**PROF. REESE'S POWER.**  
The Brother of Our Townsman Discloses  
the Future.  
Prof. Bert Reese, of Chicago, the noted  
clairvoyant and mind reader, is in town for  
a few days the guest of his brother, Max  
Reese. He will remain here until Monday  
evening. During his stay here Prof. Reese  
will give exhibitions of his wonderful powers  
in the occult art, at the residence of his  
brother, 805 East Centre street. The pro-  
fessor was here four years ago, and for in-  
stance to many of our people. Last evening  
he entertained quite a number of people  
by his extraordinary powers of mind read-  
ing.  
The professor paid a visit to the HERALD  
sanctum this morning, and after a very  
pleasant conversation requested the editor to  
write on separate slips of paper his mother's  
maiden name, the first paper he had written  
for and to write four questions. These slips  
were prepared while the mind reader was in  
an adjoining room. Before telling their  
contents the slips of paper were folded several  
times and then placed in a box. The contents  
were then announced telling the newspaper  
man his mother's maiden name, what paper  
he first worked on, that he was the first of  
three children, the age at which he went to  
work for himself, and many other events in  
his life.  
This it should be remembered, was with-  
out asking a single question or having the  
subject write a word, and the party was an  
entire stranger, never having met him until  
ten minutes before the test. All the informa-  
tion was correct. He not only tells the  
past, but the future, and can certainly be  
ranked as a prodigy. The professor does not  
explain his faculty, but calls it a gift and lets  
it go at mind reading. His great powers  
have been used occasionally as a means of  
securing the conviction of criminals. He  
has never failed in any test, and what he  
does almost as unexplainable as it is as-  
tonishing.

There is no doubt about the mental powers  
of Prof. Reese, at least there exists none in  
the minds of many of our prominent people  
who were his subjects last night and to-day.  
It will pay any one to go and give him an  
interview before he leaves town. They will  
never regret it, and will witness a marvelous  
display of mind reading.  
**EARLY MORNING ALARM.**  
The Fire Department Summoned, But  
Their Services Not Needed.  
Shortly before one o'clock this morning  
the residents of town were aroused by an alarm  
of fire being sounded from box 34, at the  
corner of Main and Poplar streets.  
The alarm was sent in by Officer Goodman  
who was notified by a messenger on a bicycle  
that a fire was raging among the slaughter  
houses near the Cambridge colliery. It  
proved to be the smoke house owned by  
Charles New, the butcher. The structure  
was of frame, which burned to the ground.  
The building contained no stock and the  
damage is but a few dollars. It had been  
used yesterday for seasoning meats.  
The fire department, with the exception of  
the Columbia company, responded promptly.  
The latter were unable to get out because  
some excited person opened the doors of  
the engine house before the horses were hitched  
when one of them struck off and led his  
possessor a merry chase around town and was  
not captured until about 4 o'clock, when  
Driver Taylor, William Everhard and several  
others caught him on the road to Ellangowan  
colliery. Everhard was slightly injured by  
being thrown. The ground when he en-  
deavored to hold the animal which  
was particularly frisky owing to him not  
having been worked for several days. The  
Phoenix Hose company attached a line of  
hose to the plug at the Pennsylvania station,  
but owing to the distance had not sufficient  
length of hose to be of service.

