THURSDAY, JULY 1, 1897.

AND Jim Smith is truant officer, charge. Virtue is indeed its own reward.

THE ability of an alien to read English may well be made a prerequisite (Thursday) evening under the direction of to his being admitted to citizenship. Mr. John M. Schoppe. The following profor no man can become a good or desirable citizen unless he is able to read our Constitution and laws and understand our institutions; therefore, the 4.8 rule adopted by President Judge a Hemphill, of the Chester county Court of Common Pleas, that all applicants for naturalization guet be able to read and understand English is wise and patriotic and the Judge will be upheld by all good Americans for the norton he has taken, says the North American.

ONE of the most peculiar rallway bus accidents on record happened at Fisher, Minn., Tuesday, on the Great Northern Railway. The track foreman with a gang of laborers were as-the office of Director of the Poor. At the tonished to see nearly half a mile of the track suddenly rise up from the road bed and settle down some six this connection, and he will enter the contest feet away, part of the track going with a strong following north of the mounover an embankment, according to a dispatch published yesterday. The weather was intensely hot and the pitce force, and has always taken an active interest in political matters. This is the first time he has been a candidate for supposition is the expansion of the public office, and his friends predict that he rails was so great that something had will be successful. was at work, and the astonishment of the rost of the trouble. It never fails. the navvies is not surprising.

## Food For Thought.

by the action of the Legislature, dur. ing tickets can have then exchanged for reby the action of the Legislature, dur-ing the past few days, on certain additional. The object of the benefit is a measures of interest to the people of most worthy one, and judging by the number Schuylkill county. Especially is this true in reference to the appropria crowded on the 13th that, when the cantal will be rendered. It should be remembered tions made for charitable institutions in this county. It is certainly a bad of the cantata given for the benefit state of affairs when the Legislature P. M. church, will not admit the holder at will appropriate \$10,000 to a "paper" this time. hospital projected solely to bolster up neglect proper provision for a highly orders of the stomack, liver and bowels. meritorious institution like the Miners' Hospital at Fountain Springs. which has proved its usefulness and which ranks among the best institu-tions of the state. This state of 6th, 1897, at 7:30 o'clock, to receive and

We are not to be understood as any, or all bids, opposing hospitals. But we are unqualifiedly opposed to the prostitution of charity to the political advantage of repudiated political vultures, at the expense of well-conducted institutions from which politics are, and should be, rigidly excluded. The Miners' Hospital at excluded. The Miners' Hospital at Dealer in stores Fountain Springs has been crying loudly for years for increased approloudly for years for increased appro-priations to enable the management Catharine Zimmerman and Lizzie Weisento properly care for the increasing number of cases which a rapidly increasing population forces upon the institution, and the \$10,000 thrown deceased. away upon a political project would

The press of the county, with but a Doan's Contment from your dealer. single exception-and that Senator Coyle's personal organ-condemns the action in strong terms. And this condemnation cannot be attributed to unite in a becoming observance of the to personal motives, because it extends to the leading dailles of the the sermon. state. The Philadelphia Record considers it "a farce for the state to it cannot rake up money enough from only costs 50 cents to try it. the living or dead to run the ones already in existence." Commenting the same city, has this to say :

"Representative Voorhoes' exposure of the fact that an appropriation of \$10.000 to the American Hospital Association was for the allegest purchase of surgical instruments for an institution that has not been built, and for which not even a site has been selected, did not prevent the House from going shead and passing the House from going shead and passing the House from going shead and passing the House from the House from going shead and passing the house for the hou

Were it deemed necessary we might quote from many other leading jour. Quick, of Blythe township. nals, the criticisms of which all tend in the same direction. This is sufficient, however, to refute the charge Rases. C. H. Hagenboch. that personal motives actuate the position of these journals. The HER-ALD is pleased to be classed among those that have the courage to expose friends, will leave the foot of Main street to the fraud perpetrated upon the work-ing people of the region, and it will an hour on the pastor of the M. E. church in continue on the same line until it has been shown to the satisfaction of delightful time those most directly interested that the charge, made in public print, and up to the present time never denied. that the "roll of honor" is as ficticious as some of the "personal expense" bills in the Legislature, is entirely unfounded, and that the projector is stomach and earliching and purifying the

honest in his efforts. however, to present further argument sine and write that now they "can cat to show what we have said on this anything they wish without distress." question has been solely in the interest of the legitimate charitable insti-tutions. The mere statement that sold by druggests. \$1, see for \$5. Get Hoon's. 

Coyle's organ-has attempted to de fend this misappropriation of the state's funds, when legitimate and worthy institutions are so sadly in need of assistance, is sufficient for all fair-minded people.

We are, we repeat, not only not opposed to any project, be it hospital or what not, which is to the benefit of Schuylkill county, but we are unname of charity, and this we believe is the case with the so-called "American" hospital, for which we know, despite assertlons to the contrary, not even a site has yet been secured.

PHILADELPHIA TIMES

THIS MORNING? THE TIMES is the most extensively circulated and widely read mussiager published in Pennsylvania. Its discussion of public measures is in the interest of public integrity, homest government and prosperous industry, and it knows no party or personal allegiance in treating public issues. In the broadest and best sense a family and general newspaper.

THE TIMES aims to love the largest circulation by deserving it, and chaims that it is unsurpassed in all the essentials of a great metropolitan newspaper. Spectmen copies of any edition will be sent free to any one scuding their address.

TERMS\_DAILY, \$3.00 per annum; \$1.00 for four months; \$0 ecuts per months; \$0 livered by enrices for 6 conts per week. \$UNDAY EDITION, \$2 large, handsome pages\_24 columns, elegantly illustrated, beneutiful colored supplement \$2.00 per annum; \$2 cents per copy. Daily and Sunday, \$3.00 per annum; \$6 cents per month.

Address all letters to THE TIMES.
