# Cancer

Mr. A. H. Crausby, of 158 Kerr St., Memphis, Tenn., says that his wife paid no attention to a small lump which appeared in her breast, but it soon de-veloped into a cancer of the worst type, and notwithstanding the treatment of the best physicians, it continued to spread and grow rapidly, eating two holes in her breast. The doctors

begun it, and an improvement was no-ticed. The cancer commenced to heal and when she had taken several bottles it disappeared entirely, and although several years have elapsed, not a sign of the disease has ever returned.