**Illegal Car Riding.**  
The C. & L. police continue to have con-  
siderable trouble with illegal car riders, but  
are waging an active war upon the practice  
and it will be money in the pockets of the  
young men addicted to the practice to dis-  
continue it. Near Black Creek one young  
man was arrested yesterday and another from  
Bowman's patch near Mahanoy City last  
evening and on Thursday two at Quakertown  
were given a hot chase but escaped to the  
mountains.  
**Cacarets stimulate liver, kidneys and**  
**bowels. Never sicken, weaken or gripe, 10c.**  
**Special Notice.**  
Rev. Alfred Hughes preaches in the M. E.  
church tomorrow. Subject for morning ser-  
mon: "Certain Results from Certain Causes."  
Subject for evening sermon at 8:00. "Naaman  
and the message of Elisha." A cordial invita-  
tion to all to attend these services. Strangers  
especially invited. The Usher's Association  
look after the comfort of the congregation.  
**The Gang Broke Up.**  
For some time past the residents of Chest-  
nut street, south of Oak, were pestered by a  
gang of boys who made it their practice to ac-  
count pedestrians with insulting remarks and  
torment the residents. Officer Goodman was  
detailed to watch them and at repeated  
times warned them of arrest if they did not  
cease their annoyances. Yesterday afternoon  
they indulged in throwing stones  
through the windows of the Amunition  
hall. One of the gang, a boy named Dowling,  
was captured last evening and placed in  
the lockup for several hours.  
**Becker's Cafe.**  
Our free lunch to-night will consist of  
chicken soup.  
**Advertised Letters.**  
Letters addressed to the following persons  
remain uncalled for at the post office: Mrs.  
E. Owens and Miss Bertha Luicks and  
Emma Kern.  
**Slight Injury.**  
By a fall of top coal at the Shenandoah  
City colliery this morning, Peter Poff re-  
ceived a flesh wound on the right wrist. He  
will be compelled to remain idle for a period  
of a week or more.  
**Cambridge Pay.**  
The employees of the Cambridge colliery  
received their bi-monthly stipend to-day.  
**Tumor Removed.**  
A mole belonging to Daniel Troy, of Bing-  
town, was operated upon at the Commercial  
hotel this morning. A tumor, weighing  
over a pound, on the left shoulder was  
removed by Dr. E. D. Langner.  
**Genuine Snapper Soup.**  
Who would not want it? We have it for  
free lunch to-night. This knocks all the  
other lunches in the town sky high. Come  
and try it. Ladies' dining parlors attached.  
At the Kendrick House.  
**Held in Bail.**  
For hitting Michael, a twelve-year-old son  
of Stephen Swartz, on the head with a stone,  
Thomas Matthews was held in \$500 bail be-  
fore Justice Shoemaker last evening. The  
deed took place at the Turkey Run colliery  
several days ago.

**RATCHFORD'S**  
**STRONG APPEAL**  
He Urges a Convention of All National  
Labor Leaders.  
**ALL WAGEWORKERS INTERESTED!**  
On the Success of the Mine Strike, He  
Declares, Depends the Liberty of All  
Wealth Producers—A Confer-  
ence of Operators  
Called.  
Fairmont, W. Va., July 24.—M. D.  
Ratchford, president of the United  
Mine Workers of America, delivered the  
following letter to Samuel Gompers,  
president of the American Federa-  
tion of Labor, last night at Wash-  
ington, D. C.:  
"On the fair soil of West Virginia  
peaceable resistance has been for-  
bidden and free speech suppressed. A  
curfew is upon us which must be met  
if we would escape total slavery. The  
great mining strike now extends over  
five states, and 150,000 miners and their  
families, almost a million souls, are in-  
volved. Public sentiment is overwhelm-  
ingly with us. Only the hollow heart-  
ed sentiment of corporate capital,  
echoed by its vulgar parrot, the sub-  
sidized press, is opposed to us. The  
acute stage has been reached. This  
is no longer a strike for justice, but a  
struggle against starvation. Every  
atom of liberty in human nature im-  
pels us to rise to the emergency, and  
by performing our duty as becomes  
men, rescue the miners of the country  
from the cruel grasp of bondage, and  
their wives and children from the  
torments of famine.  
"West Virginia is the field of action,  
and here our forces must be conver-  
ged. The miners here are eager, anxious  
to join in our movement for their em-  
ancipation, but are restrained by the fear  
of discharge and eviction. They are  
as much the property of their masters  
as were the limited number of min-  
ers of Sumter thundered and heard  
of chattel slavery. Here, upon the soil  
made sacred by Thomas Jefferson and  
Patrick Henry, the slavery of labor has  
become universal.  
"The united hosts of organized labor  
must come to the rescue. The millions  
of sturdy citizens of this country  
must be aroused. I therefore call upon  
you, in behalf of the struggling miners,  
to convene all the chief executive offi-  
cers of all national labor organizations  
at Wheeling, W. Va., on Tuesday, July  
27, for the purpose of meeting this  
crisis and achieving victory for the  
cause of labor. No duty which any  
labor official may have at this time is  
to be compared in importance to this  
great demand, and it is therefore hoped  
and expected that each and all of  
them will attend in person.  
"This is not the time to consider differ-  
ences between organizations. If differ-  
ences there be, and no man will have  
our cause at heart will raise that ques-  
tion. The call to duty is to all organ-  
ized labor, and the chief executive of  
each organization is expected to give  
the conference the benefit of his pecu-  
liar experience. In this battle he won  
organized labor in every line. The  
will be immeasurably strengthened,  
but if lost, the cause will be set back  
at least ten years. Never has the  
American people so unanimously sup-  
ported a labor strike. Fully 80 per cent  
are with us and will support our cause  
to the end. This is the strongest op-  
portunity to strike the blow for in-  
dustrial liberty, and if ignored, the  
doom of labor is sealed and we trusted  
leaders must bear the odium of our  
cowardly inaction. The unity of labor  
is all that is required to decide this  
contest in favor of the miners in favor  
of justice and in favor of humanity."  
**THE ARBITRATION COMMISSION**  
Succeeds in Having Called a Confer-  
ence of Operators.

