Under instructions of the State Factory Inspector, every bike shop in the state will undergo a thorough inspection.

It is said an important conference between county leaders will be held shortly, having a bearing on the Republican ticket to be nominated this fall and the one a year hence.

The enforcement of the alien tax law in this section has brought to light many illegal voters. And some of them have been exercising the right of franchise for a number of years.

We are obliged to Senator Wellington, of Maryland, for proving to us that "senatorial courtesy" has its limitations. Governor Hastings has demonstrated the same thing in this state.

A GRAMMATICAL duel is raging between a New York paper and the Lieutenant Governor of the state regarding the use of "will" and "shall." It is too profound a subject to spring in hot weather.

In the 222 pupils of the Chicago grammar schools who reached the highest grade of efficiency, 197 were girls. The co-education of the sexes will be a failure unless the boys can keep up better than this.

ON Saturday the employees of the Homestead steel works received pay for full time, the first in more than two years. The works are now working every day with a complete force, and expect to continue indefinitely.

A NEW YORK clergyman says the money spent in firecrackers on the Fourth should be devoted to benevolence. He does not seem to realize that firecrackers are a benevolent device to keep the boys from firing cannon on the national holiday.

We agree fully with the Philadelphia Ledger when it says that "the best time to work for good legislation is when members of the Legislature are to be nominated and elected." The voters of this district, at least, have learned a lesson and will heed the advice herein given.

If it be true that there is a break between Senator Quay on the one side and Governor Hastings on the other, it will precipitate an interesting contest in the state convention next month. The Governor is anxious to have his friend Major McCauley nominated for Auditor General.

THE Borough Council of Ashland, according to our friend Han Tiley, of the Telegram, are greatly agitated over the momentous question as to the legal right of the Solons to purchase inexpensive fans. The question remains undecided; but, of course, Tiley favors anything to keep the Councilmen cool.

REPRESENTATIVE SKYFFERT, of Lancaster, who was chairman of the Eastern Penitentiary Non-Investigating Committee, has cut down the bill of expenses of his junketing committee from \$14,800.15 to \$6,854.74. Now it seems peculiar that if the original bill was just, fair and legitimate, why was it cut down?

SECRETARY GAGE, who has exceptional facilities for testing the business facilities of the country, said in a recent statement: "The evidence I have obtained from all sections of the country, from the press, from callers, from persons, and from correspondence, all points in one direction, an actual improvement in trade and manufactures."

MOTHER JULIA, Provincial Superior of the Sisters of the Notre Dame, of Namur, Belgium, officially announced the establishment of a Woman's Catholic College, to be conducted under the auspices of the Catholic University, directly opposite the Soldiers' Home, at Washington.
