MONDAY, JUNE 21, 1897.

Just as soon as the new minister to Spain, Gen. Woodford, reaches his the season of 1807 ;-

THE lower branch of the Logislature has decided to hold day and night sessions, and on Saturdays, in order to catch up with the business P before that body. Less junketing trips in the early part of the season would have avoided this "double and Washington; \$200 from Pittaburg. shift " To Ningara Falls, excursion tickets good to shift."

will be held at Harrisburg on August Everything now points to the nomination of Beacom and McCauley. The former has no opposition so far.

public school teachers will now take a well-earned vacation from their arduous labors. They have labored faithfully during the term just closed. The people of this town take great pride in their schools, to the success of which none contribute more than the teachers, individually and collectively.

THE members of the Mahanoy City Town Council, after having granted a contract for paving the streets of that borough passed a resolution stipulating that the contractors shall employ only home labor at \$1.50 per day, now realize that their action was on the principle of "locking the door after the horse had been stolen." The Joseph Herick, Linwood, Out. contractor has refused to sign the contract with the labor clause inserted. These stipulations should have been inserted in the specifications, in justice to the contractors.

UNDER the present laws there are several holidays that are observed on especially in the case of Memorial and Labor Days. To remedy this a law has been passed by both branches escape. not discovered until too into to save owing to the fact that there is a dis-ble life. The assallant made good his escape. owing to the fact that there is a dis-adjourn when the tariff measure is Duffe match. The contest will occur edly meet the approval of the Govedly meet the approval of the GOV-armor, and is known as the Holiday with rheumatism but received prompt relief up, and so I consider it unillely. bill. The Tax on Aliens.

It is estimated that one of the laws passed by the Logislature, and which will go into effect July 1st next, will bring to the county treasury considerable revenue and may be the means of partially solving a perplexing question that has agitated the people of the state for some time, especially in the coal regions. It provides for the levying of a tax of three cents a day upon every alien male employed A Scranton Citizen is Fortunate -in Pennsylvania. Under the terms of the law employers are required to deduct from the pay of such laborers the amount of the tax and turn the same over to the county treasurers, and to submit to the County Commissioners quarterly reports. Failure to make these reports is punishable. by heavy fines.

productive of good results. There is nothing unjust in its provisions. There is no good reason why every man earning a livelihood in this man earning a livelihood in this country should not equally hear the burden of taxation; its enforcement will enhance the value of citizenship, and at the same time, it is estimated, put about a \$1,000,000 in the country treasuries throughout the state. There are hundreds working in and Treasuries throughout the state, There are hundreds working in and about the mines in this county, com-peting with American citizens, who pay nothing toward the support of the county. The fact that the omployer must collect the tax and render a report as to the number of foreigners in their employ, under a heavy penalty for a violation of the law, will cause those
