COURT CHRONICLE.

Judge Bechtel Yesterday Held Motion Court-Sentences. The court granted a charter to the McAdoo fire company. In the matter of tax collector for New Philadelphia, the court stated it was unable to secure any person to accept the office, and no appointment was made. A petition signed by some sixty persons of Porter township was presented, praying for the appointment of viewers to change the lines of the election district of that township. An inquest was held in the county of Alfred Lidenbach, of Schuylkill Haven, on motion of C. E. Berger. Charles A. Snyder filed the petition of David Lavenberg for a divorce from his wife Mary. He also asked the discharge of Harvey Nunnemacher under the insolvent laws. Attorney Hombarger asked for judgment for want of an appearance in Lewis Harberger vs. Joel Ser and Franklin Kershner vs. John A. Kershner. J. N. Linnawaver requested action in the case of the Tamaquos B. & L. Association vs. William Welby and others. J. P. Ulrich asked the appointment of an examiner in the divorce case of Humber vs. Humber. Watson F. Shepherd moved for a rule on the defendant in David Zehner vs. L. C. & N. Co., to show cause why the appeal from the arbitrators award of \$18,000 for coal dirt damages should not be set aside on the record. It was granted and made returnable September 6th. S. B. Edwards asked for a jury's inquiry, the week beginning September 6th, into the mental condition of Max Biese, of Shannock, the petitioner of his wife stating that he is suffering from delirium and that the doctors believe that he may, by care in an institution, be restored to his previous condition of mind. George M. Roads obtained an order of court directing the advertisement of the sale of the Potsville iron and steel works in the Chronicle, Democrat and Republican, and the Evening Bulletin, of Philadelphia. A number of applications for judgments for want of appearance or want of defense were presented and granted. Judge Archibald has notified the District Attorney that he will be in Potsville the first Monday in August to pass sentence upon four indicted felons. Distribution statements were filed in the following estates: Polly Balliet, Ann Wyllan, Was. Steiner, and Sarah M. Beck, all deceased. In the estate of Samuel Drescher, deceased, Court appointed E. A. Briesch trustee of said estate. Charles A. Briesch and directed the filing of a bond in the sum of \$300. Joseph Schablen was appointed guardian of Harry Reedy, minor child of Mary A. Reedy, late of Norwegian township, deceased. Bond in the sum of \$800 was filed and approved. Don't nauseate your stomach with tea and bitter herbs, but regulate your liver and sick headache by using those famous little pills known as Dr. Williams' Little Early Risers. C. H. Hagenbuch. School Directors Sentenced. Judge Bechtel yesterday sentenced Messrs. James Kenne, Martin Delaney, Joseph Clemons, Michael Conroy and Michael Whalen, Blythe township school directors, convicted of embezzlement, to six months imprisonment each in addition to the payment of costs, waster from office and the restoration of property. At the same time he sentenced Charles A. Breckon to serve out of office charges and Kenne has fifteen months. Thomas Devlin was sentenced to but four months imprisonment in addition to the waster from office, costs and restoration of property because the jury recommended him to mercy on more counts than they did the others. Charles A. Breckon immediately appeal for the first five named and James W. Ryan spoke for Devlin. Judge Bechtel gave the defendants a severe lecture, saying the schools were really a charity and they had been taking away some of the money. He said he had information before him which stated that they had embezzled \$200 on the charts, \$200 on the seats, \$200 on lighting rods, and \$750 from teachers, amounting to \$275 for each director. One of the number had received \$10 a month from the father of one of the teachers and a crippled boy janitor had been turned away to make room for a man relative of one of the directors. He would make the sentence less because the men were in prison. "If taken into the head by the nostrils two or three times a week, Thomas' Electric Oil will positively relieve the most offensive case of catarrh." Rev. E. F. Crane, Dunkirk, N. Y. Deaths Recorded. From Potsville Republican. How is this? It was given out on seeming official authority at Washington recently that the Congressmen from the several Republican districts would have the giving out of the post offices therein. Later news comes from Shenandoah that Senator Coyle has promised the postmaster of that town to turn three different men in consideration of their turning in a few delegates to vote for him for State Delegates. MASS OF CUTS. PITHY POINTS.

