NUGGETS OF NEWS.

Miss Herold has assumed the duties of assistant corporation counsel of Chicago. The Delaware constitutional convention yesterday decided by a vote of 19 to 6 to promulgate the new constitution. A storm of wind and rain in Texas yesterday blew many houses from their foundations and rendered streets impassable. New Orleans barbers are angered at a decision which says their work is not a profession and they are working to establish it as one. David Wilson, the colored murderer, was hanged at Morrisania, N. J., yesterday. On the scaffold he sang "The Lord's Prayer" to the wailers.

Senator Dupuy de Lome, the Spanish minister at Washington, has received information that the Dauntless was used in a day and that a big expedition is about to leave Florida for Cuba.

Thoughtless Play Results in Death. Bridgeton, N. J., June 4.—Lockjaw caused the death of John McDermett yesterday afternoon. A sharp stick thrown by a schoolmate a few days ago pierced the boy's bare foot and broke off. Lockjaw set in Wednesday night. A physician summoned yesterday morning removed the huge abscess, but the operation was too late to save life. The boy's suffering was terrible. He was in spasms yesterday until his death.

To Corner the Whisky Market. New York, June 4.—For two hours yesterday afternoon five telegraph instruments ticked off a private message of over 10,000 words from Louisville to New York capitalists—a message involving one of the most gigantic schemes ever devised. Great financial interests here are deep in cogitation over a proposition to corner two-thirds of the whisky in the United States. They are contemplating the formation of a pool to buy up 80,000,000 gallons of whisky now in bond in the state of Kentucky. The amount of money involved is \$50,000,000.

Imposing Funeral of a Veteran of the Rebellion. MAHANAOY CITY, June 4.—The funeral of John Cameron took place at ten o'clock this morning. A large concourse of people gathered at the family residence. Among those in attendance was Capt. William Winkler, of Cool Dale, who was in command of Co. K, 48th Pa. Vol., during the war, of which company deceased was a member in action. Rev. I. M. Gable, pastor of the Presbyterian church, officiated at the service, assisted by Rev. DeLong, pastor of the United Evangelical church, who was also a member of the 48th regiment during the war. The choir of the Methodist Episcopal church rendered selections at the funeral. Severn Post No. 110, G. A. R., Co. E, N. G. P., and the Citizens' band were in attendance. The pall bearers were Major John P. Shaeffer, J. W. Snyder, John Williams, Augustus Grow, David Lecker and Frank F. Reed, all members of the Post.

Setting Out Ex-Mayor Magowan. Trenton, June 4.—The sale of Ex-Mayor Frank A. Magowan's personal property, under executions representing nearly \$200,000 worth of judgments, was adjourned yesterday afternoon without disposing of the furniture in the colonial mansion. Magowan was at the sale, and after making a protest and showing indignation, became suppliant, and begged Senator Sturm, who has been his principal financial backer, to stop the sale. The sale of the furniture will take place today. The mansion in which Magowan and Mrs. Barnes-Magowan are living is mortgaged for \$15,000. Foreclosure proceedings are now pending.

Greco-Turkish Peace Negotiations. Athens, June 4.—Although the armistice has been signed in Epirus and Thessaly a special clause stipulates that a meeting of the Greek and Turkish delegates shall be held today to settle the details of the armistice on the sea. If there should be a failure to agree in this matter the whole convention will be void. The Turkish delegates demand that all vessels under the Turkish or any neutral flag shall be freely admitted to Greek ports. The Greek government objects to being deprived of the right in search. In deference to the powers, however, the cabinet will probably yield. The armistice is to continue until the conclusion of the peace negotiations.

Mine Strike averted. Pittsburgh, June 4.—There will be no strike of the 23,000 miners in this district at the present. This was decided at yesterday's delegate convention and is largely due to National President Hatchford's address advising moderation. Resolutions were adopted, however, demanding a uniform rate of 60 cents per ton for mining, but deferring the strike until such time as the national executive board should consider it advisable.

Clockmakers Threaten to Strike. New York, June 4.—Notice has been served on the clock manufacturers that their employees are preparing for a strike which will rival in magnitude the Adams' strike. The clockmakers are 15,000 strong, and claim to be thoroughly organized. The men say that they cannot exist under the present rate of wages. If the manufacturers refuse to attend the conference to which they have been invited the men declare that they will go out on strike on the 10th inst.
