The condition of the kidneys are discussed with an endition of the kidneys are discussed with an endition of the kidneys. The condition of the kidneys are discussed with an endition of the condition of the kidneys. The condition of the kidneys are discussed with an endition of the condition of the kidneys are discussed with an endition of the condition of the kidneys are discussed. comparatively short time to enable probable that Germany will continue them to not intelligently and in a way which will bring relief and encourage ment and substantial aid not only To Don't Tonacco Spit and Smoke Your Life are constantly liable, in Dr. Thomas Effective American citizens in Cuba, but to the cause of liberty,

support of foreigners and citizens of other states in our poor houses, jalls. penitentiaries and insane asylums. Reform is sadly needed in this direction, and the matter should receive the serious consideration of our lawmakers. This is one of the many investigating committees appointed by the Legislature whose labors will likely be productive of some good, as Representative Focht has introduced a bill requiring all immates of these institutions, not citizens of this state, to be returned to their native state or

adopted the Senate amendment to the bill providing for the payment of interest on state deposits, the bill now goes to the Governor for his signature. The bill names six depositories -two in Philadelphia, two In Pittsburg and two in Harrisburg-which shall be known as active depositories. and which shall pay 1) per cent, on less level. During the present sman daily balances. Other banks are required to pay two per cent. This is a through an opening in Queen Victoria very wise movement and will have a see, the open water discovered by Lie salutary effect upon the finances of Jackson. the state. There is no good reason why these banks should not pay a reasonable interest on the large sums deposited annually with them, and there is no cause to anticipate that there will be any difficulty experisneed in obtaining from banks of unexceptional standing the requirements of the bill.

THE Senator from this district is apparently rushing headlong into the open ahiss of political obscurity, judging from his course in the present Legislature. Perhaps it is fate. Here is what the Republican says of his position on the insurance hill: "Senator Coyle, of the Thirtieth Distriet, will find it necessary to explain for prevariente about it) his voting with the mays in the Senate on the bill passed yesterday requiring the hanking institutions to pay interest on the state funds deposited with them. The Senator has a happy faculty of getting on the wrong side of every question beneficial to the workingmen, of whom his constituency is principally comprised, and on every question calculated to con; et Hood's Pills information, indigestion, \$1.00 a bottle.

A SHORT STORY

Many a reader of this in Wilkesbarre has

seen the large watch sign, that lungs out at No. 40 North Main street. It is there to tell the people who see it that Robert W. Haight, watchmaker, etc., can be found at that loca tion, and perhaps you may doubt the follow business on the constitution of a man, but this is not the case. The constant stooping position maintained while at work brings with it many sches and pains. Such positions in time effect the action of the kidneys, and this is just what it did in the case of Mr. W. B. Jehuson, Newark, O., savs, "One Minute Cough Cure saved my only child from dying by crosp." It has saved thousands of others suffering from crossp. pneumonia, bronchitis and other serious throat and lung were a kidney cure. All the ills that flesh is beir to were not set down as being subject to their wondrous influence, and this inspired confidence in them. The symptoms described by kidney sufferers were his symptoms. He began taking them. Three or four doses cratic nomination for governor.

Two men have been tarred and feathcred at Butto, Mont., and excepted out my trouble. Home remedies I have used, but found but little relief of a temporary The young daughter of a farmer of mature.
