times my back would ache so badly that I could hardly raise up. If I had not gotten relief I would not be here to write these few lines. Chamberlain's Pain Balm has done me a great deal of good and I feel very thankful for it." For sale by Grubler Bros., druggists.

WILKESBARRE TALK.

About the Little Enemies to Backache—What Home People Think About It.

Mr. John Gibbon is a citizen of Wilkesbarre. Our representative found him at his place of residence, 237 Hazle street. Mr. Gibbon has been for a long time the victim of a bad back and kidney troubles. The following conversation held with him will interest many:

"Mr. Gibbon," said our representative, "How long have you been troubled with kidney disorders?"

"For ten years it has bothered me more or less, being very bad at times."

"What did you do for it?"

"I tried everything I heard of for which merit was claimed." Here Mr. Gibbon named numerous well-known kidney medicines, and one in particular, a high priced article that he had taken many bottles of, all to no purpose.

"How did you come to take Doan's Kidney Pills?"

"Just as so many others have. I saw them advertised and got a box at the drug store of Tuck & Co. I thought they might help me a little, and to my surprise they proved the best thing I had ever taken. Nothing has helped me like Doan's Kidney Pills, and I have not been slow to tell my friends of their genuine merit."

"How did your disorder effect you?"

"Exactly as you describe kidney complaint in your advertising, and my suffering with pain in the back at times was beyond description. I most emphatically endorse Doan's Kidney Pills and shall do all I can to recommend them to others, for they are worthy of it, and above all, I shall use them myself."

Doan's Kidney Pills are for sale by all dealers, price 50 cents, mailed by Foster-Milburn Co., Buffalo, N. Y. Sole agents for the U. S.

MORE SPANISH BLUSTER

A Havana Paper Violently Attacks the United States.

ENERGETIC ACTION REQUIRED

To Prove to "These Yankees" That the Spanish Care Nothing For the Stand Taken by the Senate—Talk of Spain's "Heroic Navy."

Havana, June 2.—In the last issue El Comercio, the organ of the retail grocers, violently attacks the United States. It says in part:

"It has become necessary to prove to the United States that Spain needs neither their benevolence nor their commiseration. Those who ask for a policy of clemency and pardon for men who have desolated the country with torch and dynamite must be convinced that against such a policy all true Spaniards will become more and more resolute.

"These Yankees are never satisfied. They are far more guilty of hardness of heart than the Cubans themselves. After our denying atrocities invented by the American press; after our releasing various convicts charged with high treason to demonstrate to the American people the generosity which can look upon such people as amenable to the laws of civilized warfare; after all this, the Americans still believe these 'fakes' put up against us and believe that we fear them.

"It is necessary to prove to the Americans that we care nothing for the insulting and aggresive stand taken by the American senate. A country where the old have less judgment than the young is a degenerate country, a country of premature civilization, which will rot before it ripens. Let us tell them, or better still, let us prove to them that we can laugh at their braggadocio.

"Foreigners cannot own property in the United States. Let us reciprocate. There pirates are overlooked; let us do the same here. There are not wanting brave, audacious mariners who would patrol American seas and occasionally do what they pleased. The Americans would file their claims. Our courts would sentence the offenders to a ten cent fine and a three hours' imprisonment or release them under a fictitious bond.

"Really, the airs put on by these Americans require energetic action on the part of the Spanish people. At the very moment when the revolution is almost suppressed they appear again with their belligerency declaration. We care nothing for it. They can go ahead on this line if they please. It will only more clearly define the situation, and our heroic navy may yet prove what it can do with our enemies. Let it be demonstrated, aside from diplomatic methods, that the Spanish people despise the jingoes of the United States and know how to spit in their faces a hundred times."

Cubans Beat U. S. Treasury Agent.

Miami, Fla., June 2.—The steamer Biscayne and crew of six men are under arrest here, charged with having transferred a cargo of arms, ammunition and men to the tug Dauntless early Monday morning. According to an eye witness the expedition was transferred successfully. The vessel was boarded by Special Agent Hambleton, of the treasury department, who placed her under arrest. He was seized by several Cubans, his revolver taken from him, and he was beaten about the face and body. He was held until the expedition was loaded, when he was put ashore, and telegraphed for assistance. The cargo had not been entirely transferred when the Marblehead hove in sight, and the Dauntless proceeded south.

Watchman Held Up; Safe Robbed.

Nevada, Cal., June 2.—At midnight two masked men bound Peter Seith, who was in charge of the mill at the Providence mine, broke open the safe and stole a large quantity of amalgamate. The loss is estimated at $2,500 to $5,000. The robbers, after securing their booty, departed, warning Seith that he would be killed if he moved for two hours. Seith waited an hour, and then managed to release himself and give the alarm. No trace of the thieves has yet been found.

Cutting up pranks with baby is great fun for a young mother. But before she can cut pranks with the baby she must have a healthy baby. A puny, sickly, peevish baby has no use for pranks. It lies in every young mother's power to insure the health of the expected newcomer. If she will see that the organs which make motherhood possible are healthy and vigorous, and will keep them so during the period preceding maternity, she may be sure that the baby will be healthy and happy.

A marvelous medicine for young mothers is Dr. Pierce's Favorite Prescription. Taken during the period preceding motherhood it makes strong, healthy and vigorous the organs upon which rest the burdens of maternity. It allays inflammation, soothes pain, and restores steadiness to the nerves. It does away with the discomforts of the expectant period. It insures the health of baby and makes its coming easy and almost painless. It is the discovery of an eminent and successful specialist, Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

"I took Dr. Pierce's Favorite Prescription before my confinement, and I was only in labor a short time," writes Mrs. Minnie A. Peterson, Box 5, Easton, Fresno Co., Cal. "The physician said I got along unusually well. I think the medicine saved a great deal of suffering and I get all my friends who need it to try it."

One of the best-known of American medical men said: "If you want to reform a man, begin with his grandfather." That would be wise if it could be done. Since it cannot be done, try something else. Reform the future grandfathers and grandmothers. Do this through education. The greatest thing for a man or woman to know is himself or herself. To know one-half the capabilities and disabilities of the human body is a liberal education. A good start for this education is Dr. Pierce's Common Sense Medical Adviser. Any one can have this finely illustrated 1000-page book for the small price of twenty-one one-cent stamps. This is simply to pay for mailing. If you would like the book in fine cloth binding instead of paper, send thirty-one stamps to World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y.
