SATURDAY, JUNE 12, 1807.

THE great commercial agencies of the country say business is improving. This will elicit another howl from the calamity wallers who have been sworn in for four years.

It is hoped that the majority for the new tariff in the Senate will not become unwieldy. The recent voteagninst Jones, of Arkansas, of 33 to 17 is about the right thing.

Frontina expects to market nearly a million boxes of oranges next year. The trees that have sprung from the roots of the frozen trees are thrifty and remarkably free from Insect

ing an hour and forty minutes. The veriscope pletures are said to have been remarkably lifelike. This fact O'Boyle paster. strengthens the objections to the use of the apparatus for the reproduction of scenes of brutality or immorality. The public authorities everywhere of scenes of brutality or immorality. should be prompt to regulate the verisuspe show, says an exchange.

in the next war, according to a surgeon who has been taking to test in Cuba. The bullet from a Manser rifle goes through a large tree with ease. It seems to be true that the bullet often passes through the hu-HIDING benind a tree will be useless man body without disabling a combatant, the wound of exit not exceeding in size that of entrance. The

thing but a friendly feeling toward one another. The question at issue, and which has engendered this "good feeling," is the position of the Senator from this district on several measures of interest to the people of this county. Our brethren should use

great advance in the past few weeks. Meetings of the bimetallic associations in England, Germany and France have shown not only renewed interest in this subject, but which shall bring about an increased of silver through international netion. These were accompanied by a general expression of belief that international action upon this subeet is the only method of obtaining definite and satisfactory results.

WE often hear comments upon the general lack of veracity on the part of the average Shenandoah fisherman, when relating instances connected with their fishing experience. and especially the size of their catch. If they state the fact that their variably the story is greeted with a until today. doubtful remark. We take exception to this, so far as Shenandoah's piscatorial sports are concerned. That

DYNAMITE AT LEAVENWORTH.

Attempt to Kill the Governor of the National Soldiers' Home, Leavenworth, Knn., June 13.-A diabolleal attempt was made upon the life of Governor Andrew J. Smith, of the National Boldiers' home, and his wife and daughter between 4 and 5 a. m. by some dastard who is as yet unknown. Dynamite was employed in the our rage, and the explosion, which all but demolished the governor's beautiful residence, aroused the residents of the city and houses trembled as if under-going an earthquake shock. Mrs. Smith had a miraculous escape from death, the base of the explosion being directly beneath her bed chamber. She pieces of flying bric-a-brac. Her con-

dition is precarious.

The residence is a scene of wreck age. The brick walls are torn and cracked, one side being almost com-pletely blown out. The windows are shattered and the debris is scattered over the grounds for a distance of several rods. The interior is a scene of confusion and destruction, with broken bric-a-brac and furnishings utterly wrecked. The report of the explosion was distinctly heard in this city, three miles away.
