MONDAY, JULY 12, 1897.

A Dying Gasp.

It is amusing to those well informed to watch the antics of Cayle's Amer Pharoah's hosts. But as he is chasing lean in an effort to bolster up the the district at a lively rate for delewaning political power of the paper's gates to support him for delegate to have the putative owner. They are the dying the state convention, he expects his gasps of a discredited politician. It simulated interest in behalf of "the would appear to be a waste of time down-trodden workingman" to land and energy, and an uncalled for im- him a few delegates, and thus help to position upon our readers, to refer to fasten his hold upon the party enough the man whose term as Senator from to enable him to capture the nominathis district practically expired with rion for Senator again next year. His the close of the Legislature, were it hypocrisy is so apparent, however, ark.7; Athlete.7. Second game: Newark, 8 that fit is an insult to the gentlemen to the fact many armin numerical delegant and armin and armin and armin and armin and armin and armin arm the close of the Legislature, were it hypocrisy is so apparent, however, paralleled audacity, again appeared of the convention to think that they before the voters of this district in can be boodwinked by any flimsy his well known character—an office means of this kind.

Having occupied political position almost continuously since his advent instead of his own, in this "hospital" into the Republican party, he still hankers after the "loaves and fishes."
All must admire his nerve. And this nerve is of the triple expansion.

Converting order as a must be appropriation for the more nearly approximation of the triple expansion.

Converting order as a must be appropriation for the more nearly approximation of the triple expansion.

Converting order as a must be appropriation for the more nearly approximation of the triple expansion.

Converting order as a superior order as a must be appropriation for the more nearly approximation of the triple expansion.

Converting order as a superior order as a superior order or superior order as a superior order or superior order order or superior order order or superior order order or superior order o nerve is of the triple expansion, to a figure more nearly approximatcapper-lined order, as must needs be ing its necessities, as it is a well-In one who has betrayed every trust known fact that this institution's of the Republicans of the Thirtieth crippled condition works disadvanof the Republicates of the University of the Education works disadvandistrict. John J. Coyle—as it is now written, and will continue to be furnished so the uniform tageously to the needs of the uniform the continue to be furnished to the uniform the continue to be furnished to the uniform tageously to the needs of the uniform tageou written, and will continue to be tunates among as whose injuries comwritten in the annals of Republican pel them to seek the benefit of the record for himself, and the day of that institution. But the real needs tag his neek, He was taken to the tag that institution. But the real needs of the "poor unfortunates" are sub-dies boultat. Mohr had a companion poor.