**Two Thousand More Miners Out.**  
Altoona, Pa., July 24.—All the coal  
mines but one in the northern Cam-  
bria region, which includes the open-  
ings along the Susquehanna extension  
of the Chesapeake and Clearfield railroad,  
closed down yesterday, the men, about  
2,000 in number, going out on strike.  
The miners held a meeting a few days  
ago and made a demand for check-  
weightmen. They were given to un-  
derstand that their demand would be  
complied with, and when no check-  
weightmen were put on yesterday the  
threat to strike was put into effect.  
**Flooded Mine Tamped.**  
Hinsdale, Pa., July 24.—The old Sugar  
Loaf mine of the Lehigh Valley Coal  
company, which has been filled with  
water for the past twenty years, was  
successfully tamped Thursday night.  
This work has been in progress many  
months, and its completion is regard-  
ed as a marvel of engineering skill.  
A shaft was first sunk; then a bore  
hole was driven 1,255 feet, which  
pierced the barrier, as indicated. The  
drawing off of the water will take sev-  
eral months, as there are several hun-  
dred acres of water there. It gives  
the mine a natural drainage and re-  
claims one of the most valuable col-  
lieries in this region.  
**Newsweekers, Cor. Main and Coal Sta.**  
Oyster soup to-night.  
Hot lunch on Monday morning.  
Meals served at all hours.

**POLITICAL POINTS.**  
J. M. Reiner, of Harry township, is a can-  
didate for state delegate in the Second dis-  
trict.  
This morning's Journal says the friends of  
M. J. Scamlin, of town, are urging him to  
become a candidate for Poor Director.  
Candidates for delegate to the Republican  
county convention are becoming numerous  
in town. Each ward has its quota.  
Senator Coyle was in Washington boomer  
his candidacy as Consul to Rio Janeiro.  
President McKinley will leave on Wednes-  
day for his summer vacation. It is expected  
Pennsylvania will receive no appointments  
until his return.  
State Senator W. J. Scott, of Luzerne  
county, says that under no circumstances  
will he be a candidate for Auditor General.  
It is said the "Black Diamond" will be  
"red-hot" to-morrow.  
Thomas J. Higgins, of town, is putting up  
an effective fight for the Democratic nomi-  
nation for Sheriff. It is said he will have a big  
vote below the municipal.  
No Republican has yet announced himself  
as a candidate to succeed Judge Bechtel, who  
will be the Democratic nominee.  
The many friends of M. M. Burke, Esq., of  
town, are urging him to enter the contest  
next year for the Democratic nomination for  
District Attorney. He has so far refused to  
accede to their wishes.  
It is probable that the rules governing the  
election of state judges will be materially  
changed at the Republican county conven-  
tion.  
A bill providing for a constitutional amend-  
ment making the United States Senators  
elective by the people has been introduced by  
Congressman Snider.  
Mark Bowman, Mahanoy City, is being  
urged for appointment as one of the govern-  
ment surveyors for Alaska. Mr. Bowman  
would fill the bill, and his many friends here  
would be pleased to see him secure the  
position.  
The Senate Immigration Committee yester-  
day decided not to take action this session on  
the nomination of Powderly for Commis-  
sioner General of Immigration. There was  
not a quorum present and it was apparent  
that action could not be compelled.  
**The Winterstein Case.**  
The case of Lloyd S. Winterstein, charged  
with conspiracy to blow up the home of  
Levi Waller, at Bloomsburg, is to be tried  
again at a special session of court to be held  
after the regular term in September. There  
are seven indictments against him growing  
out of the explosion, and the general im-  
pression is that if the Commonwealth fails to  
convict on one the others will be dropped.  
The attorneys express the opinion that this  
trial will not consume as much time as the  
previous one.