Minor Hurt at Boston Run Colliery by a Premature Blast Yesterday. Entered in a man of bandages resembling an Egyptian mummy is the condition Joseph Manufski is lying in at his residence on West Lloyd street. Manufski is employed as a miner at the Boston Run colliery, and late yesterday afternoon after preparing a blast, he charged explosively prematurely before he could reach a place of safety. The coal flew about him like flying bullets in a hurricane. He received several large and ugly cuts on the left side of his body, was cut about the left side of the face and his right arm and hand was considerably lacerated and the right thigh was exposed. The injured man was removed to his home in the ambulance and Dr. W. N. Stein was summoned and dressed his injuries. It required several hours of hard labor to perform the task.

PERSONAL MENTION.

London, was the guest of Miss Sarah Howe, on East Centre street. Andrew Doyle, of South Pine street, is reported as lying in a critical condition at 315 home. E. M. Weidensaut, of Lewisburg, is the guest of his brother, Harry, of the Ferguson House. Mrs. Maria Woods and daughter, Lizzie, and son, Harry, are visiting relatives at Trenton. William Maley, Sr., and son, William, started on a trip by team to Reading this morning. Mrs. Jerry Davidson, of North Jarrin street, gave birth to a bouncing baby boy yesterday. Miss Bridget Tolin, of Lunest Gap, is in town the guest of her cousin, Mrs. Brennan, on West Centre street. Louis Cline, the Hazleton brush manufacturer, transacted business in town yesterday. Mr. Clausen resided here a short time ago. Patrick Devine has severed his connection with Joseph Purcell, the grocer, to accept another position at his home in Centuria. Miss Bessie Wadlinger, of Potsville, is being royally entertained by Miss Lizzie Stank, at her residence on North Main street. Mrs. Hutton, Mrs. Charles Blaker, Mrs. Isaac Conway and Mrs. Joseph Dunto, composed a party of ladies who sought recreation at Tumbling Run today. Prof. J. A. Whitelock, of Cape May Court House, N. J., returned to his own country this morning after spending a short vacation here as the guest of his brother, H. L. White-lock, the also dealer. Personally-Conducted Tours via Pennsylvania Railroad. That the public have come to recognize the fact that the best and most convenient method of pleasure travel is that presented by the Pennsylvania Railroad Company's personally-conducted tours, is evidenced by the increasing popularity of these tours. Under this system the lowest rates are obtained for both summer and winter excursions. An experienced tourist agent and chamberlain accompany each tour to look after the comfort of the passenger. The following tours have been arranged for the season of 1907: To the north (including Watkins Glen, Niagara Falls, Thousand Islands, Montreal, Quebec, Au Sable Falls, Champlain, and George, Saratoga, and a daylight ride down through the Highlands of the Hudson), July 27 and August 17. Rate, \$100 for the round trip from New York, Philadelphia, Baltimore, and Washington, covering all expenses of a two weeks' trip. To Yellowstone Park, by special train of Pullman sleeping, compartment, and observation cars and dining car, allowing eight days in "Wonderland," September 2. Rate, \$235 from New York, Philadelphia, Baltimore, and Washington; \$225 from Pittsburg. To Niagara Falls, excursion tickets good to return within ten days will be sold on July 22, August 5 and 19, September 4 and 16, at rate of \$10 from Philadelphia, Baltimore, and Washington. These tickets include transportation only, and will permit of stop over within limits at Buffalo, Rochester, and Watkins on the return trip. Ten-day tours to Gettysburg, Lucy Cavert, Natural Bridge, Virginia Hot Springs, Richmond, and Washington, September 28 and October 12. Rate, \$65 from New York, \$63 from Philadelphia. Those Naturalization Notes. Mr. Ulrich presented the preamble and resolutions adopted at the last meeting of the Bar Association requesting a change in the rules relating to naturalization of foreigners, asking that action be taken so that the new rules could go into effect before the next session of court, September 24th. Judge Bechtel held that nothing would be done to have conference with at least one or both of the other judges. He further stated that some of the suggested rules are already in effect here, as the court has been refusing to naturalize residents of other countries, but he was not prepared to say the others would be adopted. On a Tour of Inspection. Dr. Caldwell Bidde, a member of the Board of Charities, was in town today for about fifteen minutes. He was designated by Governor Hastings to make inquiry into the proposed Mahanoy City hospital, but from what we can learn his inquiry was confined within a limited scope. He arrived in Mahanoy City this morning and was immediately taken in charge by David Graham, one of the proprietors of the American, and Hon. Joseph Wyatt, of town, and after a short interview with Edward Stillman, treasurer of the hospital association, left for Shenandoah, arriving here on the Reading car about 1:30 o'clock. The party immediately boarded a Schuylkill Traction car for Girardville. Visiting His Brothers. Max Reese left this morning for Wilkes-Barre. He will be met there by his two brothers, Prof. Bert and Joseph Reese, of Chicago, who have been visiting the East and who are the guests of their brother-in-law, Jacob Braund, of Wilkes-Barre. Mr. Reese will endeavor to induce Prof. Reese and his brother to come to Shenandoah for several days. The former was a visitor to town several years ago and had good reports here as a noted reader of run ability.

