### STILL UNSOLVED.

Hatl's Assatlants.

The six men whom Chief of Police Tosh had confined in the Pottsville jail for several weeks past on a charge of vagrancy were yesterday given their liberty, a nol. pros-baving been entered with the consent of the Chief. This leaves the brutal assault upon John Hall a mystery so far as the identity of the perpetrators of it are concerned. The charge of vagrancy was made only to keep the men in comody until evidence could be accured abowing that some of them were Hall's assailants, but after weeks of delay the effort has been abandoned, although there is little doubt that at least two of the men discharged could clear up the case, if they are not guilty themselves; but it has been impossible to secure the testimony necessary to bring the case for a focus. It may are that the testimony necessary to bring the case for a focus. It may are a that unless that the case for a focus. assatiants "squeals" the gang will go un-punished for that crime. hands were fearfully roasted in the explosion.
There was a large attendance at the inquest. Mino Inspector Stein was present
and D. W. Kaercher, Eq., of Pottsville, was there to represent the Wm. Penn Conl Company. Martin F. Moore, one of the Pottsville court stenographers, accompanied Mr. Kaercher to report the case for future ref-

kaercher to report the case for future reference, as it was anticipated that suits for it
damages will follow, in view of the verdiet
rendered by the jury on the former inquest.
There was a long string of witnesses, including Superintendent William H. Lewis,
Inside Foreman Richard Paimer, Fire Bess
Philip H. Jones, David Davis, Elias Bevan,
Authouy Desme, John Bevan, Oscar Zerbey,
William Grow and Philip Haggorty.
The suitire case was reviewed and much of
the evidence was a repetition of that adduced

the evidence was a repetition of that adduced at the first inquest. The facts as agreed upon by all parties concerned are as follows: Sargent and Lavenberg were engaged in leading cars in the Buck Mountain vein of the colliery on the morning of March 23rd when a part of the West Mammoth gangway (No. 1) dropped into breast No. 8. The cave-th released a body of the gas in the lower abandoned workings and also caused a disarrangement in the air current, which caused the ras to says through the John Ames, larceny, oath Thomas Broderick, of Ellangowan, not guilty; prosecutor for costs.

The libel suit of Senator J. J. Coyle against Thomas J. Joyce, editor of The Black Dismoul was before the court this merming and Coyle's lawyers tried hard to press it to trial, but Joyce's lawyers blocked their caused the gas to pass through libe gangway and tunned to the place where Sargent and Lavenberg ware loading zers. There was as slight explosion of the two men were only alightly, injured. Haggerty was in the tunnel, a short distance from the other men, but there was no explosion at his place, because the was attring down and the gas to pass through libe gangway and tunnel to the place where Sargent and Lavenberg ware loading zers. There was a slight explosion of the place where Sargent and Lavenberg ware loading zers. Cents to \$1.50.

J. J. PRICE'S, North Main St., Shenandoah, Pa.

and Coyle's lawyers tried hard to press it to trial, but Joyce's lawyers blocked their efforts by claiming the present term of court, and gave ball for trial at the "next term of court," hence the case could not be properly called for trial before the September term. The place was sustained and the case went over. The goneral impression at Pottaville to-day was that Joyce will put up a very strong case.

Just try a 10c box of Cascareta, the finest liver and bowel regulator ever made. said he walked out east on the gangway less than five minutes before the cave in occurred and noticed nothing to give him any alarm, Mr. and Mrs. Joseph Peters and Mr. and Mrs. David Grow have returned to Wm. Penu from a visit to friends in Deep Creek Valley.

Daniel and William Gehris have returned home from a several days visit to Pottaville and Tumbling Run.

Misses Fennes (Inc.) and Tumbling Run.

Misses Emma Gunter and Mams Griffiths and the former's brother, Samuel, were county seat visitors yesterday.

Clarence Crobaugh is home to spend the summer vacation from the Lafayette college, Easton. Mrs. John Roberts and Mrs. E. W. Wilde, through the upper workings to the place and sou, Hertram, were Pottsville visitors side and warn them of what had converted to the side and warn t side and warn them of what had occurred. A little school teacher was welcomed at the residence of Mr. and Mrs. H. C. Hooks, on South Jardin street, last evening. When queried by a reporter this morning the happy father smiled broadly.

Meanwhile Sargent, Lavenberg and Haggerty had their way through the tunnel to the West Mammoth gangway and walked towards the wast side of the cave-in. The guard on the other side of the clave-in the guard on the other side of the cave-in the guard on the control of the cave-in the guard of the place of the cave-in the guard of the gu Meanwhile Sargent, Lavenberg and Haggerty Miss Mame Monaghan, of West Oak street, was a noon passenger to Philadelphia.

Phil. Maley returned to town last avening after an absence of several months. he could not get across to give them a light. The best evidence thus far secured as to what happened then was given by Haggerty last night. He testified that David Hopkins, the guard, in answer to the request for a light, told Sargent, Lavenburg and himself that Mrs. D. J. Brooks and Mrs. A. F. Morgan that couldn't get a light, as the gangway had they couldn't get a light, as the gangway had gone down. Hopkins did not give any other gone down. reason, or say anything about gas. The three men ware in darkness. Hopkins was sbout 25 or 30 yards from them. stood there for a few moments and then Sargent asked Haggerty. 'Do you think it would hurt to strike a match?' Haggerty's

answer was, "I don't think." Sargent theu struck a match and the explosion followed. All the witnesses testified that the place was 'on the squeeze." One, John Bevan, said be thought he heard a fall one time in the lower workings and spoke to Fire Boss Jones about it at the slope, but the latter said the fall was in the Holpes vein above. Bevan did not fear any danger from below after agents to meet at regular periods and the control of the that. All witnesses agreed that some collars and a number of legs gave evidence of a squeeze. Several legs were spragged the day

William Grow, a driver boy, testified that the fire boss instructed him to go ahead of the trips in and out the gangway, but gave no reason for the order. Grow mid he obeyed the orders. He was afraid and did wife, three daughters and two sons survive him. Interment will be made at Waverly, Lackawanns county.

ahead of the trips to watch for any old timber that might be forced out and trip the trips. The warning was not based upon any apprehension of a cave-in. The breasts in the lower workings, from Nos. 3 to 11 were worked out but only one and the worked out but only one. worked out, but only one of them had been 'skipped," That was breast No. 3. This one was skipped to make a rock chute. The breast into which the gangway was pulled was No. 8. A similar cave in occurred in breasts No. 12 and 13, but that was about ton To-day's Race Between Cornell, Penn-

Mr. Jones was asked why be did not look into the matter when, a few days before the accident, Revan told him he thought he heard a fall in the lower workings. Jones A SPEEDY CONTEST PROBABLE replied that in the first place the lower work gs were not in his district, and, secondly felt convinced that the fall was in the Holmes vein above, where robbing was going on. He was then asked why he didn't tell the one in charge of the lower workings of the reported fall and replied that it was not the place of a boss in one district to in-

the place of a loss in one district to in-terfere with another district.

The jury reached the following verdiet:

"That the said William Lavenberg's death was caused by an explosion of gas in a gang-way at the Wm. Ponn colliery. Said explo-sion was caused by the falling, or caving in of a perion of the said sanguage little are old. of a portion of the said gangway into an old abandoned breast that had been driven up from a lower gangway, allowing gas that had accommissed in said breast to escape. Said accident was due to the carelessness and neglect of the officials in charge of the inside.

The race will take place over the twoluct of the officials in charge of the inside workings of said colliery."