**"V" Program.**  
The following program will be rendered at  
the weekly meeting of the "V" in Mellen's  
hall this evening: Singing; scripture read-  
ing, Miss Alice Dawson; singing by the  
"V"; reading, Miss Annie Brown; recitation,  
Ralph Matter; solo and recitation, Miss  
Maud Gilpin; news of interest, George  
James; reading, James Mader; instrumental  
duet, Misses Anna Heuberger and Ida Wil-  
liams; critic, Charles Baskore.  
**New Trials Refused.**  
In two cases Judge Lyon, of Juniata  
county, has filed opinions and orders refusing  
motions for new trials. One case was the  
damage suit of Wm. H. Bland v. Hirsler  
& Greenwald, in which the plaintiff was  
awarded \$900. The other was that of  
Michael Moriarty v. Frederick Fox, a suit  
on a judgment note for \$200, which de-  
fendant won.  
**Dwelling For Rent.**  
Near of Head and Martin's cafe, (Michael  
Peterson's old stand) on North Main street, Has  
9 rooms. Apply to Head & Martin.  
**Worked To-day.**  
All the collieries of the Lehigh Valley  
Coal Company and the P. & R. C. & I. Com-  
pany were employed six three-quarter days  
this week. Orders were issued shortly  
after quitting time yesterday to continue  
operations to-day. This is the first full week  
made on three-quarter time for nearly one  
year.  
**Sheriff's Sale.**  
The effects of the grocery store of Frank  
Norris, of East Centre street, were sold out  
by the Sheriff to-day.  
**Shots Fired.**  
Shortly after midnight last night several  
shots were fired in rapid succession in the  
neighborhood of West and Centre streets.  
The police and special night watchman made  
inquiries, but were unable to glean any in-  
formation as to who fired them or for what  
purpose they were discharged.

**POWDER MILL**  
**EXPLOSION!**  
Two Magazines Totally Destroyed and  
One Man Killed.  
**20 TONS POWDER IN THE BUILDING**  
Leisenring's Powder Mill, Near Hasketon,  
Struck by Lightning, and an Ex-  
plosion of Terrific Force Followed.  
Heard for Miles Around.  
Wilkesbarre, Pa., July 24.—During  
the prevalence of a heavy rain and  
thunder storm yesterday afternoon the  
powder magazine at the Empire mine  
operated by the Lehigh and Wilkes-  
barre Coal company, was struck by  
lightning. A terrific explosion followed.  
The building was shattered, and the  
force of the explosion was so great  
that it shook the foundation of nearly  
every dwelling in Wilkesbarre. The  
people thought a great earthquake had  
occurred. There were about 20 tons of  
powder stored in the building. There  
was no one in the place at the time,  
but John Higgins, who was driving by  
just as the explosion occurred, was in-  
stantly killed by flying debris.  
Where the magazine formerly stood  
there is a hole 15 feet deep caused by  
the explosion. All the buildings in the  
immediate vicinity were badly wrecked.  
The shifting shanty, where the men  
change their clothes, was entirely de-  
molished. The building atop near by was  
levelled to the ground. On Empire  
street, about 500 yards from the scene  
of the explosion, stands 23 tenement  
houses. The foundations of all of these  
were wrecked and not a pane of glass  
left in the windows. The saloon  
owned by James McGroarty was  
badly wrecked, as were also the stores  
of James Murphy and Pat Kelly. Peo-  
ple who were in the street near by  
when the explosion occurred were  
knocked down and some of them re-  
ndered insensible. In addition to the  
two cases of dynamite, there were  
two cases of gunnits.  
John Higgins, who was killed, was  
aged 45, and leaves a widow and seven  
children. His body was frightfully  
mangled. He was thrown 40 feet in the  
air. Strangers to say the least he was  
driving was not injured.  
Hasketon, Pa., July 24.—Leisenring's  
powder magazine, situated on a bare mile  
from Milneville, was struck by light-  
ning yesterday afternoon. A ton of  
powder stored in the rear exploded  
with terrific force, shaking the very  
mountain and breaking the windows  
of Mineville houses. Nobody was em-  
ployed at the magazine. It was re-  
ported, although it is feared some huck-  
leberry pickers were in the woods near  
by at the time.

