THURSDAY, JULY 8, 1807.

Ir appears that Director Coughlin. Is a "bigger man than ole Grant," at least, he is learning the trickster a thing or two in the proper manage ment of the public schools, and at the same time making an enviable reputation for himself as a custodian of the schools.

THE Ohio and Iowa Democrats are auxious for a delay in the Debs communistic movement. It may cause them the loss of quite a number of votes with which they expect to recruit their ranks this fall in view of the principles of the platforms which they have adopted, and they recognize the fact that they have no votes to spare.

THE President will reorganize the Civil Service Commission after Congress adjourns. It is said he will re-Cleveland during his last term, extending the Civil Service law, Mr. Cleveland placed 35,000 positions ing places outside the Civil Service law :- The Government Printing Office, the Bureau of Engraving and Printing, private secretaries and confidential clerks and deputies in the revenue service.

SPRAKING of the great responsibility of the Governor in considering Dealer is stores the many bills now before him, the Philadelphia Press editorially says: "It is well known that in making these appropriations the Legislature is rarely careful in its discrimination. Action is not always based upon triets some institution is located that Milwaukee. may claim state aid believe it to be to The 63d cricket match between elevconspicuously illustrated by the fact ator Davis, its chairman, for torn that the Schuylkill members were en- to consider the Hawaiian annexation abled to secure a \$10,000 appropriation for the maintenance of an instiwhich there is not so far even a site.
