to light the streets and the right of way ! I can easily imagine the thoughts that passed through the minds of our Borough Fathers, after listening to a proposition of but kind. With two other electric light ourpanies already established here, the lossof a silk mill is contingent upon the chment of still another! Truly, the promoters of the new company and the foreign silk "weavers" must imagine the average Councilinan is endowed with very little common sense. It is two to one that the people of Shenandoah will never hear

any more of this silk project. If they were discare, they would not make such a laughable spectacle of themselves, knowing full well that they can secure all the power they desire without waiting for the establishment of another electric light plant. It is a wonder to me. Mr. Editor, why the new meat market and the hundred and one side issues contin