**Notice to Builders.**  
Notice is hereby given to all builders and  
contractors and parties having buildings  
under way, that they are required to secure  
a permit from Water Superintendent Stout  
for use of water. Any one found using  
water without such permit will be dealt with  
according to the borough ordinances.

**Bridal Party Returns.**  
After spending their honeymoon in the  
Adirondack mountains, covering a period  
of several weeks, Mr. Levi Rebowick and his  
bride returned to town last evening. Many  
of our prominent people took advantage  
of the opportunity to become acquainted with  
the bride and extend to her a hearty wel-  
come. Mrs. Rebowick is a lady of many ac-  
complishments, tall and stately. She will  
return to New York in a day or so and re-  
main there until the honeymoon is now be-  
ing made at the Refwick residence are com-  
pleted.  
**Labor Meeting.**  
The labor meeting in Eynekewic's hall last  
evening was attended by about two hundred  
workmen. The speaker of the evening  
was M. Carless, a New York labor leader,  
who explained his views on the labor ques-  
tion by displaying stereoscopic views on a  
large curtain which had been stretched  
across the wall. The meeting throughout  
created very little enthusiasm.  
**Funeral.**  
The funeral of Michael Grady, who met  
instant death at the Packer Colliery No. 5,  
on Thursday evening, took place from his  
late residence in Eaglehansack this morn-  
ing. He was 45 years of age and is survived  
by a wife and seven children. High mass  
was celebrated in St. Joseph's Catholic  
church, at Girardville. Interment was made  
in the parish cemetery.  
**Married.**  
Matthew Matlewicz and Miss Mary Yank-  
ewicz were wedded in the Lithuanian church  
this morning. Matt. Kepchinski, of the  
Arcade cafe, acted as a processman. The  
usual festivities were enjoyed at the bride's  
home on South West street.  
**Base Ball.**  
The Lehigh Valley Engineer corps club of  
Loak Creek, and the team from Contons'  
patch were battling for victory on the  
former's grounds this afternoon.  
The Contons team and the Jacksons team  
are scheduled to play on the latter's grounds  
to-morrow afternoon.  
The Loast Dale team and the Homeville  
nine will play at Homeville to-morrow  
afternoon.  
**Horse Killed.**  
A valuable dapple gray horse belonging to  
Liveryman Brennan was killed this morning.  
A sickness which was incurable compelled  
the proprietor to kill him. Ulrich & Sons,  
the Ashland fertilizers, took charge of the  
carcass.  
"After suffering from dyspepsia for three  
years, I decided to try Burdock Blood Purifiers.  
Two bottles cured me entirely." Mrs. G. C.

**Here's the Combination**

The door is open after the  
bolt is pulled. Our doors are  
wide open for business. No  
bolt to be drawn. Our figures  
and values will draw all who  
heed them. A rare combina-  
tion. The height of value and  
depth of price. Lower than ever  
before. Our GROCERIES are  
always fresh as we are contin-  
ually getting new goods.
