from there for many years.

THE shippards of the country are turning out gunboats at a rapid rate. 201 feet long over all, and she slipped | nature's own specific for all bowel complaints. into the water from Dialogue's yard at Camden, N. J., Thursday, in the presence of a lot of admiring Jerseymen, among whom was ex-President-

THE popular demand for action on the Cuban question, while still, indieating intense interest in and sympathy for the struggling Cubans, is less extreme in its pressure for instant action. The people are evidently beginning to realize that the President has definite plans which will result in prompt and vigorous action, but which cannot be completed and put into effect until be receives full information from his own representawho has been in Cuba during the past fortnight obtaining information for the use of the President and State Department, is now on his way home, and with the information which he is expected to bring, there is reason to believe that before many weeks the President will announce a definite policy, and one which will not only be advantageous to the Cubans and promotive of peace, but will bring credit to the administration of President McKinley,

Schuylkill's Judiciary.

Since the Taxpayers' Association has started in to stop alleged extravagance in public office, the suggestion has been made that they have begun at the wrong end, and should start their investigation where the greatest leak is to be found. Any effort on the part of the association, said to be composed of representatives of the heaviest taxpayers in the county. tending to correct any abuses that may exist in the administration of the county affairs, or in any other manner reduce the tax rate, is not only worthy of commendation, but they should be given every assistance in an honest effort to secure a clean and economical administration.

We believe that the officials on "the hill" will afford the representative of the Taxpavers' Association every facility to secure all information pos- Elbridge, Box 35, West Cornwell, Conn. sible in his research, and furnish him. with whatever knowledge they posvot we are of the opinion that the records will show that the present officials are not only courteous and on bread and water for one month, painstaking, but that their administ The allowance of tobacco and possibly is both economical and efficient. The cut off at least a year, saving \$20,009 to the state. The money will be used to greatest leak in the county treasury pay for ten extra guards. is the Lyon-Dunn judicial contest, in pales into insignificance. But there is another item of expense that the taxpayers are called upon to bear. the light of which other extravagance and to which the Taxpayers' Associa-

tion is directed. It is the Judiciary.
It is seldom that a public journal addresses itself to matters pertaining In the only conto the judiciary. It is a delicate sub-mon sense way—keep your head cool, jeet, but under the present circum-your feet warm and your blood rich stances consideration of the matter and pure by taking Hood's Sarsaparilla, is demanded by a suffering public. In this connection it might not be out of place to draw public attention to the enormous amount of work performed by Judge Bechtel for the past year builds up the system, creates an apand more. The Greatest Sale of Shoes

Ever had in this section is now going on at our store. We've bought the entire stock of a retail shoe store that failed.

The goods will be sold without regard to former price or their real value.

There are a great many very fine shoes in this stock, and the former owners would weep if they could see the little bits of prices we are now asking.

Come quick for the goods can't last long when people know what we are doing.

> > A GREAT REMEDY.

For Sufferers From Piles.

Dr. Redmond, a specialist in the study and treatment of Piles and rectal diseases, re-cently stated that the Pyramid Pile Core, the new discovery for the cure of piles, was "By concluding an armistice the most remarkable remedy he had ever seen or tried in one respect; and that was, the instant relief experienced in all cases, ar matter how severe, from the moment the remedy was applied; this was the more surprining to him, because he had carefully analyzed the preparation and no trace of ways retain in remembrance. I beg analyzed the preparation and no trace of your majesty to believe in my un-

Physicians look with great favor upon the Pyramid Pile Cure, because it is rapidly taking the place of surgical operations and because it is so simple, so easily applied and contains no mineral or other poisons so com. monly used in pile cures.

Dr. Esterbrook reports that the Pyramid Plie Cure not only cures the various forms of Piles, but never fails to give immediate relief on the first application, no matter how severe the pain or discomfort may be.

People who have suffered from piles for years are often astonished at the instant relief experienced from the first application. Another important advantage is the fact that anyone can use the remedy without detention from business or interference with fally occupation.
