THERE is a nice opening in Alaska statement is discosdited. for several of Schuylkill county's discredited politicians. They will never make a Klondike strike here in the political field.

CHAIRMAN EDWARDS has issued a call for the meeting of the First Legislative district convention, to be as for as 1812. The scale and fasten-convened at Mahanov City on August lines of the documents were broken convened at Mahanoy City on August 7th. The call will be found in an-

THE Republicans are taking much large number of candidates makes it not only interesting, but adds a grain of uncertainty as to who will be the successful nominee.

THERE are about twelve million dollars disbursed annually for public buildings by the United States government. It would please the people of Pottsville to get their quota of that amount quickly.

WILLIAM WILHELM, the brainy silver advocate, has received a box of grapes from his friend, Senator B. T. Tillman. It is to be supposed that the grapes were sweeter than the defeat suffered by our silver friends. and afforded them more satisfaction and pleasure.

A WRITER in the current number of the Forum dolefully recites the alleged fact that we cannot have any social standards in the United States, for the reason that we have no ranks. no classes, no order of precedents. such as are encountered in Great Britain. Is this a blessing or a curse?

THE publisher of an advertising journal says: "The one-price-in-plainfigures plan saves time; and time is money, and money is what Americans ever so apparent as when the one price is put in plain figures where the ore question clinging to a chair and whole community may see it at a

For the first time in the history of the National Republican League it Care has taken its president from a Southern state. The commonwealth thus recognized is Kentucky, which deserves the honor because it elected a shippers of Virginia have sorgunized vernor, gave McKinley twelve electorial votes and elected Republican United States Senator.

MR. TALLIE MORGAN, the well known Probibition advocate and writer, is now in full charge of The Editor, published by the National Press Bureau, New York, a paper devoted to the Prohibition cause. The Editor is published monthly at the nominal price of 10 cents a year. It bears the impress of Mr. Morgan's caustle pen in every column and ought to have a big circulation among the Prohibition people.

THE School Board met last night and did what they should have done three weeks ago-elect the old teachers. Fortunately for the schools and their general welfare the political tricksters were halted in their mad rush for a general removal, to make room for their friends. And to caped by a mere chance Director Coughlin is due the credit, who has so early in his career as a public official shown himself to be would have been different; they were better Judgment of their First ward colleague, and vote for all the old

THERE are many people on the ragged edge in this state who will remain there for the next few days. They are people who have been asked stronger patrolling force up to Bering by the Governor to explain why they should have certain sums set apart for them as members of investigating for them as members of investigating sailed for Bering sea, and they will be committees. Among them is the followed in a few days by the Amphion. Senator from this district. Governor a powerful cruiser of 5,500 tons and to Hastings has made up his mind to guns. Besides these vessels, two others accept of no man's word in regard to need one of them being the Bainbow, the discredited expense bills of legislators, unless it is put in the form of writing, therefore all who have come to him with explanatory statements liave been referred to a stenographer or typewriter, with instructions to In its thousands of forms is the most terhave what he desires the Governor to know put in black and white. If there should chance to be some slips and are cured by the great and only True of memory in those written state- Blood Purifier, Hood's Sarsaparilla. The ments there will be an opportunity afforded the Governor to test their culosis, or consumption, is curable by truthfulness. These bills have not yet been approved, and the Governor said yesterday that if any citizen knows of any wrong item he will be Hood's Sarsaparilla performing a public service by giving | Hood's Pills cure sick headache. 250.

him prompt notice of it. "There are yet eight days before I am required to pass upon the general appropriation bill," he adds. "Let the newspapers or the individuals who are finding fault with it come forward

Ann little "Marty" Whitaker was the hospital, where she died. The left out in the cold. And there were, Jones woman, who is in fall, declares they had a quarrel over a 50 cent others. Truly, the average being is piece; and that the deal woman started to cut her. She took the weapon away and used it on her assailant. Her

A Costly Spill. Brooklyn, July 22.-Twelve document cases in the office of the clerk of Kings county toppled over yesterday, causing a chaos that it will cost \$190,000 to correct. The cases were filled with in-dexed records of court proceedings and other official papers dating back and the papers so inlied up, tern and defaced that many months of work by a large force of experts will be re-

Interest in the Shrievalty fight. The Death of Unitered President Caldwell Cleveland, July 22.—Generat D. W. aldwell, president of the Lake Shore and Michigan Southern rallway, died yezterday at his residence on Lake avenue. He was attacked a week ago by goot, which was followed by cold ed neuralgia. General Caldwell was ormerly general manager of the Penncylvania lines, was president of the Nickel Plate, and succeeded John Newell as president of the Luke Shore.

> A Remarkable Woman Cyclist. Toledo, O., July II.—Lizzle Glaw, the German champion bleyelist, has made a new outdoor world's record for women riders. In one hour, at the Casino track, she rode 27 miles and 4½ laps, 14 tage to the mile.

NUGGETS OF NEWS.

Antenie lialibries, who murdered Joseph Sokap in Milwaukee ten days ago, was captured in Floston last night. Seven convicts in Kings county penitentiary, New York, have become in-same as an effect of the abolition of contract convict labor.

Guests of a wealthy Paterson (N. J.) man had a narrow escape from death and injury from an infernal machine. opesited by an unknown miscreant. The H-year-old daughter of William Phompson, near Lancaster, Pa., was bitten in bed by a copporhead snake, and is in a dangerous condition.

Mrs. Samuelson, daughter-in-law of Sir Bernhard Samuelson, was burned to death in London by the ignition of a troleum hair wash she was using. A deputy sheriff and a policeman BUTCHING.

"Terays but One Minute", said the public speaker in a busky voice; and then he took a doss of One Minute Cough Cure, and pro-ceeded with his orntory. One Minute Cough Cure is unsqualled for threat and Isna troubles. C.H. Hagenbuch.

Virginia Pine Shippers Organize, Richmond, Va., July 21. - The pin for their product. The organization Odell, of New Kent county, as prest dent, and Mr. J. N. Harris, of Nov Kent county, as secretary. There is in New York and Philadelphia a sufficient quantity of pine would to last those cities about three months. It is also stimuted that there is ready for ship ment in Virginia about \$0,000 cords of wood. No wood is to be shipped to copt what is already contracted for.

Children Murderously Assaulted. Wheeling, W. Va., July 12.—At a farmhouse near Moundsville two boys. Stanley Mason, aged 12 years, and Willie Mason, aged 4 years, were attacked by an unknown man with a briar hoe and terribly cut and beaten. The older boy will die. Mrs. Mason and her husband separated four years and Mason, went to the lower end of the state. The authorities believe he committed the deed, and a reward for his capture has been offered. He attempted to idll his wife after the
