Legislative Matters.
Senator Losh's bill taking from the Commissioners the appointments of Warden and Matron of the Prison and placing them in the hands of the Court, was defeated in the House by a vote of 94 to 28. Hon. Josh Orme made a speech in opposition to the bill in which he took the ground that judges are not elected to make political appointments, and that to expand the law and administrator justice.

The bill introduced by Senator Coyie, making the office of County Solicitor an elective one, had a favorable reception in the House, but will not be heard from again, it is said. Its author introduced the measure to get even with the present incumbent because certain persons were not appointed by the Commissioners.

The Orme store order bill passed the Senate on first reading and will probably be passed before adjournment. Mr. Orme is keeping a close watch on his measure and if hard work on his part will result in its passage it will become a law.

The indications are that there will be no reductions in the state appropriations for the public schools. A petition was circulated in the House in opposition to the proposition referred to, and a majority of the members have signed it. Representative Strickland is opposed to any cut in the school appropriations, and he says there "is sufficient money in the treasury to meet the usual appropriations to the schools, and the State and Charitable Institutions. Appropriations asked for the erection of additions to state institutions, my impression is, however, will nearly all be cut off."

The Stewart act, providing for the collection of interest on state deposits in the banks, has received the Governor's signature. The active banks, one in Harrisburg and two in each of the counties of Philadelphia and Allegheny, shall pay at the rate of 11 per cent. interest, while the others pay 2 per cent.

Another Brewery.
The new brewery for Mt. Carmel appears to be an assured fact. It is incorporated under the title of the Anthracite Brewing Company of Mt. Carmel. At a recent meeting of the directors they purchased seven lots near the Lehigh Valley depot in that town. The contract for the erection of the building will be let in a few weeks, which will cost over \$50,000. P. J. Ferguson, of town, is interested in the project.

CADRE TROOP DISMISSED.
Detroit, Mich., June 15.—The National Association of Burial Case Manufacturers went out of existence yesterday afternoon, after a life of 22 years. Just on what point the members disagreed is known only to those on the inside, and they will not tell. It is believed that the members were unable to agree upon questions of fixing and sticking to prices in competition with outside manufacturers.

Ask your grocer for the "Royal Patent" flour, and take no other brand. It is the best flour made.

ATTEMPTED RAPE.

A Pete Committed to Jail on a Very Serious Charge.

Paul Yenawlicke, a Pole 22 years of age, was arrested by Constable Thomas Bollen yesterday on a charge of assault with intent to rape upon Patricia, six-year-old daughter of William Yenawlicke. The accused is a cousin of the alleged victim. The assault and battery were made in the home of Peter Yenawlicke, another cousin of the accused, on West Lloyd street, yesterday afternoon. It is claimed that two boarders in the house forced open a door of a room and prevented the accused from accomplishing his purpose. When the prisoner was first taken into custody he made a hard struggle for liberty and was handcuffed after much difficulty. He was taken before Justice Mulla at Brownsville and committed without bail. He was taken to jail this morning.

Marriage Announcement.
The public announcement is made of the approaching marriage of Miss Deane Samsell to Mr. Carmel, to Mr. John E. Pratt, at present located in Philadelphia. The event will take place on the 20th inst. Both the prospective bride and groom are former residents of town, and have many friends and admirers here. It will be remembered that Miss Samsell resided with the family of Vice President Hobart for several years, as a companion to the latter's invalid daughter.

His First Mass.
Rev. Joseph A. McCallough, who was ordained at Philadelphia last week, read his first mass in St. Joseph's church at Girardville yesterday morning as curate of that church and officiated at vespers last evening. Rev. D. D. Dougherty, of the Overbrook Seminary, and Rev. Peter McCallough, curate of the new parish and pastor of St. Joseph's church, assisted in the services. At the vespers there was a choir of sixty voices comprising singers from the Ashland, Shenandoah and Girardville churches.

A High Point Park.
The pastor and his young friends of the Saturday afternoon class of the M. E. church spent a delightful day at High Point park on Saturday. A good supply of ice cream and cake was provided and this, with light lunch by the children, furnished a proper equipment for the day's outing. Many hearts were happy as the well-filled trays left the corner of Oak and White streets. Several adults visited the grounds in the afternoon. When all returned safely at about 7 p. m. everybody acknowledged the wisdom of the plan to provide for a day's pleasure for the children.

