**Verdict of the Coroner's Jury in the In-fantile Case.**  
MAHANOY CITY, June 8.—Deputy Coroner Emery last night held an inquest on the death of the babe found in a reas pool on Saturday evening and for whose death Rose Johnson was committed to jail. Dr. Howie testified that he made a post-mortem examination and found that not only had the child been born alive, but had also been strangled to death, probably by the cloth found wrapped about the remains. The jury rendered a verdict accordingly.

**Republicans Win in Chicago.**  
Chicago, June 8.—The judicial election yesterday was carried by the Republicans, who elected all of their candidates by pluralities of about 12,000 in the city and 4,000 in the county outside of the city. Although the ticket was called "Republican," it included all the 34 judges now on the bench of the circuit court, eight Republicans and six Democrats. In addition to the judges of the circuit court, one judge of the superior court and one justice of the supreme bench were voted for. The Silver party had five candidates in the field for the circuit bench, but its candidates secured but about one-fifth as many votes as the Republicans.

Young Fellerich has not been under the hysterical spell for almost a year, but it is claimed his one experience in this line has had a powerful effect upon his mind.

**THE TAXPAYERS' LEAGUE.**

**Application for Injunction to Restrain the County Officials.**  
A sensation was sprung in court yesterday when A. W. Schabek and Guy E. Farquhar presented the bill in equity of William L. Sheaffer, of Pottsville, in behalf of the Taxpayers' Association and obtained a preliminary injunction restraining the County Commissioners, County Controller and County Treasurer from expending any more money upon almshouse improvements until a hearing next Monday, when a permanent injunction will be applied for. Extravagance and illegal expenditures are alleged.  
The petition sets forth that the County Commissioners prior to April 6th, 1906, presented a petition to court asking their approval of the erection of a hospital, laundry, electric light plant, boiler house, etc., on the county almshouse grounds at a cost of not to exceed seventy-five thousand dollars, the same to be borrowed and bonds bearing five per cent. interest to be issued therefor.  
Complaint is made that neither the original petition approved by the court nor a copy can be found, although a file box in the Commissioners' office bears a label stating that this petition is therein contained. The box is empty and this statement is asked to be placed on record. The order of court is also missing, and Mr. Schabek read the copy published in the Evening Chronicle.  
Bids were advertised for and opened April 6th, 1906, but the lowest bids aggregated \$10,000 more than the amount allowed. On July 3rd, 1906, bids were again advertised for, and on July 30th contracts were awarded amounting to \$56,029.33, which with the bill of the architect, \$2,000, were duly approved by the court.  
In August, however, expenditures were made or authorized by the Commissioners without the approval of the court, amounting to \$11,515.20, and on September 7th, 1906, bonds to the amount of \$25,710 were sold. Up to June 1st, 1907, the amount of \$70,350.60 has been paid out, viz: \$38,929.33 on approval of court, \$11,515.20 without the court's approval, while \$27,775 was expended with no contract as required by law.

surveyor, has received \$1000 for surveying at these improvements and \$1504.47 on a contract for making excavations. Mr. Geary, being county surveyor, if it claimed these payments were illegal.  
Mr. Schabek contended that there is still a large amount due, bills on hand showing \$2,800.93. These bills do not cover certain items and more work would be required to finish the improvements.  
The action of the Taxpayers' Association has caused the officials very little surprise, and they do not apprehend any serious trouble. A reply is now being prepared in the matter by the officials.