COLORADO PROSPERING.

The Organization of a Fire Department Creates a Building Boom. The residents of Colorado are all glad since the organization of the fire department in that village and the resumption of operations at Tucker colliery No. 5. Many of the residents have expressed their willingness to take more active interest in the welfare of the village. One of the leading citizens, P. J. Carr, has created a building boom. The building now occupied by him will be moved to another location and will be entirely remodelled. The lower floors will be utilized for dwelling purposes, and the second floor will be made into a public hall. The Colorado fire department will establish quarters there. On the site of the old building the proprietor will erect a large double block of houses to be used as his residence. The first floor will consist of a large and spacious store room.

MAHANAY CITY.

Owing to the protest of Rev. Pontonius, of the Lutheran Roman Catholic church, the residents of Mahanoy City refused to reply to the instructions of Deputy Coroner Fogarty, to examine the body of Anthony Milewski, for the purpose of holding a post mortem examination. It is not likely that the exhumation will be made. Anthony Romanoski was held in \$300 bail on a charge of assault and battery preferred by August Navitskas, last evening, by Justice May. The wedding of Miss Kate, daughter of Charles Metzinger, the East Centre street grocer, and Frank Leonard, a baker of Girardville, will be solemnized in St. Fidelis church on Wednesday, the sixth inst. Newton Ross, leader of the Citizens band, has received the sanction of the League of American Wheelmen to hold bicycle races at Lakeside on Saturday, August 14. The annual picnic of the band will be held in connection with the races that day. The interest among the cyclists is growing steadily of the coming bicycle race between Davis and Brower, of Girardville, which will take place on August 7th. Both riders are in training here. The race will be for the two time made in two heats out of three two-mile heats. Brewer was declared the champion of Girardville in a recent road race at that place. Matthew Stein, son of Mine Inspector Stein, who recently disposed of his drug store here, is contemplating the study of medicine. A wreck occurred on the P. & R. railway yesterday between Barnesville and Lakeside in which two coal cars were smashed into kindling wood. Work on the plowing up of East Centre street was begun this morning, prior to the beginning of paving the street. Philip Senoczek was before Justice Ketter last evening on a charge of trover and conversion preferred by Frank Pesoski. Philip wagged that there was something wrong with Frank's watch. He was given the privilege to examine it and walked off with the timepiece. In the Justice office he did not deny having taken the watch and said the owner was a fool. He was committed to jail, and said that was just where he wanted to go. The funeral of John Halkyard, who died of injuries received at the Schuylkill colliery, took place this afternoon. Mahanoy City Lodge, I. O. O. F., attended the funeral. Mrs. Mary Black died at the home of her aunt, Mrs. Thomas Brennan, of Jackson, Pa., last night, after a long illness. The deceased had gone there for the benefit of her health, and was favored with improvement. Later she received a relapse which caused her death. Owing to a lack of orders the Mahanoy City mattress factory has closed down for a period of several weeks. The funeral of Mrs. Bridget Gibson took place from the home of her daughter, Mrs. Hugh Hanson, this morning. It was very largely attended.