Largely Attended.
Robbins' hall was crowded on Saturday night by admirers and friends of the Famous base ball club to enjoy their ice cream festival. The committee in charge rendered excellent service in the arrangement and entertainment of those in attendance. The festival was a success socially and financially.

Another Shenandoah Scandal.
Everybody says it is perfectly scandalous about Wagoner, the shleedaker, because he doesn't give other dealers a chance. That's all right, we're not in business to please dealers, but the public with our 1000 pairs of ladies', gents', misses', youths' and children's shoes, at your own price, 124 N. Jaw Broken.
While witnessing a game of ball at the Trotting track yesterday afternoon William McElroy, residing on North Eureka street, was hit on the lower jaw by a batted ball, which caused a fracture. He was admitted to the Miners' Hospital this morning.

Held For Assault.
Darius Showles was held in \$300 bail before Justice Toomey on Saturday night for assaulting Maggie Navillus.

MAHANOY CITY.
Work on the Kaler water works will commence in a few days. This morning the ground was surveyed and the course for the pipe line into town decided upon. The water will be used for the brewery.

Albert Kudde, of East Centre street, a stone mason employed at the North Mahanoy colliery, had his left leg broken near the ankle yesterday while assisting in raising a boiler weighing 700 pounds to position. The rope parted and the boiler fell on Kudde's leg, breaking both bones. The victim was taken to the Miners' hospital.

Severn Post No. 110, G. A. R., will hold a camp fire at High Point park on August 14, 16 and 17 and on the afternoon of Sunday, 15th, will hold a sacred concert.

Brakeman Killed.
A. W. Leffler, of Tamaqua, a brakeman on a P. & R. freight train, was killed at Newberry Junction at 8 o'clock last evening. He was engaged in getting the train ready for the return trip to Tamaqua when the accident happened. The conductor found him lying dead between the rails. Three cars had passed over his abdomen. It is not known how the accident occurred. The deceased was married a short time ago to Miss Ella Gouliard, formerly of Mahanoy City. The couple had been housekeeping only three days.

The Lang Funeral.
The funeral of the late Phillip Lang, who was killed on the P. & R. railroad at Belle Mead, N. J., took place from the residence of friends on East Oak street yesterday afternoon. The remains were taken to Shamokin for interment.

An Odder Comparison.
"I don't think there is any doubt about the Indiana progressing in civilization" remarked the professor.

"I haven't had very extensive opportunities for observation," replied the young lady, "but the fact that none of the Indiana I ever saw was in the habit of expectorating in the floors of street cars or of using profanity in public leads me to think that they have got a very good start."—Washington Star.

What Woman Owe to Society.

Women stands as the sacred guardian of future homes and our nation's prosperity, and to her must we look for true reform. To her standard must society come. Let her be sure to place it high and keep it pure and make it apply impartially to all people. Let her keep out those whom she knows fall short of her standard and never condone in the stronger sex what she condemns in the weaker. Let her think not to elevate society by hiding or condoning the evils which surround her on every side, but only by shutting out those whom she has found it impossible to raise to her standard. Then future generations will arise who will honor her for their heritage, instead of cursing her for their misery.—Dwight L. Moody in Ladies' Home Journal.

Neuralgia of the Heart

Vanquished by Dr. Miles' Remedies.

MRS. SIDLEY, of Torrington, Conn., suffered from just such a complication of diseases as the extensive experience and investigations of Dr. Miles have proven, result from impairment of the nervous system. Mr. Jas. R. Sidley writes Oct. 25, 1891: "My wife was taken with neuralgia of the heart, nervous exhaustion and liver trouble. Although attended by two physicians she grew worse until she was at death's door. I then began giving her Dr. Miles' Restorative Nervine and Dr. Miles' New Heart Cure, and she improved so wonderfully from the first that I at once dismissed the physicians. She now eats and sleeps well and does her own housework. We have recommended your remedies to a great many in our city, and every one has been very much benefited by them." Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on Heart and Nerves sent free to all applicants. DR. MILES MEDICAL CO., Elkhart, Ind.
