There is no doubt of it. When a conservative Democratic newspaper like the New York Journal of Commerce says business is improving, nobody can doubt it.

WONDER if the Senatorial "dignitary" met with the same cool reception here yesterday that he did with one of the \$1,000 contributors in Mahanoy City this week, when the latter refused to stand and deliver.

"WHISKY kills more people these hot days than the rays of the sun," says a Philadelphia physician. "The man who fills himself up with alcoholic drinks to enable him to resist the heat is simply a fool," he added.

THE Senate Committee on Commerce decided unanimously to make a favorable report on the nomination of B. H. Warner, Jr., to be Consul at Leipzig. This is the nomination which was so vehemently opposed by Senator Wellington, of Maryland.

It is now written ex-Senator. Two months hence it will be plain John Jackass Coyle, and none there'll be so low as to do him reverence. Even "Friday" O'Donnell is tiring of the herculean task of bolstering up the cause of a discredited politician for "revenue only."

WITH a paid circulation of less than 300, Coyle's American can well afford to carry "dead" advertisements. If "Friday" O'Donnell is given sway much longer and the "personal expense" bills meet with a veto, the Sheriff will have business at Mahanoy City shortly.

THE New York Sun frankly declares its preference to associate itself for the time being with the sane and sober element of the Republican party rather than with the revolutionary combination of the nominal Democratic party with Populism and the wild and dangerous elements of the Republican party.

THERE was applause in the House of Representatives when the announcement was made of the return of the tariff bill from the Senate, but it was as nothing to the chorus of joy which will go up from the nation when the proclamation goes forth that both House and Senate have turned the measure over to the President.

THE lines between the gold Democrats and the silver shouters are being as closely drawn as last fall. Chairman Bynum of the gold Democracy has opened headquarters in New York and announces that he and his party are ready to hit a head whenever they see one in the coming campaign, provided that head favors the free coinage of silver.

CLEANLINESS is akin to godliness. It is not only conducive to public health, but to public comfort also. Everybody feels better in a clean house, with a clean yard in its rear, and a well cleaned street in front, and a natural supposition would be that as such health promoters are calculated to bring real, solid enjoyment with them, everybody would be in favor of it.

THE real status in the United States Senate on the final passage of the tariff bill, including those who were paired, was as follows: For the bill—Republicans 43, Democrats 1, Silver Republicans 2. Against the bill—Democrats 23, Populists 2, Silver Republicans 1. Not voting—Populists 5, Silver Republicans 2. It will be seen that not a single Republican flinched, and only one Democrat finally broke away from his party.

THERE is every reason for believing that ex-Congressman Sibley will be the gubernatorial nominee of the Democrats of Pennsylvania next year. There are many reasons why he should be their standard-bearer the principal one of which is that he was the original free silver Democrat in the state. If silver is to be the issue in Pennsylvania next year, Mr. Sibley is the logical candidate. He is not only the best campaigner in the Democratic party, but he is rich and is not afraid to spend his money, even for a lost cause.

Gov. HASTINGS has a great amount of very important business on hand, business that demands careful consideration. He has before him a large batch of bills passed by the Legislature near the close of the session, and not a few of them delayed until within a short period of adjournment, in order that amid the haste and confusion they could be pushed through without the thoughtful consideration to which they were manifestly entitled. Some of the enact-

ments referred to him are of such a character as not to be entitled to a second thought. They ought to be vetoed. The Governor has announced that the small charities will receive the appropriations granted them. Consideration of the general appropriation bill will not receive Executive consideration until after the 15th inst.

NO SLEEP FOR THREE MONTHS. One Cause of Sleeplessness That Can be Readily Overcome.

Mr. Wm. Handcho of 4th St. Cotton Alley, Pittsburg, Pa., expresses himself as follows regarding the new remedy for that common and obstinate disease, piles: "I take pleasure in stating that I was so afflicted with piles that for three months I got no regular sleep; I became completely prostrated, the doctors did me no good; my brother told me of the new remedy for piles, the Pyramid Pile Cure. I purchased from my druggist three 50 cent boxes and they completely cured me. I am once more at my work and led for this excellent medicine. I should be on my back. I take great pleasure in writing this letter because so many people are sufferers from this trouble who like myself did not know where to look for a permanent, reliable, safe cure.

Experience with the Pyramid Pile Cure in the past three years has demonstrated to the medical profession, as well as to thousands of sufferers from piles, that it is the safest and most effective pile cure ever offered to the public, containing no opiates or poisons of any kind, painless and convenient to handle, and being sold by druggists at 50 cents and \$1 per box, is within the reach of every sufferer.

Very frequently two or three boxes have made a complete cure of chronic cases that had not yielded to other remedies for years. There is scarcely a disease more aggravating and obstinate to cure than the various forms of piles and it is a common practice to use ointments, salves and similar preparations containing dangerous poisons to remove the trouble. The Pyramid has superseded all of these ineffectual remedies and to one suffering with any rectal trouble will make any mistake in giving the Pyramid a trial.

If in doubt as to the nature of your trouble send to the Pyramid Drug Co., Albion, Mich., for a valuable little book on piles, describing all forms of the disease and describing the method of cure.

Any druggist can furnish the Pyramid Pile Cure as it is the best known and most popular remedy for piles and if you ask him he can doubtless refer you to many people in your vicinity who have been cured completely by it.

HE HAS NO EQUAL

So says W. H. THEEL, and means to the truth of the following: That he suffered the most with rheumatism, sciatica, neuralgia, and other ailments, and that he was cured by Dr. Theel's Blood Purifier. He has no equal in the world.

DR. THEEL 604 North SIXTH ST. PHILADELPHIA, PA.