Victims of Kurdish Brutality.

New York, July 25.—Garpur Margarian, an aged Armenian, was the leader of a party of 35 tourists who arrived here yesterday in the steamer of the Dutch steamship Spaarndam from Rotterdam. The party came from Harport, in Anis Minor, the scene of a bloody massacre by the Kurds. "We left our homes, and the most of our property," said Garpur, "before we left our native land. Our only hope was to give information to the Kurds, had his head rict in twain by one blow of the sword. Hagot Kanigian, a rich farmer near Harport, was brutally murdered by 19 Kurds, who descended on his house and demanded money. They promised to let him leave up his health, but on receiving it they bound him to a chair and hacked off his arms and legs. His only daughter, a girl of 20, was taken captive."

Lightning Kills Mother and Son.

New Kensington, Pa., July 25.—Mrs. Elizabeth Greer, wife of Samuel C. Greer, a farmer living near Morwin, seven miles east of here, and her 11-year-old son, James, were instantly killed by lightning yesterday. Mrs. Greer was churning. Her two boys and her daughter were standing just outside the door and her husband was in the left overhead when the bolt struck a tree near by, passed down to a wire clothesline, ran along it and picked out the 11-year-old boy, who was standing with his mother and sister, and tore and burned his body in a shocking manner. His mother, who was churning a few feet away, was instantly killed, but not a mark was left on her body. The heard she was standing on was splintered to pieces.

British Ambassador Poisoned.

Paris, July 25.—Sir Edmund Monson, the British ambassador, Lady Monson and their whole household were apparently poisoned Sunday by a dish of shell fish served for dinner. At one time it was feared that death would ensue in the case of several members of the household, but they were saved by prompt medical attendance and drastic remedies.

Fugitive Murderer Captured.

New York, July 25.—A man who is believed to be Philip Metz, wanted in this city on a charge of murder, is under arrest in Newark, and the authorities here have been informed of the capture. Metz on March 4 last shot Mal Franklin a concert satown singer, with whom he had been living, during a quarrel, and made his escape. Ten days later the woman died from the effects of the wound.

Falled to Equal Their Records.

Detroit, Mich., July 25.—About 5,000 persons saw John B. Gentry and Robert J. base exhibition miles at the Gross Pointe track yesterday. Gentry made the mile in 2:04, Robert J. being a second away. The track was in fine condition, but the air was rather oppressive and scarcely ideal for record breaking.

Carried to Death by the Current.

Pittsburg, July 25.—While fording Elk creek near Reading, Pa., during the night a wagon in which were eight occupants was swept away by the current. Four of the occupants succeeded in reaching the shore in safety, but James Body and wife, of Elizabeth, Pa., were drowned. Their bodies were recovered.

IT'S EASY ENOUGH

To sell your shoes if we can get you into our store. Once you're here, see our shoes and know our prices, you'll do the rest.

And to bring you to the store is why we print this "ad" every day. We want your first order; we're pretty sure of the next, and the next, if we get that. We know there's no store in this town that is doing, or that can do as well for you as we. If everybody else knew it as thoroughly as WE know it, our store would be several times too small.

THERE ARE OUR TAN SHOES

For example. Ordinary stores ask 25c and 50c more than we do for them, and get it, too. They don't get it as often as they need to, because we have so much of their business. And the charm that does the price-lowering is Factory Price.

Women's tans, \$1, \$1.25, \$1.50 and \$2.00.

Misses' tans, 75c and \$1.

Men's tans, \$1.25, \$1.50 and \$2.00.

Boys' tans, \$1.00, \$1.25 and \$1.50.

Checks for amount of purchases made, are given every customer. \$25.00 worth entitles you to a handsome Parlor Lamp.
